Sir,

I have the honor to return herewith duly modified, the gratuity papers of S. Seshagiri Row received with your letter Nº 569 of the 23d Ultimo and to report as follows:—

I The Executive Engineer Tanjore Division, to whom a reference was made on the subject, reports that the Applicant's pay for January 1870 has been audited by the then Deputy Controller of P. W. Accounts Mr Lacey.

II Seshagiri Row's pay for 12 days in August and 2 days in September 1870 was actually stopped as the writer who was granted 10 days Casual leave from the 20th August did not return to duty till the afternoon of the 3d. September 1870, thus overstaying his leave by 5 days, hence the whole period was considered as absent without leave, and the Applicant has forfeited his ~~past~~ previous Service.

III. The Applicant was granted leave on half pay for 1 Month from 1st. October 1873 and not on leave without allowances.

IV. As no pay was allowed to the Applicant for the 9th and 10th. December 1873, the period has been classed as non qualifying.

2- The original letter from the District Engineer Tanjore received with your's under reply is also returned herewith.

Certificate and Report of Examiner, Public Works Accounts.

Certified that qualifying service in superior grades has been proved for only (5) five months and (18) eighteen days and that no gratuity whatever appears admissible to the applicant under Section 68 (a) of the Civil Pension Code. But should Government be pleased to commute the applicant's absence without leave for (5) five days from 3d to 7th April 1879 (which was subsequently commuted by the Superintending Engineer into leave without allowances, vide in service book entry) and from 20th August to 3d September 1878, into leave without allowances under rule 6 Section 52 of the Civil Pension Code, qualifying service in superior grades would then amount to (10) ten years (10) ten months and (29) twenty nine days and that a compensation gratuity not exceeding Rs (300) three hundred equal to (10) ten months emoluments viz Rs (30) thirty per mensem will be admissible under Section 68 (a) of the Civil Pension Code. The calculations have been duly verified

As the above gratuity if sanctioned will on commutation yield a pension of more than (2) two Rs a month the confidential medical report, prescribed in Section 105 rule 5 of the Civil Pension Code has been obtained and is herewith forwarded for the information of Government.
