The applicant's services were dispensed with on 31st January 1880 owing to General reductions of Establishment in the Public Works Department.

The entries in the service book and the gratuity application are incorrect and incomplete in regard to dates of appointment and promotion, but as the entire period of the applicant's services has been verified from the audit registers of this office the return of the documents for correction and completion was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government. The specific report and opinion of the Head of Office prescribed in the amended rule 6 to Section 84 of the Civil Pension Code, was for the same reason considered unnecessary and has not been obtained.

The applicant's services were dispensed with on the 29 February 1880 in consequence of the general reduction in Public Works Department Establishments.

The Executive Engineer in ch:

Sir,

In reply to your letter No. 2096 dated 31st March 1880 I have the honor to furnish the following information.

Para 2 of Examiner's remark

P. Job was acting for a Sub Divisional Writer and J. Joseph for him both on full pay; the permanent Sub Divisional Writer having returned to duty on the 24th January 1876, P. Job had to revert to his substantive appointment which he joined on the 26th. Pay from 1st to 23rd as Sub Divisional Writer and 26th to 31st January 1876 as Talook Writer was passed to him, the two intermediate days viz: 24th and 25th was passed to the name Ry. for. Palmer Job

Para 3 of Examiners remark

From the Office Copies of the Pay Abstracts maintained in the late Anantapore Division it is observed that full pay was passed and paid to P. Job from 16th December 1871 to 15th Feby. 1872 and the Entry "Leave without Pay" for that period should therefore be an erroneous one.

The enclosures of your letter under reply are herewith returned.
