SIR,

In reply to your letter N^o 21 C. L. without date, I have the honor to inform you that the service of Mr. J. O'Shaughnessy as Assistant Overseer in the Godavery District of the Public Works Department from 24th February 1855 to 30 April 1856 on Pay of Rs 43. 15. 1 per Mensem has been verified from the Annual returns of 1st May 1855 and 1856 and found to be correct. -

3. In the Annual return of 1855 the date of the Mr. O'Shaughnessy's appointment to his present Post is shown as 24th Feb'y 1855 and not January 1855 as implied in the letter under acknowledgment. -

Proceedings of the Madras Government, Public Works Department,
16th July 1874.

No. 322. Read the following letter Major H. R. MEAD, R.E., District Engineer, Tanjore, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Tanjore, 18th June 1874, No. 350:—

I HAVE the honor to forward, for the favorable consideration and orders of

* Dated 15th June.

Government, the enclosed letter* from Mr. O'Shaughnessy, Executive Engineer,

requesting that he may be allowed the privilege of counting towards his civil pension the time he served in the Department Public Works as a military man, viz., from 22nd January 1855 to 21st January 1863.

2. On the receipt of G. O., dated 28th April 1874, No. 1,082, laying down general rules for cases of this sort, it was thought that this service of Mr. O'Shaughnessy would count towards his civil pension, but the Controller (to whom a reference was made) is of an opinion that as Mr. O'Shaughnessy "was not a soldier on the 17th October 1872," the Government Order quoted does not apply to his case.

3. Mr. O'Shaughnessy joined the Department Public Works in 1855, being then a Serjeant in the Honorable East India Company's Sappers and Miners; he has always had a high character as an Executive Officer, and in September 1862 he was given a free discharge from the army, and allowed to retain his position, then that of Supervisor in the Department Public Works; since that time he has done so well that Government have placed him on the Engineer Establishment.

4. The privilege now asked for has been granted in, I believe, all similar cases; it has been given in the following:—

Mr. R. Smith in G. O., No. 1,206, dated 13th April 1869.

„ Sage in „ „ 545, „ 18th Feb. „

„ Goodchapin „ „ 2,427, „ 7th Oct. 1870.

I trust therefore that Government will be pleased to grant it also to Mr. O'Shaughnessy, and if G. O., No. 1,082, dated 28th April 1874, does not allow it to be done without a special order, I earnestly request that Government will give it under a special order as has been done in former cases.

No. 323. ORDER THEREON, 16th July 1874, No. 1,918.

ESTABLISHMENT, No. 23.

THE case of Mr. O'Shaughnessy is precisely analogous to that of Mr. Goodchap, disposed of in G. O., No. 2,427, of

7th October 1870; in conformity with which ruling His Excellency the Governor in Council is pleased to direct that Mr. O'Shaughnessy's departmental service while in the army shall count towards pension under the Uncovenanted Civil Service Rules.

Regarding this officer previous character & conduct - I know nothing, but I assume from his late official position in the Dept. that he has some good service. I regret however to learn to a deal that during the past 8 months his conduct has been very far from satisfactory as may be seen from the voluminous correspondence in the subject of his insubordination & obstructions.
