Certified that I have carefully examined Mahomed Saib son of Shaik Hoosain a lascar in the Department Public Works. His age is, by his own statement, 60 years and by appearance, about the same. I consider Mahomed Saib to be completely and permanently incapacitated for further Service of any kind in the Department to which he belongs, in consequence of General debility and defective eye-sight. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Sir,

Referring to your endorsement No 1216 dated 13th July last, on the copy of Examiners Memorandum No 73 G.D. dated 29th June last, I beg respectfully to report that on my calling upon the applicant Mahammud Saheb what capacity was held by late Mr R. Smith, while he was first employed under him, his reply was to the effect that Mr Smith was his Superior and could not say nor remember his capacity or different capacities which Mr Smith held during his employment under that officer as he is an old illeterate Servant, I have no records in this office to trace Mr Smith's different capacities.

The applicant also says that his pay at the entrance into the Department was Rs. 7 and that he does not remember the duration of time while in receipt of that pay and further states that the salary at Rupees 6 was drawn by him for a very long period, and that he was all the time employed in the permanent Establishment of Government. I have requested his contemporary employees if they could corroborate the Statement of the applicant to the effect that he was all the time along in the Permanent Establishment and the reply from one of them is herewith forwarded for your information.-

2. I beg to state referring to para 2 of the Examiner's Memorandum under reply that the cause of applicant being out of employ from 14th July 1863 to 29th February 1864 must be owing to the reduction of the Establishment as would be seen from one of his testimonials submitted with this office letter No. 248 dated 16th March last.-

3. Adverting to para 3. I beg to report that the applicant having expressed a desire to retire on pension through old age and short sightedness which I approved on the 1st October last and his connection with the Department ceases from that date.

4. I also beg to state with reference to para four of the Memo under acknowledgement that no document is reported to have been in the possession of the applicant to shew his past service except those already forwarded.-

5. Under these circumstances I beg to request the favor of your kindly obtaining the sanction of the pension after supplying the omissions pointed out by the Examiner in para 5 of his Memordum.

As promised in my letter No 245 dated 14 Instant, I beg respectfully to submit herewith a petition, in original, from Mahomed Sahib, Talug lascar, praying that he may be pensioned on the ground of imbecility, old age, and shortsightedness. The papers as per margin which relate to his services are herewith submitted. Every endeavour has been made to collect as much information as could possibly be obtained. Mahomed Sahib is an inferior servant whose service could only be verified from acquittance rolls. The acquittance rolls extant in this office go back only as far as 1st April 1869 from which date up to 30 September /77 Mahomed Sahib appears in this Range as a Talug lascar.

2 His Services prior to that period cannot be verified in this office and

the period he is supposed to have served in No 10 Eastern Delta Range cannot also be verified as it is understood on a reference to that Divisional officer that acquittance rolls prior to 1866 are not forthcoming even in that office. It will also be seen from Mahomed Sahib's petition that he was entertained at the beginning of the construction of the Godavari Anicut

3 The Service Register now submitted has been compiled from the certificates which Mahomed Sahib has in his possession & from the testimonies of his contemporaries. As most part of the services of the applicant has not been verified I have directed him under chapter XIV section 71 para 4 of the Civil Pension Code to produce an affidavit and testimonies of his contemporaries which he did, and are herewith submitted

4 In conclusion I beg to state that pending final disposal of Mahomed Sahibs case he is on leave without pay from 1st October 1877 being unable to attend to his duties as he is now more than 59 years old and physically unfit for lascars duty.

The applicant's services for the period from 25th January 1847 to 13th July 1853, and again from 1st March 1864 to 31st March 1869, cannot be verified either from the records of this Office or from those of the Accountant General Madras and the Divisional and District Offices. The applicants affidavit and the statement of his Contemporary Servants are herewith forwarded. From these documents as also from the original certificates of character, it may be pursumed that the applicant was employed for the above periods on the permanent Establishment of Government. The break in service of 7 months and 16 days (from 14th July 1863 to 29th February 1864) was caused by reduction of Establishment in July 1863 and does not affect past service See civil Pension Code Section 55 (d) His services from 1st April 1869 to 4th April 1878 cannot be verified from the Audit Registers on record in this Office owing to omissions in them of the names of incumbents in inferior grades. They have however been verified from the records of the Divisional Office
