CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in the Police Department {~~inferior~~ superior} ~~grades~~ has been duly proved for 13 years 2 months and 28 days; and that ~~a~~ unless the Govt see fit to deal with the case as a special one in consideration of the fact that {~~pension~~ gratuity} ~~not exceeding Rs.~~ , ~~is admissible under Section~~ ~~of the Civil Pension Code. The calculations have been duly verif~~ the applicant's incapacity is stated by the Medical Officer in the Certificate herein enclosed to have been due only "in part" to habits of intemperance, no gratuity will be admissible, and should the case be so dealt with, and an Invalid Gratuity not exceeding Rs. 1200 – equal to 12 months' pay may be sanctioned subject however to the grant being duly reported to the Government of India for Confirmation.

It is further pointed out that any allowance which may be granted will be subject to such reduction as Government may deem proper in consideration of the fact of the applicant's character and past conduct not having been thoroughly satisfactory.

From the enclosed Confidential Medical report it will be seen that the applicant "has not the normal prospects of life". It rests therefore with Government to determine whether any gratuity that may be sanctioned yielding more than Rs. 2 per mensem should be commuted into a life annuity under rule 5 Section 105 of the Civil Pension Code 4th Edition and note thereto.

This is to certify that I have carefully examined 3d Class Inspector Venkatachelum Razu son of Veerasawmy Razu of the Nellore Police His age is by his own statement 47 years and by appearance about 50 years, I consider Venkatachelum Razu to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of General debility the result of repeated attacks of fever, depressing mental emotion & long continued habits of intemperance His constitution is so shattered that he is unlikely ever to recover sufficiently to be fit for the active duties of a Police Inspector in part

His incapacity does ~~not~~ appear to have been caused by irregular or intemperate habits. He has ~~not~~ been under general Medical treatment. Treated with Quinine, Strychnia &c

This Insp^r has I regret thoroughly ruined his prospects by confirmed habits of drunkeness. He had so little control over himself that when I sent for him to Hillas & put him under medical treatment & observations, he at this Stage even displayed signs of intemperance on one or two occasions which were observed by the Villah Surgeon — Drinking in Excess has so undermined his Constitution that he has become Quite ineffectus for police work — Hence his persistent habits of unpunctuality in the discharge of his official functions — I believe his intemperate habits have been contracted during his Excursion first brought on by a long Series of domestic Screcavements.
