Sir

With reference to your letter No 993 of the 6th Instant, I have the honor to return the Service Register of Maddirala Sundararow Puntulu Superintendent of Sea Customs Bimlipatam after comparing the entries with the records of this Office as far as the Pay abstracts are forthcoming.

Pay abstracts of the Sub Collector's Office for 1832 and those of the Cocanada Division from 1832 to 1835 are not found in the records. From the abstracts of the late Nagaram Taluq it appears that he served as Madatgar on Rs 12/- from 11th September 1835 to 19th January 1839.

VIDE *your Application for* Pension *on behalf of* M. Sunderram Pantulu late Superintendent Sea Customs Bimlipatam

THE undersigned has the honor to enquire as follows.

1. Why in the annual returns up to April 1851 on record in this Office the applicant's name was not shewn while in the Register of Application he is exhibited to have been serving in various pensionable appointments. If the applicant had up to that period, served in an Establishment managed by a Zemindar, the Collector will please explain the circumstances under which he considered that portion of his services also, as qualifying for Pension, and will forward to this Office copies of Orders of Government, if any which may throw light on the subject.
2. Why the applicant's Pay is shewn in the annual return of 1852 on record in this Office to have been Rupees 35 only instead of Rupees 70 a month, as entered in the Register of application.

Whether

3. Whether the appointment of Tanadar in which the applicant acted from 5th April 1861 to 11th April 1862 was fully vacant, and whether any body save the applicant counted service in it during that period, and if so, whether the prefix "Acting" was merely nominal. Please forward to this Office a Copy of the Correspondence that took place on the subject of the applicant's reduction in 1861 referred to, in the Collector's remarks on the 3rd Page of the application

4 Whether the duties of Tanadar are such as are ordinarily performed by a superior servant and if so, please explain the nature of those duties -

"With regard to your verbal request that I would give you a few lines expressing my opinion regarding the manner in which you had conducted your duties as Superintendent of Sea Customs at this Port. 1. The annual Returns up to 1851 have all been destroyed as useless. The appointments Nos. 5, 6 and 7 are Government appointments and Nos. 8 and 12 are appointments of the Vizianagaram Zemindary then under management and the service in them counts under Extract Minutes of Consultation dated 28th. August 1856 Revenue Department No. 202 published in the Boards Circular Orders for 1856, Copy of which is herein enclosed.

2. The difference of Rs. 35 was drawn from the funds of the said Vizianagaram Zemindary and therefore not shown in the annual Return of 1852.

3. The appointment of Tanadar was fully vacant and no other person counted service in it during that period. Copies of the orders of suspension and reduction and restitution are enclosed with translations.

4. The office of Tanadar is synonymous with that of Sea Custom Superintendent. The duties are the same viz: those prescribed by

Act VIII of 1878.

In the above letter the Collector of Madura applies for the grant of a Superannuat Pension to Vencataiswara Iyer, Revenue Roysum in Madacolum talook in his district. This individual is reported to have served under the Government for upwards of 35 years, of which only 24 years are admissible under the rules; the remaining period, viz, 11 years, having been passed in a situation the salary of which was 3½ Rupees. He had also served in the Shevagunga Zemindary, under the Court of Wards, for a period of two years and seven months. This latter period the Collector has excluded from the term of the applicant's service, apparently under the impression that it does not confer a claim to a pension from the Government.

2. But the Right Honorable the Governor in Council observes that employment under the Court of Wards is the same as under —

Government. The Collector being always the Agent of the Court of Wards, is at liberty to employ any public Servant he pleases upon the responsible duties of management. Accordingly in all cases in which a public Servant, already on the permanent establishment, may have been employed by the Collector, as Agent under the Court of Wards, the period during which he has been so employed will be allowed to count as service entitling him to pension.

Order written by Mr. Fane, Collector of the Vizagapatam District, to Maddirala Sundararau, Acting Sea-Custom Janadar of Vizagapatam.

You were, on the 5th April 1861, transferred from the post of Sea-Custom Janadar and Head of Police of Bimlipatam, having a salary of Rs 40 to the Acting Appointment of Sea-Custom Janadar of Vizagapatam, having a salary of Rs 25, on suspicion, though not on proof, that you had concealed the truth and punished the prisoners in a case of theft. It is now one year since the transfer was made, and your remaining in the smaller post for this period of time is considered as a sufficient punishment for you. I, therefore, grant you permission to go back to the appointment of Sea Custom Janadar of Bimlipatam; and you are required to make over charge of your present office to the Gumasta, go to Bimlipatam, take charge of your new appointment from Grandhi

Order issued by the Collector and Governor's Agent of the Vizagapatam District, to Maddirala Sundararow, suspended Sea-Custom Janadar and Head of Police, Bimlipatam.

An order was addressed to you in No 3, on 10th January 1861, suspending you for enquiry into your conduct, as it appeared that you had concealed the real state of things and punished the prisoners in a case of theft in respect to gold in Bimlipatam. But on a reperusal of all the records connected with that case, and on considering the defence given by you, the fault imputed to you is not found as proved. As, however, there is strong suspecion against you and as I am, therefore, not inclined to restore you to your post, you are for the present appointed to act as Sea-Custom Janadar of Vizagapatam.

You are therefore required to go and take charge of that Office from the Sea-Custom Gumastah of that place, and perform your duties properly. You shall further report the date of the assumption of charge by you, from which you will draw Rs 25 per month the salary of that post.

Referring to para 1 I beg to state that Mr Sundararow was suspended from 10th January to 4th April 1861. The suspension was only for enquiry into his conduct in a theft case, as will be seen from Mr Fane's Order dated 5th April 1862, copy of which was sent to you. Sundararow was restored to his former post, the transfer to a lower salary for a period of one year having been considered sufficient. On being reinstated Sundararow received pay for the period of suspension at the rate of Rs 20 per mensem the remaining Rs 20 having been paid to the acting incumbent and hence the suspension was not shown in the Pension Application; but the degradation was noticed in the Remarks column.

2. Referring to para 2 I beg to

State that the Applicants' Services up to April 1851 were verified by the Native Record Keeper of the Collector's Office by Copies of orders issued to the Applicant of which, he is the Official Custodian. see Regulation XXIII of 1802.

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

CERTIFIED that (subject to the remarks below recorded) qualifying service in {inferior / superior} grades has been duly proved for 39 years 11 months and 26 days; and that a Retiring {pension / gratuity} not exceeding Rs. 50 a per mensem equal to ½ of the average emoluments, is admissible under Section 46+68(c)+71 4th Edition of the Civil Pension Code. The calculations have been duly verified.

It will be seen from the accompanying papers that the applicant, in consequence of certain charges brought against him, was on the 10 January/61 suspended from his employment for an indefinite period. But on a re-perusal of all the records connected with the case and on considering the defence given by the applicant the Collector mitigated the punishment by transferring him on the 5 April/61 to a lower paid appointment on Rs 25 a per mensem. The interval between the 10th January and the 5th April 1861, was treated by the Collector as pensionable, simply for the reason, that it was passed under suspension pending enquiry into the conduct of the applicant who drew also a portion of his salary for that period. But this office has rejected it as non qualifying, as the applicant was reinstated with forfeiture of some part of his allowances Vide rule 1 Section 54 of the Civil Pension Code.

It will further be seen from the history of service that the applicant's suspension was followed by re-instatement in an Acting instead of in a permanent appointment. The period of service rendered in that appointment amounting to 1 year & 7 days, has however under the spirit of rule 2 Section 27 of the Code, been treated as qualifying.
