CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

It will be seen from the Service Book that the Applicant, prior to his re-employment in November 1853, in the District Court at Cuddalore, had served in the Establishment of the late Principal, Sadar Amis Court, Quilon, for a period of 4 years, for which he received a Gratuity of Rs. 52.8. in the Proceedings of Government dated the 21st January 1868, which under the District Judge, Madras states, is not traceable from the records of his Office but did not refund it in re-employment. If he had refunded the gratuity, he would have been entitled under Section 68 and 106 of the Code to a Superannuation Pension of Rs. 40. in per Mensem. The present value of the Pension of Rs. 40. (997.7.2) added to the Gratuity drawn for the earlier Service Rs. 52.8. is Rs. 1019.15.2, and as this exceeds the present value of the Pension reduced to Rs. 9.7.6, an arrearage thereon has been disallowed and the Pension reduced to Rs. 9.7.6, of the Civil Pension with example 2, under rule 9 at the end of Chapter XX, of the Civil Pension Code. In making the above calculations the applicant's age at the time of retirement from service has been taken at 59 years.

The delay in the submission of this Application has been explained by the Collector in para 4 of his reply to this Office Memo No. 24 dated the 1st May last, herewith transmitted.

G. Vans Agnew Esquire
Collector of Cuddapah

Sir

I regret to have to trouble you with this unavoidable communication which relates to the misconduct of my Head Clerk Pheemarazu Gopala Kristniah.

2. I respectfully beg to remind you that I have joined this District only in October 1869.

3. After I assumed charge of this Division I found that the Head Clerk is not doing the work legally appertaining to his office and that his work is confined merely writing Magisterial Diary and preparing Magisterial summonses. As I was anxious to take Revenue work from him I used to give him that work, but he used to transfer it to the 2^d Clerk quietly - I express my dissatisfaction often and often towards the Head Clerk for his indirect reference (+ + + +) but he seemed care very little about it.

4. I found that the Head Clerk and 2^d Clerk made with certain peculiar motives, some arrangements among themselves for the latter doing Revenue work and the former doing
magisterial

Magistral work and left 2^d. Clerk behind me and took the Head Clerk along with me when I was on Circuit with a view to disturb the arrangements but my endeavours proved futile. In the absence of the 2^d. Clerk I was obliged to take Revenue work from the other young Gurnastahs by dictating myself all the Takeeds and reading myself all the arzis &c. 5. In the meantime as the Jarnabandy has approached and as I found that several malpractices are being practised in this Division particularly at the Jarnabandy. I gave strict orders that none of my Office servants shall interfere in any way with the Jarnabandy work. This I found gave room to the Head Clerk for much discontent.

6. After I commenced the Settlement of the Proddatur Talug in January last I became to understand that the Head Clerk is holding certain lands in certain villages of that Talug fictitiously in the names of his elder brother's son who is living with him and called upon him to explain his conduct in concealing the lands without bringing them to the annual return.

7. In his explanation he has admitted among other things of the fact of his late elder brother's son living with him and stated that he is protecting him through mercy and that he has no share in the lands. This explanation

*
vide deposition,

19
I considered to be very unsatisfactory because it is a known fact that the fact of a Hindoo family being divided cannot be proved by any other way than by the members thereof living separately. I wrote upon it "to lie over" and gave it to the 2^d. Clerk. I asked now the 2^d. Clerk to produce the explanation of the Head Clerk to submit it with this letter. He states that it is not forthcoming. I am confident that it was made away with the Head Clerk because he had made several unqualified admission in it.

8. No assessment was paid on some of these lands for some years nor did the Talug authorities adopted necessary measures to collect it. I have given orders recently to the Head Clerk to pay the arrears but he refused to do so. Then I gave orders to the Tahsildar to collect balance according to law. When I was settling the village of Dorasanyhallan in the Proddatur Talug in February last, certain balances I found were entered in the accounts in the name of the son of elder brother of the Head Clerk. The village officers on enquiry reported to me that the party is not in this part of the Country. When I asked them, is he not the son of the elder brother of the Head Clerk of the D.Y. Collector's Office, they all shook their head. The Head Clerk's influence gave rise to this state of things.

9. After this the Head Clerk has applied to me for 3 months privilege leave in January & February 1870 verbally and in writing by reason that he wishes to proceed to Kellore to perform certain marriages. I wrote certain remarks on the applications and refused to grant him leave. These applications, the 2^d Clerk states are with the Head Clerk and the Head Clerk ^{refuses} to return them by reason that he will have ^{to produce them before the higher authorities in time.} <sup>* vide ya-
dast B from
the Head Clerk
to 2^d Clerk.</sup> This mode of behaving is unbecoming to the Head Clerk.

10. After this the Head Clerk has applied to me for 3 months sick leave in the beginning of March. As he never then appeared to me to be sick, I refused to grant him leave. His application bearing my remarks the 2^d Clerk reports is with the Head Clerk and the Head Clerk refuses it.

11. I never gave orders to return the application to the Head Clerk nor were formal orders recorded upon them.

12. Upon this the Head Clerk has absented himself without leave and without making to me any report. I waited for a report from him until the 28th March or for 10 days unsuccessfully. On that date I have issued to him a Taked informing <sup>* vide
Taked C.</sup> him that his pay for the days thus he absented himself without leave will be stopped, and denouncing in strongest terms his conduct &c.

13. In reply to this Taked the Head Clerk has addressed to me voluntarily an Arzee couched in my opinion in an impudent and unpleasant tone and criticising the points mentioned in the Taked - stating. In fact the wording is tantamount to cross examination. He requests therein 3 months sick leave from the 19th March 1870 or from the date he absented himself without leave and solicited to submit the arzee and ^{copy} copy of the certificate granted to him by Royappa Pantuloo the Dy Collector with the report which I resolved to make about him.

^{marked E.} 14. Upon this, I issued another Taked to him directing him to produce a medical certificate because he is not even very sick in my opinion.

^{marked F.} 15. In reply he addressed to me an Arzee on the 1st of April 1870 expressing his inability to go to Cudda-
^{marked G.} prah to procure a medical certificate and pointing out to me that I have granted sick leave to Clerk Bheema Now in the absence of medical certificate.

16. In the pay abstract for March I have deducted the full pay of the Head Clerk for 10 days during which he absented himself without leave and entered half pay from 29th March on which date he has applied formally for leave. He has further argued in his Arzee marked that he has desired the 2^d Clerk to report to me of his illness. The 2^d Clerk denies this. x. Deposition II.

17. I never granted to him leave formally.

18. It is true that Royappa Puntuloo has granted a very good certificate to the Head Clerk, but I am sorry that he does no credit to it.

19. I cannot change my opinion that the Head Clerk is ignorant of Revenue work. Revenue work does not consist simply of writing and reading. To make up a Revenue man knowledge of accounts and manuals are required. The Head Clerk is destitute of these important qualifications. He is a man of turbulent character.

20. I beg to remind you that the Head Clerk was fined in a sum of Rs 10 by you in August 1869, for certain misconduct. In conclusion I respectfully beg that you will be good enough to pass such orders as matters seem to deserve and appoint a Head Clerk for this office either temporarily or permanently.

Note. I have tried to translate myself all the Telugoo enclosures of this letter but I found no time to do the work.

I beg that I may be excused for submitting Telugoo papers.

Since I wrote the above the 2^d Clerk has produced to me the explanation of the Head Clerk regarding his omission in bringing to the Annual Return of lands held in the name of his elder brother's son stating that he found it on record. I think it was brought & replaced on the record after learning the contents of this letter. This paper is marked I.

Sir,

I have considered your letters of the 12th and 23rd instant N^{os} 77 & 79, together with all their enclosures and I can come to no other conclusion than that your Head Clerk B. Gopala Kristniah has

has been guilty of grave misconduct and is quite unfit to be permitted to continue to hold his present responsible office.

2. In the matter of the lands in the Proddatur Taluk within your Division which are registered in the name of his orphan nephew it is obvious that as that nephew has been residing under his sole protection your Head Clerk has had the virtual management, possession and control of lands and that in omitting to make any mention whatever of them when called upon to make a return of his landed property he was wilfully guilty of a virtual breach of one of the most stringent orders of the Board of Revenue.

3. It is plain moreover that he is either incapable of or has been shirking the performance of the proper duties of his office.

4. Further the whole tone of his communications to you, his immediate official Superior, together with that of complaint which he had the audacity to address not to me your official Superior, but to your co-equal the Treasury Deputy Collector, betrays an inexcusably insubordinate spirit.

5. Nor do I forget that some months ago I considered it necessary to impose a very heavy fine upon your Head Clerk for gross disobedience of a plain order, and that I then considered him wholly undeserving of confidence in that holding

holding the responsible office he did, he concealed from me the fact that the late Dy Collector was wholly incapacitated by illness from efficiently performing any of the duties of his office and there is no doubt whatever that during the period of the late Deputy Collector's unreported incapacity very grave irregularities were committed by that officer's subordinates of whom the Head Clerk was the Chief and upon whom, as such, the responsibility rested of apprising the Head of the District of what was going on.

b. Under all the above circumstances I have determined to degrade B. Gopalrao Kristnaiah to the post of 1st Class Revenue Inspector of the Madanapalle Taluk and to suspend him from office for a period of one year from the 1st May 1870. You will communicate this decision to him. I shall fill up the post of Head Clerk in your office as soon as possible.

FROM THE ACCOUNTANT GENERAL, MADRAS,

TO THE

Collector of Cuddalore

VIDE your Application for Pension on behalf of B. Gopalakrishnaiah
late 4th Clerk Collector's Office, Cuddalore and dated 23rd April 79

THE undersigned has the honor to require

- 1 Why the applicant's Service in the District Court Cuddalore for the period prior to February 1861 has not been taken into account
- 2 How has the Collector certified that the Character and post Em-
ploy of the applicant is good while the papers forwarded to this Office
in support of his degradation in 1870 prove to the contrary
- 3 From and up to what date did the applicant absent him-
self without leave, and why the several kinds of his absence
on leave, and periods of suspension, have not been noted in the
accompanying Service Book as required by rule 3 Section 72 of
the Civil Pension Code. The Book should be retransmitted after
the entries in Column 11 have been duly attested by the head
of the Office
- 4 What was the Cause of delay in submitting this application

for nearly more than 10 months after the removal of the applicant from the service.

The Collector is requested to cause a scrutinized service to be made over now in the records of the Office of the District Judge Cuddapah or elsewhere in respect of the applicant's period of service prior to 21st February 1861, and to report the result to this Office together with information of the leave that may have been enjoyed and of the grounds under which his services in that Establishment terminated.

Please forward to this Office a copy of the Board's Proceedings dated 18th Oct 1870 quoted in the Service Book in support of the applicant's suspension in May 1870.

Reply-

1. The information received as regards the particulars of Service of the individual in the District Court, being very defective and not in consecutive order, it was not taken into account, as it did not affect the amount of pension due to the applicant as suggested in para 2 of your Letter No. 286 of 11th October 1878. The District Judge having

now furnished information tracing out Gopala
= Kristnayar Services from 11th November 1853 to
20th April 1861, it has been taken into account
and a revised pension roll is prepared and sent.
2. The statement "that the applicant's character
was good" was based on the general character of
the individual throughout the length of his service,
but not on the behaviour of the individual
in the particular instances alluded to, in the
papers referred to -

3. The periods during which the applicant
absented himself without leave are specified in
the margin. The several kinds of leaves taken
by the applicant and periods of suspension
are duly entered in the Service Register as detailed.
4. The cause of delay in the submission of
the pension application is due to application
having had to be made to the District Judge of
Guntur for the verification of the applicant's
service. But that Officer having not furnished full

Acting Collector

N^o 147

Cuddapah District Court

21st August 1879.

From

John Wallace Esquire

Ag District Judge, Cuddapah

To

J. D. B. Gribble Esquire

Ag Collector, Cuddapah

Sir,

With reference to your letter N^o 1075 of 9th May last, I have the honor to inform you that Rheimarazu Gopala Kristnaya was entertained on the 11th November 1853 as 3^d Humasta in the District Munsiff's Court at Cuddapah on a salary of Rs. 10 per mensem. Thence he was promoted on the 22^d April 1856 as Head Humasta of the District Munsiff's Court at Vainpally on Rupees 14 per mensem.

2. During his stay in the Cuddapah Munsiff's Court no leave of any sort appears to have been availed of by him nor was any suspension made.

3. I find from the order book of this Court to the District Munsiff of Vainpally that Gopala Kristnaya obtained leave for two months on 25th April 1856 and went to his native land without joining his appointment.

4. He extended his leave up to the end of October 1857 and drew half pay for the whole period down to the 31st day of October 1857.

5. In the order book of 1858 there are two orders dated 6th and 30th January, the first stating that "after deducting (for payment) the salary Rupees 7 of Gopala Kristnayya for the last month and after other payments the remainder is sent." And the 2^d stating that "after deducting (for payment) the salary Rs. 7 of Gopala Kristnayya for December last and after other payments, remainder is sent."

6. Thus the wording of the 1st is plainly ambiguous and leads me to presume that the phrase "for the last month" must mean November.

7. Granting this Gopala Kristnayya remained on leave on a moiety of pay until the 1st day of February 1858, the date on which he joined his appointment.

8. In the year 1859 leave for one month on private affairs appears from the order of 21st November, from this Court, to have been granted to him. But no mention is made ~~for~~ his pay. Indeed there is no reason for such to be found in the Diary or order book the pay being as can

fairly be presumed, paid to him as soon as he returned from leave which must be about the time of disbursement of salary.

9. The Diary of 27th February 1860 shows that one month's leave on private affairs was granted to him. No mention of this, however, is made in the order book nor can any information be gathered about his pay. The reasons stated above may apply to this also.

10. On the 21st February 1861 he was appointed to act as Sumasta in the General Dy Collector's Office.

11. During his service at Varnampally he was not suspended on any occasion.

12. All possible care was taken in searching for the information and the records can furnish no more than what is given above.

The Board consider that petitioner was properly
removed from a post the duties of which he ~~willfully~~^{willfully}
ignored and neglected; but he should have been
allowed to produce a Medical Certificate, or should
have been examined by the Zillah Surgeon as to his
plea of illness, and the Board resolve to remit the
remainder of his suspension.

2. The land held by petitioner's nephew should in future
be entered in the returns. He will be referred to the
Collector.

3. The Deputy-Collector's original letter and the Collector's

The applicant was provided on receipt
of the Board's Proceedings No. 6205 of
18th October 1870 with a permanent post
of Revenue Inspector of Madanapalle
Taluk, which he was directed to join
on the 7th December 1870 by the then
Collector. Hence the applicant cannot
be considered as having forfeited all
service prior to 1st January 1871 as he
had a lien on his permanent appoint-
ment of Revenue Inspector and he
formally applied for leave on forfei-
ture of pay which was accordingly
granted by the Subcollector his
