Demi-Official. I

Dear MacWatters,

The Govt. have had under consideration the case of K. Raman Menon lately a revenue Inspector in the Palghat taluq who was pensioned in G.O. 17th Decr. last No. 825. He had served in superior grades for $\overset{yrs}{24}-\overset{mths}{5}-\overset{days}{6}$ and was then superannuated tho: seven months more would have given him a half salary pension.

Removal from the service under these circumstances was, the Govt. consider, a very harsh measure and I am directed in this form to let you know their views so that you may take steps to prevent similar instances occurring hereafter. Yours sincerely,
(sd). Lorne A. Campbell

immediate foregoing para was granted to him, so much time would have now been taken as pensionable service.

4. That before the expiriation of the leave thus granted to him, Petitioner received an order that his retirement has been recommended to and sanctioned by the Collector.

5. That the question of Petitioner's retirement had before this been raised by the Divisional Officer at Palghat and considered by W. Logan Esq the Collector in August 1878. But finding that Petitioner was still capable of efficient service, and that only 11 months' service was wanting for him to complete fully his superior qualifying service the Collector was pleased to obtain sanction permitting him to serve a year more in order to enable him fully to complete the term of service pencionable with half his present pay. Of these 11 months he had passed away 4 months and had only 7 Calender months to be spent in active service when illness compelled him to avail of the leave above referred to.

6. That Petitioner duly represented the above circumstances and the consequent hardship done to him by the present compulsory retirement as denying him the given opportunity of making up the total of his superior qualifying service, but to his great sorrow and disappointment he received the present Collector's order that Petitioner must retire as previously ordered as he approaches his 60th year.

7. That, as will be seen by the marginally noted particulars, Petitioner entered Government Service on the 10th January 1850 and continued in inferior service till 30th June 1854 whence his superior service commences. He has rendered efficient service in various appointments and although he is now in his 59th year with nearly 29 years service under Government in all, he has not availed of more than about 5 months' leave in all, and he is as well fit phisically and mentally for active service now as he had been while attaining the age of 55 in proof whereof he undertakes to produce if ordered, the testimony of the most competent Medical Authority of the District.

8. That his transfer from Ponnany to Palghat having been ordered on grounds purely public Petitioner had quietly to submit to it; but he deeply grieves that the attack of jungle fever resulting as it did incidentally in the active discharge of his public duties and not through constitutional defects or intemperate habits, Petitioner having none of them should be considered as incapacitating him for further service and as a sufficient reason for his immediate discharge from the public service a discharge which if not kindly and generously deferred for the space of 6 months dis-entitles him to a pension of half his present pay but only to 1/3 of it and would thus cause a serious and irreparable injury and a source of grievance to the end of his days by rendering him destitute of the means of subsistence, if not comfort, in his declining years in spite of his long and faithful service under the

Maternal

Maternal Government of England.

9. That he is fully conscious he has no right
except through mercy and generosity for the indulgence
prays for, but he feels most humbly that since he is m
incapacitated, his retention for the space of half
dozen months in order to qualify himself for a pens
of half his present pay would but be an act of ju
and a generous recognition of his lengthened service
would in no way prejudice public service, and tha
his immediate discharge depriving as it does, th
means of living in retirement would if not prem
be most painful and inequitable under the circum
surrounding it.

10. And that he most humbly begs your hon
will be kindly and graciously pleased to take peti
-ers case and the above circumstance into most fav
able consideration and to issue order so as to enable
Petitioner to earn half his present pay as pension or
reinstate him for 6 months and 24 days as shown in
margin of para 6 to make up his superior qualify
service and pass the remainder of his days in a wa
worthy of the name of the Government which
served.

The order of the Collector is herewith

The Board of Revenue

The humble petition of Cochiyil Raman Menon Kullatipettay Amsham, Wullavanad Talook

Most respectfully sheweth.

That petitioner was 3rd Revenue Inspector of the Palghaut Talook and was, by the Ag Collector of Malabar, compelled to retire when he had yet to pass seven months in Government service to be entitled to a pension of half his pay.

That he appealed to the Board under date the 7th September 1879 praying that he might be permitted to complete his half pay pension service on which the Board passed orders and referred petitioner to the Collector (vide endorsement dated 24th January 1880)

That when petitioner applied to the Head Assistant Collector Malabar to give effect to the orders of the Board that Officer informed him that the Collector has ordered that altho' the Board have directed petitioner to be

1169 of 80

employed in some easy appointments for the required period, his pension @ ⅓ of his pay having been previously sanctioned by Government and received by him, he cannot be re-entertained for further service

That this is a most painful grievance to petitioner. He had duly sent up his appeal to the Board within a fortnight after the Collector's final order compelling him to retire was passed and he is in no way answerable for the sanction accorded to his pension he received the pension sanctioned as he was in great difficulty and though its receipt by him could not prejudice his appeal and even if the latter act should be deemed as prejudicing petitioner's re-entertainment it can be rectified by a refund which he will do if so ordered, but neither of these petitioner submits, is such a st supersede the just and paramount decision passed by the Board in his case which has been from the very commencement very unjustly treated petitioner being, he begs to repeat, still capable of efficient service in public employ

And that he therefore prays the Board will be graciously pleased to take a general view of his case and direct their first orders to be acted upon. His appeal to the Board dated 7th September 1879 and enclosure order passed thereon dated 24th January 1880 and the Head assistant Collector's subsequent order dated 28th February 1880 are herewith submitted.

Brings to notice, that, — when he had but a little more than half a dozen months to be spent in active service to entitle him to half-pay pension, the Collector of Malabar compelled him to retire; that on appeal the Board of Revenue directed the Collector to retain him (petr) in the service for the requisite period & referred him to that authority; but that before the Board's said order was communicated to him the Govt. granted him a pension equal to one-third of his salary, and that he received it, believing that it could not, in any way, prejudice his appeal to the Board of Revenue; but that they, on the ground of his having drawn his pension, declined

Translation of an order No. 101 Dated 6th March 1862 issued by the Deputy Collector Southern Division to the Acting Tahsildar of Ponanny.

I have received your Urzi No 86 of the 5th March enclosing the explanation of Ramen Menon 7th Gumastah. The explanation which Ramen Menon now submits regarding his neglect of duty in the examination of certain lands cannot be admitted. Considering however the favorable opinion expressed by the Tahsildar, I suspend Ramen Menon for one month without subjecting him to severer punishment. The Tahsildar can appoint a competent person to act as 7th Gumastah.
