Certified that I Surgeon Major Arthur Luke Hackett Civil Civil Surgeon Bellary have carefully examined Chintamanipett Babu Row Taluq Gumasta of Darmavaram son of Chintamanipett Esvanth Row

His age is by his own statement 52 year and by appearance about 58.

I consider Chintamanipett Babu Row to be completely and permanently incapacitated from further service of any kind in the Department to which he belongs in consequence of being old & worn out his muscular system is much atrophied suffers from impaired vision and he is likely to break down at any time

His incapacity does not appear to me to have been caused by irregular or intemperate habits

Fort Saint George,

FROM THE ACCOUNTANT-GENERAL, MADRAS,
TO THE Collector of Bellary

VIDE your Application for Pension ~~Gratuity~~ on behalf of C. Bápu Ráo alias Babu Ráo late a Gumasta Bellary Collectorate

THE undersigned has the honor to enquire as follows.

1. Why the periods of the applicant's services as acting Gumasta from 1st October 1864 to 31st January 1865 and from 8th August to 31st October 1865 have been reckoned as qualifying while they should have been properly reported as non-qualifying being services rendered in acting appointments.

2. Whether the appointment of Gumasta in which the applicant acted from 1st November 1865 to 31st January 1866 was fully vacant and whether any one else besides the applicant counted service in it during that period.

3. How the applicant is considered to be entitled to any retiring allowance while his service prior to 9th June 1867 appears to have been interrupted by reason of his overstaying the Privilege leave granted him in June 1867 by a period of more than a month. If he was reinstated on the understanding that his past services should count, Copy of any order

order that may be on record proving the existence of such an understanding be forwarded vide clause (b) to Section 55 of the Code.

4. From the last Pay Certificate submitted with the application, the applicant appears to have received pay up to 31st August 1879 only instead of 24 September 1879 the date of his removal from service. Information is requested as to how he was employed during the interim.

The application is herewith returned for retransmission after insertion of the specific opinion of the head of Office as required by Rule 6 under Section 84 of the Code.

2. Adverting to the last para of your Docket under reply, I beg to state that agreeably to Government Order No. 1122 dated 9th October /76 the late Deputy Collector in his letter No. 2 dated 11th January 1877 requested the early despatch of the service books to the Taluks, on which 27 service books were sent with Docket No. 713 dated 9th March 1877 with instructions to make the necessary entries in them. But as the vernacular registers sent from the Taluks had not been returned with them, he in his letter No. 67 dated 21st Idem requested the return of these registers. Only 13 such registers were sent with a Docket No. 980 dated 3rd April /77. Two of the individuals referred to in those 13 registers were dead, and the remaining 11 registers were kept in this office. As the vernacular registers of other servants were not sent, and from the press of Famine work, this work was not taken up till January last, when I again requested in my letter No. 8 dated 16th January last the return of the vernacular registers and sent an indent for 78 service

Books, for which the service books alone were sent to me with your Docket No. 1008 dated 29th May last.

3. On receipt of this I directed the Tahsildar to prepare and submit to me lists of services &c. of the several subordinates, and to collect the cost at 8 pies per book from such persons as have not already paid it. No replies have yet been received from them. A reminder was also sent to them on the 13th Instant. As soon as those lists are received they will be sent to the Treasury Deputy Collector for verification and afterwards entered in the service books.

I have the honor to be &c.
