PENSION DEPARTMENT.

Pension.

No. 809.

FROM

J. H. GARSTIN, Esq., C.S.I.,
Acting Secretary to the Government of Fort St. George,

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

I am directed to submit, for the favorable consideration of the Governor-General in Council, the accompanying application for pension on behalf of S. Ponnarungum Moodelliar, lately a clerk in the office of the Examiner, Public Works Accounts.

2. The applicant's verified service began on the 12th January 1857 as a writer in the District Engineer's Office, Cuddapah, where he appears to have remained until 4th June 1860, when, while on sick leave, he took a post on less pay in the Collector's Office.

After a few years he was allowed leave to try an appointment as Inspector of Police, and he is considered to have been permanently employed in it from the 2nd August 1865 until the 23rd December 1867, when he resigned.

3. He remained without Government employment until 20th December 1868, when he obtained a place in the Postal Department in which he was gradually promoted and served satisfactorily until July 1872; but was then degraded as the conduct of the officials of the Madura Post Office, of which he was Head Clerk, had been animadverted on by the Magistrate of the District in his investigation of certain robberies and losses in that office.

4. At the time of the enquiry Ponnarungum Moodelliar was on sick leave and, while thus absent, was appointed to the District Engineer's Office, Cuddapah, and was transferred to different offices, until in May 1876 he was suspended and eventually degraded and taken by the Examiner, Public Works Accounts, into his office, where he remained until invalided on the 17th May 1877.

5. Owing to his resignation in 1867 the applicant loses his previous service and can count but seven years, one month, and fifteen days in place of eighteen years and twenty-seven days towards a retiring allowance and is therefore only entitled to a gratuity of Rs. 280, which has been granted. He asserts, however, that he only resigned his Police appointment to take up a post which had been promised him by the Collector of Cuddapah, but which that officer, who died shortly afterwards, failed to bestow on him.

6. It appears that S. Ponnarungum Moodelliar's service has not been altogether satisfactory; but, on the other hand, it extended over a long period, during which he suffered two serious injuries while employed in the Public Works Department. On the first occasion his right forearm and, on the second, both his thigh bones were

broken. The fractures have been duly certified by a Medical Officer, and there is on record a certificate granted by the Officer under whom the applicant was then serving, that the second accident occurred while the sufferer was on duty. Under these circumstances the case appears to be deserving of exceptional treatment, and this Government would recommend the grant to S. Ponnarungum Moodelliar a pension of Rs. 15, being less than one-third of his average emoluments.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
9th December 1879.

Acting Secretary.
