Read the following paper :—

No. 13. From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 28th April 1880, No. 17 W.

I HAVE the honor to place the following facts before you in connection with the disposal of the applications for pensions and gratuities of some of the officers and subordinates retired under recent orders, and with reference thereto to request that the necessary orders of Government may be obtained and communicated to this office on an early date.

2. The Government of India in their telegram, dated the 29th January 1880, communicated with G.O., No. 255 W., dated 2nd February 1880, extended the operation of the Resolution of 31st July 1879 to the end of March 1880, but on the condition that all gratuities and capitalized value of pensions were to be paid within the financial year (1879-80); this year has expired and, though every possible effort was made, it was found impracticable to comply in full with the orders of the Supreme Government, owing partly to applications not having been received in time, and partly to references having had to be made to the respective heads of offices in which the individuals concerned were employed with regard to their services which required verification.

3. A list showing the names of those who, though retired on or before the 31st March 1880 but whose applications for pensions and gratuities have not yet been disposed of, is appended. To secure to the officers and subordinates named in this list the concessions of the Resolution of 31st July 1879, No. 2,079, the special sanction of the Government of India would appear to be necessary, and I have to request that, if you concur in this view, this sanction may be obtained on an early date to admit of their applications being finally disposed of soon.

4. A copy of this communication, together with a copy of the list referred to above, will be furnished to the Government, in the Pension Department, through the Accountant-General, Madras, to whom the applications for pensions and gratuities of the officers and subordinates concerned will be continued to be forwarded as they are being completed, the certificate and report required from this office being made to show in each case both the amounts admissible under the ordinary Pension Rules and those specially sanctioned by the Resolution of 31st July 1879.
