Sir

With reference to G.O. No. 430 W. dated 16 July 1877, I have the honor to inform you that Chedambara Iyer Superintendent of Pandavayaur and Vellayaur Heads was relieved of his duties on the 20 August 1877, and I beg to forward herewith in the prescribed form an Application for pension under Section 56 of the Civil Pension Code on his behalf

2. Chedambara Iyer's Services extend over a period of 39 Years, months and 2 days without any break, and of this period he served

20 Yea

20 Years, 3 Months and 12 days in the Revenue Department, and 19 Years 7 Months and 20 days in the Public Works Department. His Services in the Revenue Department have been duly verified by the Deputy Collector in Charge of Treasury, Tanjore and his Services in the D.P.W. are borne out by the records in this Office. A few differences in the dates of beginning and end of appointment are found between the Statement of Chedambara Iyer's Services as verified by the Deputy Collector and as shewn in his Service Register herewith forwarded The total period of his Service however as shewn in the Service Register and Statement of Services verified by the Deputy Collector tally's exactly. The errors in the dates in the Service Register are therefore presumed to be due to Chedambara Iyer not having filled them up from correct records.

3. It will be observed from

the

the Application for pension that Chedambara Iyer's Services in the Superior grade amount to 17 Years 6 Months and 13 days which render him eligible to a one third pension, but considering the long period of his Service and as there is no doubt that he was promoted from the inferior to Superior grade on account of good Services rendered by him his Services in the inferior grade appear to be entitled to consideration under section 67 of the Civil Pension Code. In anticipation, therefore, of his case being favorably reviewed by Government a pension of one half of his average pay has been entered for him in the Application.

4 As Chedambara Iyer's transfer to the pension list was under the G.O. quoted above, the usual medical certificate in the prescribed form in support

of

enough to state whether any pay was drawn by the applicant from 28th July 1877 to 20th August 1877 if so in what Division and if not why it was not drawn. It is observed from the Audit Register of this office that no pay was drawn for the applicant from 28th July 1877.

2 On the first page of the application "Class of pension" is shewn as "Retiring pension" this Class of pension is granted to a person who voluntarily retires after completion of the required period of 30 years qualifying service. In the present case the retirement of the applicant is attributable to inefficiency the result of advancing years. As the applicant is below 60 years of age and in the inferior grade it is necessary that his application should be supported by a Medical Certificate of unfitness for further Service. It is requested that the required Medical Certificate may be obtained and forwarded.

3 More descriptive marks of the applicant should be given against item 17 on the 1st page of the applica
and the Service book completed

Vide ~~your appli ation for~~ verified ~~on behalf of~~ Statement of Service of Chedumbara Iyer

The undersigned has the honor to Enquire:-

Cause of non appearance in the annual Returns of 1 May of each year up to 1841, of Govindangal and Naviel Anais in which the applicant is shewn to have served as Moneagar from Septemb 37 to March 1841.

In these Returns the appointment of Moneagar on Rs 5 does not at all appear.

Cause of non-appearance of Ponnee and Nammum and Nammum Anais, in the annual Returns of 1st May of each year from 1844 to 1855. In these Returns only Ponnee Anai appears with a Moneagar on 5 Rupees.

Why the applicant is shewn as Moneagar of Teeperambone on 5 Rs from 1 September 1855 to 28th February 1857 while from the Annual Returns of 1 May 1856 & 57 the pay of the post appears to have been only 4½ Rupees per mensem and not 5 Rs.

Why the applicant is shewn to have been Moneagar of Nammum Anai from 1st March 1857 while from the Annual Return of

1st May

1 May 1857 he appears to have been the Monegar of Pounce anay.

5. Were the areas which are not traceable in the Annual Returns referred to in the 1st and 2d points known by any other name during that period. If so what were they?

6. Were these Establishments permanent and as such were paid from general Revenues.

An early reply is requested

Queries 1. 2. and 4.

The Statement of Service of Chidambara Iyer was verified with reference to the Vernacular Monthly Pay Abstracts of the Establishment in the Office and it was found correct. But the entries differ from those in the Annual Returns and the cause appears to be that those returns were being then prepared with reference to the Sanctioned lists of Establishments without reference to the pay abstracts which represented the Service as it was actually done.

Query 3.

The applicant was on receipt of Rs 4½ per mensem from 1st September 1855 to 28 February 1857 and not Rs 5 per mensem which is therefore a clerical error.

Query 5

It is not gatherable from the records

records whether the anais mentioned in Queries 1 and 2 were known by any other names.

Query 6.

It is not traceable from the records whether these establishments were permanent and paid from the general Revenues of the State. But it is presumed that they were treated in the same way as Manamat Establishments and paid from general revenue.

№ 195. From Captain R. R. C. Brockman R. E. District Engineer, Tanjore to the Chief Engineer, Public Works Department, dated Camp, Karuppoor, 8th July 1877, № 1147

With reference to G. O. № 270 W dated 19th June 1877, I have the honour to report that Chedambara Iyer has lately been reduced from Rupees 12 to 8 for laziness, the result of advancing years and growing obesity, for having on that account allowed the Government jungles over which he had charge to be robbed in a wholesale manner by the Villagers of the adjoining Villages. Although there is every reason to suspect connivance, still it would be impossible to bring home the charge. The preferable plan was therefore adopted of reducing him to a post where he would have less responsibility. I do not

19 Septr. 1837 to 31 December 1857 have been verified from the records of the Accountant General, Madras Vide his No. $\frac{\text{I.A.C.}}{70}$ dated 11 December 1878 and its enclosures herewith. His services from 1 January 1858 to 31st March 1868 cannot be verified from either the records of this Office or from those of the Divisional Offices. An affidavit with Statements of Contemporary Servants have, however, been obtained and are herewith forwarded.

The period of the applicant's services from 1st April 1868 to 20 August 1877 have been duly verified from the records of this Office.

No Medical Certificate was submitted in the first instance, in support of the Application inasmuch as the applicant was considered as retiring on a Superannuation pension. The applicant's reduction from the Superior to the Inferior Grade on the 28 July 1877 rendered it necessary that a Medical Certificate should be obtained as inferior Servants are not entitled to any other than Compensation and Invalid Pension.

The applicant's pension has been calculated on the inferior scale in as much as he was reduced from Superior to Inferior service for misconduct as will be seen from the District Engineer's (Tanjore) letter printed with G.O. No. 430 W. dated 16 July 1877. Vide also Section 77 of the Civil Pension Code.

Should his pension be calculated on the Superior Scale, he will be entitled to less than what he would receive on the inferior Scale.

The Government have in G.O. No. 430 W. dated 16th July 1877, directed that he should no longer be retained on the effective list.
