Proceedings of the Collector of Nellore dated 22nd October 1879 No 3672.

Read

Letter from the Hd. Asst Collector No 849 of 15th May/79.
" to do No 2639 dated 11th August/79
" from do No 1735 dated 17th September/79.

I was led to suspect the correctness of the Shanby report from this village on which remission was granted last Jamabandy by a letter from the District Munsiff of Kavali. He had attached a heap of corn on 30/4 & being informed that the fields had received remission as Shanby thought his duty to Govt. warranted him in informing me of the fact. I am of opinion he was right. It is of importance to notice that the action of the Rev: department in the matter was thus ~~prof~~ prompted by an outsider who had no interest in the matter, and did not appear in the subsequent inquiry.

2 The Shanby had been certified

to by Madava Row Head Gumastah of the Taluq, D. Poli Naidu village Munsiff, W Kondappa Naidu & M Adenna Peddakapur, G Raghupati Curnam, & in 6 cases by Ramabraham Curnam. Some fields they reported as being partial shavy or having yielded a little, others as total shavy or having yielded nothing. At the time of the Jummabundi the Hd. Astt Collector thought that shavi remission might be allowed when the produce fell short of 1/8th. This error has since been corrected, but the fact that it existed throws some light on the next part of the case.

3 In consequence of the action I took in the matter the Taluq Sheristadar, who had only recently been sent to the Taluq went to the village & held an inquiry there in May. He found a large heap waiting to be threshed on $\frac{30}{4}$ the field the district Munsiff had told me of. The Cultivator seems to have been afraid that it would be established that there had been produce on $\frac{30}{4}$ so he admitted short produce there & added apparently to confirm his statement that there had been a similar amount of produce in several other fields registered as total shavy. Thereupon the village officers & the pattadars of this & 13 others of the fields on which remission had been granted deposed that there had been short produce on the fields. When they did so they probably continued in the belief that remission was granted for short produce as well as *no* produce, & thought the wrong description of these 14 fields as total shavy would not be considered a very important matter. The total remission granted as on total shavy was Rs 3320. Short produce was admitted before the Taluq Sheristadar on land (for which remission had been granted) assessed at Rs 470-5-0.

4 The next proceeding was the Hd. Astt Collector's enquiry in September. By this time the village officers & the pattadars of the 14 fields seem to have recognized

the importance of the distinction between short produce & no produce, & they all denied having stated what the Shiristadars recorded.

5 I have no doubt for the reason given by the Hd Asstt Collector & for other reasons which the record suggests, that these men did depose before the Taluq Shiristadar what he declares they did depose, & that their evidence before the Hd Asstt Collector was false.

6 Surrounding circumstances of the case convince me that there could not have been so much Shavy as was reported from Guttupalli. The record of the Taluq Sherishtadar's enquiry shows that the report was false in the case of land on which Rs 470-5-0 was remitted & this must now be charged. It was probably false also in other cases, but with regard to them there is no reliable evidence.

7 It remains to decide what punish=ment is to be inflicted on the parties concerned in this case.

8 The Hd Gumastah of the Taluq, Madunathan is proved to have signed a

a false report of Shavy, and there can be no doubt that he did so wilfully. This conduct is deserving of very severe punishment, but he is a man of very long standing in the service & eligible for pension. It will be sufficient to degrade him from the post of Head Gumastah to that of Taluq Gumastah.

9 The village officers are guilty not only of the same offence but of giving false evidence before the Head Asstt Collector. As regards the Shavy, Peddakapu Adenna & Curnam Ramabraham seem to be less guilty than the rest, but as regards their contradictory depositions before the Taluq Sherishtadar & the Hd Asstt Collector, and their disgraceful charges against the Taluq Sherishtadar they are equally guilty. They must be dismissed. The one who has not been selected in the recent Revision is pronounced ineligible for the post

of remain hereafter.

Found unfit for further service from old age & infirmity. The applicant's service book is herewith sent. The applicant having completed his 55th year in 1874 was allowed to remain in the service 4 years more, vide Proceedings of Madras Government No. 29 dated 3rd September 1874. The application was received from the Head Assistant Collector on the 3rd November 1879 & orders issued to Kavali Taluq on 15th Idem to send the service book of the applicant. The applicant having been entangled in a Shavi Case of the Kavali Taluq & found to have given a false report was degraded by the Collector from Rupees 20 to Rupees 15, but he applied for Pension afterwards before taking charge of the appointment on reduced salary & his application has been admitted. The delay in submitting the application for his pension is owing to the non-receipt of information from Taluq Officers regarding his pay &c. from the date of his suspension.

6 The service claimed by the Pensioner has been established & should be admitted for pension.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {~~inferior~~ superior} grades has been duly proved for 35 years 10 months and 17 days; and that a Superannuation {pension ~~gratuity~~} not exceeding Rs. 9-11-6 p.m. equal to ½ average emoluments is admissible under Sections 65 and 70 of the Civil Pension Code, 4th Ed. The calculations have been duly verified.

It is observed from the circumstances connected with the applicant's suspension on 10th May 1879, that the character and past conduct of the applicant has not been satisfactory. It rests therefore with Government to make such reduction in the amount of pension that may be sanctioned to him as it may be deem proper with reference to rule 1, Section 22 of the Code.

The delay in the submission of this application is explained by the Collr. in his remarks opposite to No. 5 in the 5th page of the application.

The attention of Govt. is also solicited to the Collr.'s explanation furnished in his reply to this office objection memo No. A.D.P./417 dated the 23rd June 1880, accompanying, of the circumstances under which the claim for pension on behalf of the applicant was preferred before he could be re-instated in a lower appointment after expiration of the period of suspension in May 1879.

In accordance with rule 3(a) under Section 87, the attention of Government is respectfully solicited to Section 22 of the code.
