CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that (~~subject to the remarks below recorded~~) qualifying service in {~~inferior~~ superior} grades has been duly proved for 15 years 10 months and 3 days; and that an Invalid {pension ~~gratuity~~} equal to 1/3rd of the average emoluments not exceeding Rs. 4-10-8 per mensem is admissible under Sections 61 & 68 (b) of the Civil Pension Code, 4th Edition. The calculations have been duly verified. It will be seen from the entry opposite to No. 9 on the 1st Page of the application that the Subordinate Judge originally recommended the applicant for a Compensation Pension; but on being required to fulfil the conditions prescribed in rules 1 and 6 of Section 59 of the Code, that Officer caused the applicant to be examined by the Zillah Surgeon Tanjore, who accordingly certified the applicant on the 1st Ultimo to be permanently unfit for further service. Hence the Medical Certificate is dated the 1st October 1879, i.e. 6 months after the date of the applicant's removal from the service.

For the reasons stated above the applicant is recommended for the grant of an Invalid instead of a Compensation Pension as originally proposed by the Sub Judge.

The delay in the submission of this application is explained by the Sub Judge in his letter No 1040 dated the 16th Ultimo accompanying.

VIDE *your Application for* Pension *on behalf of* G. R. Iyah Pillai late a 3rd Gumashtah of Your Court.

THE undersigned has the honor to enquire as follows.

1. Offg: Accountant General.

Sir,

With reference to the questions proposed by you in your office Memo No $\frac{A. D. \frac{1}{4}}{415}$ of the 19th Ultimo, regarding the application for pension on behalf of G. R. Iyah[×] Pillai, late a third Goomasta of my Court, I have the honor to state that:—

1. As the applicant was removed on account of the reduction of establishment & as well on the ground of his being incapable of further service owing to sickness, the application was originally intended for a Compensation and Invalid pension and consequently I did not think that a Medical Certificate should at all be submitted or that one would be asked for. But, since I am called upon to say

[×] This applicant usually signs his name as N. R. Ayah Pillai, the N standing for Gnanamuthu whether the application is for a Compensation or Invalid pension, I may, I believe, choose the application to be for an Invalid pension and accordingly do herewith submit a Medical certificate of incapacity.

2. The services of the applicant were all scrutinized once & again by the records of the offices in which he had served and were found to be correct. But the verification by myself in Column "How verified" in the application was thought uncalled for as the services were once stated by me & accepted by you as correct & borne out by the records of your office.

3. As to the delay of 3½ months in the submission of the application, I have to say that the applicant was removed from the service on the 1 April last. The Court was immediately closed for the annual recess of two months from the 7th Idem & was re-opened only on the 9th June. Deducting the two months, the delay becomes actually confined to one month & a half the application having been submi on the 15th July. Besides, I had to pr and submit the three application for pension then pending — during that period, as this business was to be despatched along with other busin

4. The application for pensio and the service Register of the applican are herewith retransmitted together with the last Pay Certificate, the necessary corrections being made in the service Register.

I have the honor to be,
Sir
