Read the following.

No. 6476.

From
H. W. Bliss Esquire
Commissioner of Salt Revenue

To
C. A. Galton Esquire
Secretary to the Board
of Revenue
Madras.

Sir,

I have the honor to report the following case for the orders of Government.

2. One K. Kistnah, Assistant Salt

Salt Superintendent of Nizampatam, temporarily employed at the Surla Factory of the Ganjam District, being over 55 years of age and unable in the opinion of the Assistant Commissioner of the latter District properly to discharge his duties owing to old age and infirmity, was recently sent by that Officer to the Zillah Surgeon for examination, and certified to be unfit for further service, and therefore thrown out of employ, at at time when he wanted only three months to complete the 25 year's service in Superior Grades required to qualify him

for

for half pension.

3. This action on the part of the Assistant Commissioner bears very hardly on Kistnah.

4. I have the honor, therefore to request that, either, I may be allowed to re-employ him on such light work as he may be capable of until he has completed the period of 25 years required to entitle him to half pension (under Section 64, 1, of the Civil Pension (Code); or that, he has about 13 years of inferior Service to his credit in addition to his service in Superior Grades, the Government will be pleased

to

to condone the deficiency in the latter class of service under Section 78A (2)(b) of the Civil Pension Code. A precedent for the former course may be found in Government Orders dated 28th November 1877, No. 645 and 646, Pension Department; but I recommend the latter, which is authorized by recent rulings of the Government of India, intended, apparently, to meet such hard cases as the present.
