Sir,

Copy enclosed

With reference to para 2 of G.O. No 879
August 23, 1880 I have the honor to submit the
following report:

2 The Accountant General's Memo was

*not 3rd January dated 30th January and received here on 4th Febru-
-ary 1879

3 Among other things he required a copy
of authority from Government abolishing the
applicant's appointment; as also certain in-
-formation regarding his dismissal in 1869

4 Several references had to be made to Taluk and other officers to obtain replies to the Accountant General's several enquiries.

5 The old papers concerning the abolition of the applicant's appointment or his dismissal in 1869 were not forthcoming in the records - until after an unusually long search.

6 When the Accountant General's Memo was received the English Head Clerk was ill and absent and the Pension Clerk retiring shortly after, it was left to the new man entrusted with the pension papers to bring up the arrears left by the other as rapidly as possible.

7 These mulki Post runners were once in the Revenue Department but we have had nothing to do with them for years. The same with persons who were transferred to the Police when it was instituted in 1860. They are men the Collector has not heard of for

for perhaps 20 years when suddenly the Postal Department or the Superintendent Police called on us to give their past history commencing perhaps 40 or 50 years ago. The men themselves have the vaguest ideas when and where they were employed. Tracing out their history is always a work of time.

Para 3 of G. O.

8 The application did not require a stamp. The erroneous order that it did was given by the Sheristadar whom Mr. Langan had authorized to dispose of papers in his

absence -
