GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

11th November 1880, No. 1085.

Pension.

Read the following paper :—

From Major D. H. TRAIL, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 28th September 1880, No. 104-W.

I have the honor to submit, for the consideration of Government, the question of the amount of pay drawn by incumbents appointed in place of officers retiring from the service on application for pension.

2. Under existing rules contained in Pension Department G.O., No. 595, dated 2nd November 1870, only a moiety of pay is authorized to be passed to such incumbents until the final orders of Government on the application for pension are passed, when, if they are found competent, they are confirmed retrospectively and are allowed full pay from the date from which the pension of the parties in whose room they were appointed takes effect.

3. Instances have occurred lately when claims with sometimes more than two years' retrospective effect have been preferred on account of arrears of salary due to Clerks, &c., appointed in room of retired servants, whose applications for pension could not, for one reason or another, be finally disposed of by Government until two years or more after they retired from the service, the consequence of which is that a larger amount is made to bear against the years' Budget grant than if the charges were distributed over two or more years, and many such items may have an appreciable effect on the Budget grant of the year.

4. I beg, therefore, to bring to the notice of Government the effect of the Government Order above quoted, which not only entails inconvenience to the Government service but hardship to the men.

ORDER THEREON, 11th November 1880, No. 1085.

The Government are not prepared to modify the orders referred to.

2. The remedy for the—*as* Government believe—exceptional state of things referred to by the Examiner lies in the speedy disposal of applications for retiring allowances, and if measures are taken to verify* before retirement the services of old public servants delays will be reduced to a minimum.

Pension.—Examiner, Public Works Accounts informed that the Government are not prepared to modify their orders regarding the amount of pay drawn by incumbents appointed in place of officers retiring from the service on application for pension.

CLERKS ETC. APPOINTED IN ROOM OF RETIRED SERVANTS, WHOSE APPLICATIONS FOR PENSION COULD NOT FOR ONE REASON OR ANOTHER, BE FINALLY DISPOSED OF BY GOVERNMENT UNTIL TWO YEARS OR MORE AFTER THEY RETIRED FROM THE SERVICE. THE CONSEQUENCE OF WHICH IS THAT A LARGER AMOUNT IS MADE TO BEAR AGAINST THE YEARS' BUDGET GRANT THAN IF THE CHARGES WERE DISTRIBUTED OVER TWO OR MORE YEARS, AND MANY SUCH ITEMS MAY HAVE AN APPRECIABLE EFFECT ON THE BUDGET GRANT OF THE YEAR.
