Most respected Sir

I respectfully beg to bring to your honor's benign Considaration the following few lines.

I am one of the thrown out hands in your honor's office in advertance to your honor's office order No. 1081 d/ 5th March 1880. Fortunately I have been employed in the new organized Local Fund Engineers Office Mount as a clerk on Rs. 25 a reduced scale of pay which is a resultant of Rs. 15 less to my former pay of Rs. 40 and thereby suffering very much to protect my large family with this inadequate stipend. I further beg to state that on belief & assurance of the above office order stating "Pension or Gratuity as case may be with a Special bonus of 3 months pay sanctioned by Governt. of India" may be favoured. and thinking

the above reference will be a imperative one
Certain Amount has been borrowed from
my friends to settle myself in this strang
place. Now there is an urgent demand
for the debt, so I hope your honor
will be pleased to order the bonus of
3 months' pay to be paid to me as
done to my brothern-clerks of your
honor's office who likewise were thrown
out of employ at about February last
so that I may be escaped from the
narrow passage of debt which may be
called a ruthless hell for a human being

I pray your honor to reconnoitre
my deplorable case and adjudge the
matter so that my friends may not
reiterate their habitual converse
by mean talk.

For which act of kindness
I shall as in duty bound ever pray.

I beg to remain
Most respected Sir
Your most obedient servant
