From the Collector of Chingleput, dated 8th March 1879.
,, Offg. Assistant Accountant-General, dated 30th September 1879, No. A.D.J.—482.
Petition from V. Venkata Rao, dated 10th November 1879.

ORDER THEREON, 4th December 1879, No. 798.

His Grace the Governor in Council is pleased to grant to V. Venkata Rao, late Third-Class Revenue Inspector, Conjeeveram Taluk, Chingleput District, an invalid pension of Rs. (7-4-0) seven and Annas four per mensem for his qualifying superior service of twenty-two years, nine months, and twenty-four days, payable from the 23rd August 1878.

2. The applicant was dismissed in 1870 by the Sub-Collector, but the order of dismissal was reversed by the Collector and commuted into one of suspension until the occurrence of a vacancy in a taluk other than that in which the applicant had formerly been employed. As no definite term was fixed the Accountant-General proposes to treat this period of suspension as an interruption of service involving forfeiture of service.

3. The Government are unable to concur in this view and consider that the order of dismissal having been reversed, the neglect of the Collector to comply with standing orders and fix a definite term of suspension does not deprive the applicant of the right to count his previous service.

4. Copy of these Proceedings will be forwarded for the information of the Government of India.

The humble petitioner Viluppuram Venkata Row, late 3rd class Revenue Inspector Conjeveram Talug, chingleput District most respectfully showeth.

1 The Collector of this District on referring to my service has recommended me for pension.

2 I was employed in the Government in 1846. From that time forward I discharged my duties to their entire Satisfaction till 1878. The Board of Revenue according to the order of the Collector has ordered that I should be calculated as one in the service & at the same time should be suspended till the post was given to me. The Inspector's place was not given to me then & there. And hence there was an interval of 5 years. Excluding those 5 years I discharged my duties to the Government for 26 years. For a proof the Records of my service have been forwarded to your honor's office through the Collector. And I request that your honor will be so good as to have it perused, to calculate my services of 26 years by changing the above 5 years and bestow upon me Rs 10.1.2 which Comes to half of my pension.

3 I am now quiet from the 24th August 1878 till to-morrow which comes to 16 months. I now undergo a good deal trouble as there is no other means of

maintaining myself than through the Governmen

Service from 12th Octr. 1850 to 22d August /70 and that from 20 July /75 to 23d Augt /78 have been verified from the records of the Collector's office Chingleput and the verification confirmed partly by the annual returns & partly by the Audit Register, on record in this Office.

Service from 6th April /73 to 11th November /73, though verified, does not count for Pension, being service rendered in Ag. capacity without holding a substantive appointment.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Showed gross carelessness as Taluq Gumastah for which he was dismissed in 1870, the punishment being afterwards reduced to suspension. Made an indifferent Revenue Inspector since he became one in 1875.

2. Explanation of any suspension or degradation. Suspended on the 23d Augt /70 while 2d Class Rev. Inspr. of Chingleput Taluq and subsequently dismissed by Mr. Crole. The Collector on appeal directed in the enclosed copy of order dated 17 Septr 1870 that he should remain under suspension till the occurrence of a vacancy among Revenue Inspectors. After temporarily holding a Gumastahship on Rs. 15 in the Madurantakam Taluq he was made 3d Class Revenue Inspector of Conjeveram on the 20 July 1875. He was thus under suspension for 4 years 3 months and 22 days. It is explained by the Sub. Collector that the applicant was put into an acting post and that when the permanent incumbent returned, there was no other vacancy & he had to revert to suspension.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX.

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. Nil

5. Any other remarks. The date of the applicant's medical certificate is 23d Augt 1878. His verified service list was received from the Treasury Dy. Collector's office on the 17th October since then search has been made in the Sub: Collector's office for records relating to his case required for reference. It was at last received from the Sub: Collector with complete information on the 3d ultimo: the service register & medical certificate accompany. Further information was called for and received on the 25 idem.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

Certified that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ / superior} grades has been duly proved for Two years Eleven months & twenty eight days; and that an Invalid {~~pension~~ / gratuity} not exceeding Rs. 40 equal to 2 months pay is admissible under Sections 61 & 68 (a) of the Civil Pension Code. 4th Edition The calculations have been duly verified. It will be seen from the History of Service, that the applicant had served in qualifying grades for a period of 19 years 9 months and 26 days; Viz. from 12th October 1850 to 22d August 1870, when the Sub: Collector, under whom he served, dismissed him from the Service on account of certain charges, that were brought against him. On appeal, the Collector converted the order of dismissal into one of suspension, but resolved that he should remain under suspension pending the occurrence of a vacancy among Revenue Inspectors. Venkat Rao thus remained under suspension until 20th July 1875, when he was provided with an appointment as Revenue Inspector in the Conjeveram Taluk, which appointment he held up to the date of his retirement from the Service. It is clear from the above facts, that the applicant's suspension was not for a limited period, in other words it was not followed by "immediate re-instatement." Under these circumstances this office has treated the period of service rendered prior to suspension as non-qualifying vide Section 55 (c) of the Civil Pension Code.

If, in consideration of the fact that his prolonged suspension was due in large measure to the inability of the Collector to provide him with a suitable appointment, the Government see fit to grant him the pension, to which under ordinary circumstances he would have been entitled for his service of 22 years 9 months and 24 days, Viz. Rs. 7 " 4 " 0 per mensem, it is respectfully pointed out that such concession will need the confirmation of the Government of India.

It will further be seen from the remarks of the Collector opposite to No. 1 on the 3d Page of the application, that the character and past conduct of the applicant were not thoroughly satisfactory. It rests therefore with Government to make such reduction in the amount of any Retiring allowance which may be sanctioned as it may deem proper.

The attention of Government is respectfully solicited to letter No. 208, dated 31st May 1879, from the Acting Zillah Surgeon Chingleput, from which it will be seen that that officer differs in opinion from his predecessor Mr. Sturmer, who certified to the applicant's incapacity for further service in August 1878.

The delay in the submission of this application is explained by the Collector on the 3d Page of the application.

7 instead of 8.-

2. The circumstances under which the applicant's service, as Acting Gumastah was entered under Column 7 were as follows.- He was, for certain alleged misconduct, first suspended and then dismissed by a former Sub Collector / Mr Crole /. He appealed to the Collector / Mr Barlow/ and the order passed was that the sentence of dismissal was cancelled, but the Collector instead of ordering suspension for a definite period, as he should have done, directed that the applicant "must remain under suspension until a vacancy occurs among 〃 Inspectors." This was decidedly contrary to the Board's Standing orders, and the error not having been pointed out, the applicant remained out of employ until, a temporary vacancy having occurred amongst the Taluq Gumastahs, he was put in to act. He was turned out when his acting incumbency was over and had again no employment until he was appointed to an Acting Revenue Inspectorship in which post he was subsequently confirmed.-

3. The appointment of Revenue Inspector in the Conjeveram Taluq was fully vacant

from

from 20th July to 16th November 1875 and no one but the applicant counted service in it for pension, during that time.-

4. It was considered that as the order of the Collector converted dismissal into suspension / wrongly for an indefinite period / this, defacto, was suspension followed by immediate reinstatement to another Office, and that the suspensions which took place must, under the circumstances, be taken to be suspension for definite periods which have duly been entered in Col: 8. Attention is invited to this Office reply No. 1869, dated 1st November 1878 (para 4). Copy of the order of the Sub Collector in the applicant's case is transmitted: that of the Collector on appeal has already been forwarded.-

5. Upon the Medical certificate being returned to the late Ag Sub Collector he appears to have sent the applicant to the present Ag Zillah Surgeon who wrote the accompanying letter stating that the applicant is fit for further service. It will be observed that Dr. Macrae thinks that the change in the state of the applicant's health is the result of his having had a long rest. Mr. Weld then restored him to Office, but I pointed out that he having once turned the man out on a medical certificate granted by a competent Officer, he could not restore him until orders were received from higher authority. The applicant was removed without my knowledge or assent. The Sub Collector has, in his Division, full power to do this and the Collector's previous consent is not necessary. The Ag Sub Collector and Tahsildar, particularly the latter, were of opinion that the applicant was physically and mentally worn out, an opinion in which as I had a considerable experience of him in 1878 when doing the Jamabundy of the Conjeveram Talug, I coincide.- He is perfectly useless.-

The applicant's Service Book with the necessary addition is retransmitted.-

Proceedings of the Collector of Chingleput.

Read appeal presented by Venkata Rao late 2d Claſs Revenue Inspector in the Chingleput Taluq, against the order of the Ag. Sub Collector dated 16th November 1871 No 666, dismissing him from his said post of Inspector for groſs carelessneſs in his duty, when Head Gumastah in the Chingleput Taluq.

Appellant was dismissed for the following reasons.

That he negligently allowed one Latchmeenarasiah, Nagadu Gumastah, to embezzle on three different occasions and on the marginally noted dates a sum of Rs 69-4-2; that he signed certain Takeeds which the said Lutchmeenarasiah brought to him, addreſsed to the Village Officials of Olalur where the latter had landed property to the effect that Rs 5-3-7 were paid by him (Lutchmeenarasiah) while in reality no payment whatever was

7th September 1866.

was so made in the Taluq Treasury.

2. That he negligently on another occasion (July 1866) allowed the said Lutchmenarasiah to alter certain amount credited under the head of Interest in the Cash Chittah into a figure less by Rs 10 the difference being entered in the monthly account current under the head "Land Revenue" in view to misappropriating the same.

3. That he negligently and without sufficient cause left the preparation of certain Sevoy Jamah accounts entirely to Appu Rao, Cultivation Gumastah, thereby giving him opportunities to defraud Government of their Revenue.

4 That he failed to sign the receipt Chittah & Shroff's Chittah on the 28th June 1866 the Date on which Rs 18 were embezzled by the said Lutchmenarasiah.

5. That he has himself entered the said 18 Rs in the D.C.B. statement of the Village of Clalur.

The grounds for appealing are

1st That the charges brought against him import no fraud no mischief & no evil intention on his part.

2d That he failed to sign the Chittahs on the 28th June 1866 because it was the close of the month and the Fasli when he was fully engaged in preparing the various accounts due for the month & Fasli.

3d That he entirely trusted the Nagadi Gumastah in whose custody the Chittahs were kept.

4th That he had no reason to suspect the said Nagadi Gumastah, Lutchmenarasiah.

5th That the preparation of the Sevay Jammah account was left entirely to Gumastah Appu Rao under para 7 of the late Collector's Circular No 71 of 1866.

6th That it is impossible for him to examine and check every item in the accounts brought for his initial by other Gumastahs.

7°. That it is well known that the work in a Taluq office is enormous

8°. That he deserves subsistence allowance for the period he was under suspension.

Read also Proceedings No 20 of 1872 on appeal of Parthasarathy Mudali late Sheristadar of the Chingleput Taluq ~ Collector's letter No 303 dated 22d July last to the Board and the Board's order thereon No 5469 dated 8th Ultimo.

Decision. The Case against this appellant who was Head Gumastah in the Chingleput Taluq from November 1866 to November 1868, when he was promoted to 2d Class Revenue Inspector in the same Taluq is similar to and hangs on that against the Sheristadar except that as regards Nagadi Gumastah ~ Latchmeenarasiah's false takids & and other irregularities, he was even more to blame than that officer (Sheristadar) in that he initialled takids in the first instance and was more directly responsible, from his want of care in doing so without reference the fraud arose, for the Sheristadar signed them trusting him. I acquit the appellant of dishonesty but consider his carelessness deserves even more serious notice than the Sheristadar's, & I therefore shall not reinstate him in the Chingleput Taluq, he must remain under suspension until a vacancy occurs among inspectors that will enable him to be provided for in the 2d or 3d grades, he must have the first vacancy. The order of the Sub Collector is modified accordingly.

Petition from V. Venkata Row dated 10 November 79 — 482

Order thereon 4th December 1879 No 798.

His Grace the Gov. in Council is pleased to grant to V. Venkata Rao ~~[illegible]~~ late 3rd class Revenue Inspector, Conjeveram Taluq, Chingleput Dist. an invalid pension as per mensem Rs 8-14-5 for his qualifying superior service of 22, 9-24 payable from the 24th August 78.

2. The applicant was dismissed in

Note. The man does not appear to have been an altogether satisfactory servant but no reduction is proposed in his pension as he was invalided

1870 by the Sub Collr. &c but the order of dismissal was reversed by the Collector & commuted into one of suspension until the occurrence of a vacancy in a taluk other than that in which the applicant had formerly been employed. As no definite term was fixed the Acct. Genl. proposes to treat this period

long suspension, & were he able to count service before 22 years of age, would get a 1/2 instead of a 1/3 pension. A curious feature in the case is that Dr. Sturmer certified the man unfit on the 23 Aug. 78 from "loss of memory, "urinary fistula & incipient cataract" but that Dr. Walker on the 31st May 79 "can find no medical grounds for considering

him unfit" & can only suppose that "Dr." may have worked a miracle. The Collr. says the Sub Collr. [illegible] considers the man "physically & mentally worn out." She considers

of suspension as an interruption of service involving forfeiture of service.

3. The Govt. are unable to concur in this view & consider that the order of dismissal having been reversed the neglect of the Collector to comply with standing orders & fix a definite term of suspension does not deprive the applicant of the right to count his previous service.

A copy of these proceedings will be forwarded for the information of the Govt. of India.
