G.O. No.	816	Press Mis.
Dated	9-8-	18 80.

No. 10

Revenue Survey Office
Coimbatore
8 January 1880.

From

The Deputy Superintendent
No. 1 Revenue Survey

To

The Superintendent, Madras Survey
Sir,

I have the honor to report
the following case for orders.

2/ A field Surveyor obtained a
year's leave in 1876, and before it ex-
pired applied for a year's extension, which
was refused. He then requested to be
allowed to work in office for a year
or that his services might be dis-
posed with on the reduction of es-
tablishment, so as not to lose his
former service.

3/ My order on his application
dated 18 January 1877 was "Services
disposed with"

4. I have not the slightest doubt that the Surgeon had no intention of returning to duty, and further that he did not at that time expect to receive any gratuity.

I certainly had no intention of applying for gratuity for him.

5. I heard nothing more of the Surgeon for nearly 3 years, and as far as I knew he might meanwhile have obtained other employment.

Now, as his brother and others, whose services have lately been dispensed with, are about to receive pensions and gratuities, he has put in his claim.

6. I am not sure whether I am bound to send in application for gratuity. The fact of no claim having been made for so long proves that the Surgeon did not expect to receive any thing when he left, and the fact of his
Services

Services having been dispensed with "at his own request" may perhaps invalidate the claim, which I think should be rejected if the rules allow of its rejection.

I have &c
