Remarks by Examiner, P. W. Accounts.

Verified from the Audit Registers of this Office and found correct but classed as non-qualifying with reference to Section 55 of the Civil Pension Code, the applicant having been absent without leave from 22d May 1861 to 8th June 1861.

From an entry in the Audit Registers of this Office the applicant is shown to have drawn no pay for this period "on account of absence" - The period has therefore been classed as absence without Leave and all the applicant's previous services as non-qualifying. Even should he have been on leave without allowances and his previous service classed as qualifying there will be no difference [illegible] the amount of pension shown to be admissible to him as he would still have rendered more than 15 years and less than 25 years service.

Verified from the Audit Registers of this Office and found correct.

17

The applicant's services were dispensed with on the 17th May 1880 on the General Reduction of Establishment in the Accounts Branch of the Public Works Department.
The applicant has omitted to attach his signature in Column 7 on page 4 of the service Book, but as his entire services have been verified from the records of this Office, the return of
