REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Character and conduct appear to have been indifferent. His quarrelsome temper seems to have more than once got him into trouble.

2. Explanation of any suspension or degradation. Twice degraded 1st on the 5th August 61 Vide Remark B, & 2nd on the 20th April 1875 Vide Remark F in Col: 8 of the Service register herewith sent.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. Nil.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. Nil.

5. Any other remarks. There has been a delay of over two months in the submission of this application. It was first received from the Cantonment Magistrate Saint Thomas Mount on the 5th July last. I had to make 3 references on the subject and correct information was received only on the 2nd Instant. Medical & Last Pay Certificates accompany. The Cantonment Magistrate has pointed out that specific disease has been mentioned in the certificate no second medical opinion is necessary. The applicant has been constantly ailing and unable to perform his duty efficiently. The applicant seems to have drawn pay for the 28th June. This has to be retrenched from his pension.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {~~inferior~~ superior} grades has been duly proved for 17 years 8 months and 12 days; and that an Invalid {pension ~~gratuity~~} not exceeding Rs. 17-4-10 per mensem equal to 1/3rd of the average emolument is admissible under Section 61 & 68 (b) 4th Edition of the Civil Pension Code. The calculations have been duly verified. It will be seen from the remarks of the Collector opposite to Nil on the 3rd Page of the application that the character and past conduct of the applicant have not been satisfactory. It rests therefore with Government to make such reduction in the amount of any Pension which may be sanctioned to him, as it may deem proper under rule 1 Section 22 of the Code.

It will further be seen from the accompanying papers that the applicant erroneously drew Pay for the 28th June/79, the date of the Medical Certificate declaring him to be unfit further service. As the Collector recommends the grant of Pension with effect from that date, the difference between Pay (18.50) and Pension (17-4-10) viz: 1-1-5 should be ordered to be recovered from the amount of arrears of any Pension which may be sanctioned by Government.

The delay in the submission application is explained by the Collector on the 3rd Page of the application.

Reply.

The service of the applicant (Srinivasa Murthi Iyengar) from 12th June 1860 to 22nd February 1861 was included under the head "Period reckoned as Service" as it was not known that the period spent in the Civil Fund Office would not count towards Pension. It is, however, noted that the exclusion of this period and of the temporary service in the Board's Office, from column 7 does not affect the applicant's claim to 1/3 pension.
