The applicant's services for the period from 1860 to 27th March 1878, cannot be verified from the Audit Registers on record in this Office, owing to the omission in them of the names of incumbents in inferior grades. From District Engineer Godavery's letter No. 1581 dated 15th August 1878, it will be observed that the services of the applicant cannot also be verified from the records of the Central Delta Divisional Office owing to the records of that Division having been burnt in 1873. An affidavit with statements of contemporary servants as required by rule 4 Section 44 of the Civil Pension Code has however been obtained and the entire period classed as qualifying.

Deposition taken from Pennmalla Butchi Ramudu inhabitant of Atreyapuram -

Question — When and where were you entertained in the Public Works Department & what was the name of the Officer who entertained you at that time -

Answer. — Mr Rundall when he was as Range Officer at the Gunnavaram Aqueduct appointed me as one of the lascars of the Lollah lock. He sent me a written order also appointing me. When I was at Mukkamala lock that order was burnt together with my house. I performed my duties at Lollah Lock for 5 years. I was afterwards transferred by Mr Rundall to the Palivella lock where I was for 5 years and then I was transferred by Mr Simon the Gannavaram Range Officer to Mukkamala Lock I was for 4 years there. I have no written orders regarding these transfers as all

these

these men were written to Lock Superintendents concerned. I was again transferred to Lollah lock by Mr Simon. I do not remember the date or year of this transfer but merely remember that it was in the year when the reorganization took place. I was a lock lascar from my entertainment in the Department I received salary at 4 Rupees for sometime and 5 and 6 Rupees after the reorganization per month. I have no written documents about this but I present herewith two orders written by Mr Simon and by Delta Superintendent Gudivada Sitaramaswami Naidu when the reorgainization of the Department took place in 1868 confirming me in the lock lascar's post on Rs 5 I remember that before the above date I was employed as lock lascar in 1860.

Question — Was this deposition rightly written.

Answer — Yes.

Question Who were your contemporary servants at Lollah Lock.

Answer. Addala Ramanna inhabitant of Atreyapuram was also employed there. 1 year before I was lock lascar. I was employed after him. This would be proved by this man and by Abdul Rahimansahib who was then employed as Lock superintendent there.

This deposition contains what I deposed.
