Deposition taken on oath from Yallamantha Venkataroydu of Sitanagaram 1st Class Revenue Inspector of the Rajahmundry Taluk.

I know that Paluri Prakasam garu, late Gumastah of this Division and I, were in 1853 appointed as Samuttadars in this Kottapalli Samuth, and that subsequently in 1856 he was appointed as a Gumastah on a salary of Rs. 8 in the Kottapalli Taluk and that ever since he continued as a Gumastah in this Division without any break up to the month of May 1879. During the interval he obtained leave of absence; but I do not know the details. Previous to the arrangement (revision of the Establishment) in August 1861 he was employed as stated above for some years on Rs. 8 per mensem, and for others on Rs. 10 a month, and subsequent to the arrangement, on

Rs.

Rs. 15 a month -

I do not find Seethapatty at all upto the duties of a Range Accountant. He is a very hardworking, willing and anxious to do well. I have no doubt he will improve and become a good accountant in time. I agree with Captain Smalley's statement as to his having had to do nearly the whole work in the Office

I think Seethapatty quite up to the duties of a Range Accountant on all ordinary occasions. He is a little slow and should try to be more orderly and systematic in carrying on his routine work but he makes up for most difficiencies by being so hard working and anxious to do his duty properly—

Conduct and attention to duty satisfactory. His pay was reduced not for any fault of his but in consequence of the Ranges No 3 and 2 having been amalgamated and he can only draw the pay of his appointment Viz Rs 40 as Head Acctt. in a 3d class Range - This Range however might be very well considered a second class one so far as the accounts are concerned as it is just as difficult to keep the account of this Range now in any second class one in consequence of the increased amount of work in hand if this were the Head Acctt. could draw his previous pay Rs 50 which I consider he must -

Very industrious and steady slow at times but makes up for the same by increased diligence attends strictly to his work and does not meddle (so far as my experience of him goes) in things that do not concern ~~the same~~ him I believe him to be honest and truthful -

When I was in Dowlaiswaram last I heard that you had ordered the relief of the Head Accountant of this Range. I beg most respectfully to point out the inconvenience and immediate removal will cause both to the Public as well as to the machinery. I am soon to go on leave a new Range Officer without records etc I fear will be lost in Office work must have some old hand to assist him. In the state of affairs a strange Head accountant will make the matter worse.

Seethapathy was relieved by me on the 5th May and was on his journey to Ellore when you ordered him back. He then went to some expenses, but now with closed canals he cannot expect to move to his destination with his family and traps. He has enjoyed the increased pay of Rs 60 for two months and would naturally feel the fall back to Rs 50.

In consideration of his long service, good conduct and especially vicissitude he has felt with this Range in the late changes, I earnestly beg you will be pleased to keep him here permanently—

2. It appears from the Register book of the late Superintending Engineers Office that Sithapathies services as writer on Rupees 30. per mensem were dispensed with from the 16th July 1863 on the reorganization of the Department in that year, and that after his re-employment in the Department he obtained promotion from Rupees 25 (Copyist) to Rupees 50 per mensem as accountant in the Western Division from the 16 September 1865.

To

The Examiner,

Public Works Accounts,

Madras.

Sir,

With reference to your lett No. 73C. of 28th ultimo regarding the services of M. Ramaswamy Naidu, I have the honor to state that the amalgamation of the Central Office of Accounts of the Upper Godavari Works with this Office having had effect from 1st May 1864, no record of the man's services prior to that date can be found in the Audit Registe of this Office — From that time, however, up to 31st March 1875 (the retransfer of the works having taken place on 1st April 1875) the entries in the Service Book are correct.

2. In regard to the man's Services before May 1864, although they are not in the Audit Registers as above stated, there is Correspondence in the Office of the Chief Engineer, C.P. to show that it has extended over the entire period noted in the Service book, Commencing from 1st April 1861; and as the Government of India in the Financial Department No. 2550 d/5th August 1870 sanctioned Service from 1st April 1861 to 30th April 1863, (regarding which there was at first a doubt) to count as service for pension, the whole Service may therefore be considered pensionable.

His Service book is returned.

I have the honor to be,

Sir,

I have the honor to submit the application for an invalid pension of Rs. 5-„-„ per mensem, on behalf of Páluri Prakásam, late Head Gumastah of the Kottapalli Division in the Rajahmundry Taluk.

2. The total service of the applicant extends over a period of

during which he held acting and temporary appointments, about 9 years before his continuous service began. The Barawards for some months, when he was employed in an Estate under the management of the Court of Wards, are not forth=

=coming

=coming and I did not think it necessary to take evidence for that period as it is not service under Government. The rest of his service is fully supported by records and by evidence of contemporary employees. The period of his service under Government for which Barawards are not forthcoming and for which evidence has been taken is however only 11 months, of which 7 months were in inferior and 4 months in superior service. The applicant's superior service on which the proposed pension is calculated, began on 10th August 1861, and after deducting from the total service up to 7th December on which he retired, the period of leave obtained by him viz. Yrs. Ms. D. 1 - 4 - 26, a clear qualifying service of 16 - 11 - 3, is left in favor of the applicant, thus entitling him to a monthly pension of Rs. 5 being one-third of the pay last drawn by him.

3 Prakasam having, when ordered, refused

refused to proceed to Chodavaram in Rampa, he was on account of his old age considered by the Sub-Collector inefficient for service and ordered to retire. Prakasam therefore produced on the 7th December 1879 a Medical Certificate dated 24th November 1879 declaring him unfit for further service.

4 The age of the applicant is according to the date of birth given in his Service Register is 52 years, but the Zillah Surgeon considers him to be 55 years old.

5 The Medical Certificate, the English translations of the affidavits taken from the applicant and his contemporary employees, the last pay certificate and the Service Register are enclosed.

Certified that I have carefully examined Paluri Prakasem, son of Paluri Somarazu a Gumastah in Kottapilly Division. His age is by his own statement, 53 years, and by appearance about 55 years. I consider Paluri Prakasem, to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs, in consequence of old Ae & Natural infirmity.

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Deposition taken on oath from Ganapavarapu Venkataratnam attender in the Kottapalli Division.

I know that Paluri Prakasam garu late Gumasta of the Kottapalli Division continued as a gumasta on Rs 15 in the Kottapalli Division since the 10th August 1861, when the arrangements of the Rajahmundry and Kottapalli Taluqs took place. Since then he continued in the Gumasta's appointment up to the close of the month of May/79. He was not during the interval reduced by dismissal or suspension on any account. At the arrangement I was appointed attender in the Rajahmundry Taluq and was there since that time till 1870, and subsequently I have been attender in the Kottapalli Division. From this I have known that Prakasam garu was in service as stated above.

I read it, it is correct according to my deposition
