CERTIFIED that I have carefully examined S. Ponnurunga Mood^{r} son of Ramakristna Mood a Clerk in the Office of Examiner, P.W. Accts. His age is, by his own statement, 45 years, and by appearance, about 45 years. I consider S. Ponnurunga Mood^{r} to be completely and permanently incapacitated for further service of any kind, or in the department to which he belongs, in consequence of Impaired vision the result of lenticular opacity and atrophic changes of the deep structures of the Eye. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

The Conduct of the Officials of the Madura Post Office (of whom S. Ponnarunga Moodelly was one) having been strongly animadverted upon by the Magistrate of the District in his investigation of certain robberies and losses in that Office in 1872, it was deemed expedient to punish them by removal and degradation. Accordingly S. Ponnarunga Moodelly was degraded from a post of Rs 54 to one of Rupees 40 and removed to Calicut.

The records relating to the applicant's degradation from Rupees 40 to 15/ in 1869 are not readily traceable in this Office; his name appears, however, as permanent Deputy Post Master of Ongole in the Pay abstracts of the Nellore Post Office from 21st April to 30th November 1869; but in the Pay abstract for December 1869 in which his pay is drawn from 1st to 7th December 1869 he is designated as ag Deputy Postmaster of Ongole, from which it is concluded that he must have held the post temporarily, and reverted to his permanent place at Gudur. Respected Sir,

Adverting to your No 870 of 1st March 1878, I respectfully beg to afford the following information.

(1) I was employed in the Assistant Civil Engineer's Office for a month and some days in the Permanent Establishment. It is now above 20 years elapsed, when I was at Vellore, for a short period; consequently it is impossible for me to procure the evidence of Contemporary Servants.

(2) From 1st May to 15th June 1860 I was on Private leave, and drew my moiety Pay from 1st May to 15 June 1860, and prior to the expiration of my leave, I took a Post on less pay in the Cuddapah Collector's Office on the 4th of June 1860, owing to the reasons assigned in the Certificate given by Captain E. Hemery the then District Engineer Cuddapah.

(3) The original Endorsement of the Collector of Cuddapah and other Certificates are herein enclosed.

(4) I resigned my appointment as 2nd Clerk in the Cuttack Post Office on the 19th December 1872 and

Pay up to that date in that Department. Vide Post Master Calicut letter No 1165 of 11th August 1873 and I assumed charge of the duties of Accountant in the office of the District Engineer Cuddapah on the 22nd and not 21st December 1872 Vide District Engineer's Notification No 8 dated 23rd December 1872 my Pay might have been drawn from the 21st December 1872 which is a clerical mistake. I respectfully beg to request that your honor will be pleased to order to [illegible] the difference of one day's pay to which I am entitled to.

In conclusion I humbly beg that your honor will be kind enough to take early steps to get my Pension ticket as I am in great distress, and trust your honor will grant.

Proceedings of the Madras Government, Public Works Department,
13th August 1874.

No. 258. Read the following letter from Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Chepauk, 8th June 1874, No. 809 :—

I HAVE the honor to submit, for the favorable consideration of Government, the case of the Managers of the Offices of the Inspecting Engineers who have lost their appointments in consequence of the abolition of the Offices in G. O. of the 18th May 1874, No. 1,328, and have been left out in the partial re-organization of the department.

1 Original Service Book of Mr. Shutie.
1 Do. do. of Kistna Rao.

2. Employment has been found for the Clerks and Draughtsmen, several of whom have served only a short time, while no provision whatever has been made for the Managers, who have served, one nineteen and the other twenty and a half years.

3. Mr. Shutie, who has been Manager of my Office, was formerly Manager of the Office of the Superintending Engineer, 8th Division, on a salary of 200 Rupees a month, and on the re-organization of the Department of Public Works in November 1872 he was nominated by the District Engineer of Madura Head Clerk in his Office, on a salary of 70 Rupees a month. He accepted the appointment in the hopes that the difference* in his pay would be made up to him by Government either by a compensation pension or by a personal allowance. But a telegram from the Chief Engineer having subsequently been received by Colonel Roberts, the District Engineer, informing him that Mr. Shutie had been selected for the post of Manager in my Office, on a salary of 150 Rupees a month, Colonel Roberts ordered him to proceed at once to Madras. This he did, being under the impression that if he did not accept the appointment offered to him, he would render himself liable to the loss of compensation pension or personal allowance. It appears, however, that had he remained in the Madura Office he would not have suffered any reduction of salary.

* Paragraphs 3, 4, and 7, Section 47, Civil Pension Code, 2nd Authorized Edition.

4. The only suggestion* that I can make is that Mr. Shutie be now transferred to the Bellary District Engineer's Office, as Head Clerk, on a salary of Rupees 100, with a personal allowance of Rupees 100, which would be in accordance with G. O. of 9th January 1873, No. 64, and that the present Head Clerk, Jeyram Pillay, and Clerk B. Wood, should revert to their former posts of Accountant on 50 Rupees and Clerk on 40 Rupees, with personal allowances of 50 and 10 Rupees respectively if admissible, and R. Labeyrie, now a Clerk in the Office, be appointed on his present salary under G. O., dated 18th May 1874, No. 1,328.

* *Vide* Section 47, paragraph 1, Civil Pension Code, 2nd Authorized Edition.

5. The case of the Manager of the Office of the Inspecting Engineer for Ports and Communications is similar. He was, prior to December 1872, Manager of the Office of the Superintending Engineer, 2nd Division; he might be similarly provided for in the office of the Superintending Engineer, 1st Division.

Proceedings of the Madras Government, Public Works Department,
13th August 1874.

6. The Service Registers which accompany this letter show that both Mr. Shutie and Kristna Rao have obtained the commendation of every officer under whom they have been employed.

No. 259. ORDER THEREON, 13th August 1874, No. 2,233.

ESTABLISHMENT, No. 26.

THE proposals made by the late Inspecting Engineer in the above letter are approved as a temporary measure; but the Managers in question will be transferred to fill the first similar vacancies that may take place in District Engineers' Offices. District Engineers will report when such vacancies occur.

Most Respectfully Sheweth.

That your Excellency's Memorialist has approac with great respect and submission with these following few lines your Excellency's audience with great hope of meeting with success in his prayer and requests that your Excellency will excuse him for the intrusion thus made on your Excellency's precious momen

That your Excellency's Memorialist has served in the Government in its various Departments as Clerk, accounta Deputy Post Master, Police Inspector &c &ca of which the Service Register is herewith annexed for your kind and gracious consideration.

That after a meritorious service of 6 years in Cuddapah Collectorate he entered the ~~Postal~~ Police Department as an Inspector on 3 years Probation allowed by the Collector, but after 2½ years stay in that Department the Memorialist had the unavoidable necessity of reverting to his former appointment for which on applying to the then Collector Mr. Smith the latter had promised to readmit him as his Clerk provided the Memorialist clears himself away from the

lice by resignation.

That unfortunately for the memorialist llector having been in trouble on account of the defalcation n the District Treasury at Cuddapah it was impossible for the memorialist to get an interview with the Collector although the Memorialist had duly obtained the resignation in conformity the orders of the Collector with an intense hope of being nstated in his former post.

That therefore the Memorialist had the ainful destiny of waiting on the Collector for several months without any result, and thereby as the Memorialist now derstands by the present existing rules of Pension allowing oom for the alleged objection in counting his continous service for Pension.

That at last the Memorialist finding it to have been beyond his power to get back to his former ost as the Collector was obliged immediately to proceed to England the Memorialist accepted a footing in the Postal artment as Deputy Post Master and has ultimately succeeded in getting an Accountantship in the Superintending Engineer's Office Bellary.

That the Memorialist has gradually become Physically unfit by total failure of health and and therefore intends to retire on Pension and that if his non-Service for 11 months above alluded to were to operate against his counting to the required completion of the Service for Pension to which he may be entitled, he would humbly and fervently pray your Excellency to place this his humble case for the merciful considerat of his Excellency the Right Honorable the Governor in Cou and get the barrier removed in the same way as the for the Uncovenanted Civil Service Examination was done in the days of Lord Napier on the presentation of a Memorial by the Memorialist containing almost the similar circumstances as hereinmentioned and copy of which, Original also, is herewith submitted for favorable consideration as otherwise the Memorialist shall be reduced to a very needy and destressful condition partly owing to his being unable to render further good Service in consequence of his having once suffered from fracture of both legs and right arm which occurred during the performance of public duties and partly owing to want of helping friends or relations.

For this act of benevolence your Memorialist as in duty bound
Shall ever pray.

Application of S Poonaranga Mudaliar }

This applicant's verified service began on the 12th Jany /57 as a writer in the District Engineer's office Cuddapah. There he appears to have remained until 4th June/60 when, while on sick leave he took a post on less pay in the Collector's office.

After a few years he was allowed leave to try an appointment as Inspector of Police & he is considered to have been permanently employed in it from the 2nd Augt. 66 until the 23rd Decr 67 when he resigned.

He remained without employment until 20th Dec/68 when he obtained a place

S P Mudaliar

in the Postal Depart: in which he was gradually promoted and served satisfactorily until July 72 but was then when he was degraded as the conduct of the officials of the Madura P.O. of which he was Head clerk had been "animadverted on by the Magr. of the Dist: in his inves:-tigation of certain robberies & losses in ~~that office~~"

4 At ~~that~~ time of the wrongly Poonaranga Mudaliar was on sick leave & while thus absent he was appointed to the Dist. Engineer's office Bellary & he went to different offices until in May 76 he was suspended & eventually degraded & taken by the Examiner P.W.D. into his own office where he remained until invalided on the 17th May 77 X

In /68 he came up to Fort & got exempted from the Genl. Sect. Rules & appears then to have stated what he subsequently repeated that he only resigned the Police because the Collector had promised him an appointment which he was at first too occupied & subsequently too ill to give him.

The original papers belonging to his /68 petition have been mislaid in the office but from the note with petition 1103 of /75 it appears that "he resigned the service in a huff (evidently) because he was fined by the departmentally for delay in putting a prisoner before

X

5 Therefore this resignation in by the applicant loses his previous service & renders [illegible] towards in place of a retiring allowance & he the officer only entitled to a gratuity APS 280 which has been granted. He asserts however that he only resigned his police appointment because he had a post which had been promised him in the Collr.'s office but which afterwards failed to him

6 It appears that S Ponnarangy [illegible] has not been altogether satisfactory [illegible] other land of [illegible] during which he suffered two [illegible]

a Magistrate"
Very likely he expected a place in the Collector's office as he had evidently strong interest there although his manner of leaving it (taking leave & not returning) may have indisposed the Collector to employ him again.
His resignation & the break in his service vitiate his previous service unless the Govt of India condone them.
He can now only count 7-1-11 & he granted a gratuity of Rs 280.
His conduct is returned as "unsatisfactory" by Major C Gordon.
On a former occasion it was noticed by the

Injury Ex-Belts ~~Police~~ for ascertained while he was employed in the P.R. B.R. the first reason his right forearm & that hand both his thighs were broken. The [illegible] duly certified by a medical officer of the ~~[illegible]~~ is or [illegible] certificate granted by the officer. The applicant was serving under the [illegible] accident while he was on duty suffering

Govt. recommend condonation. He loses over 12 years service by a break of less than 12 months.

Yes see next page

Under these circumstances the case appears to be deserving of special treatment & I therefore would recommend the grant of [illegible]

See note with petition 1103 of 75

The pension being 1/3 of his average emoluments [illegible]

Hon. Mr. Huddleston
that the man had been injured while on duty no official paper showing this can be found but the applicant says he "suffered from fracture of both legs & right arm which occurred during the performance of public duties."
