Lascar Arunachalam lately employed on the Copan Anicut has appeared before me this day and asserts that he was first employed under Supervisor Mr Hayes when Mr Birdwood was Superintending Eng. He mentions also the names of several other officers under whom he was subsequently employed. He has no recollection of dates, but the first of Certificates which have been copied into the Service Book was given by Mr Hayes and dated 22nd June 1864. He was therefore certainly employed some time before this date and the date of first employment given in the Service Book viz 1st February 1863 may be taken as correct. He has been continuously employed since then except during the break in his service of 5 months. 16 days shewn in the Service book. This break was occasioned by his services being dispensed with on his reaching the age of 55, but as he was unable to obtain a medical Certificate of unfitness for work he had to be taken

taken on again.

The above has been translated to the Lascar who appends his signature in token of his admission of the correctness of the above stated facts.

Copy of letter from the Superintending Engineer 3rd Circle to the Examiner Public Works Accounts, Madras, No 511 T. J. dated 3rd June 1880.

With reference to your letter No 71 of the 4th May 1880, I have the honor to return herewith the gratuity papers of lascar Aroonachellum and to state that an affidavit and statements of 2 Contemporary Servants of the applicant are enclosed, and as the service claimed has been established I consider that the same should be admitted.

2. The lascar received no gratuity when his services were dispensed with on the 28th February 1876 on his attaining the age of 55, and he was re-employed in failing to produce a Medical Certificate of unfitness for work. On re-employment he was given Rs 5 per month as there was no vacancy carrying Rs 6 pay.

3. The Medical Certificate of unfitness for further service and the last pay Certificate are not forwarded as requested.
