---

Copy of letter from the Superintending Engineer, 1st Circle, to the Examiner Public Works Accounts, Madras, No. 1005 dated 24th June 1880.

I have the honor to send an application for invalid gratuity with the service book of Mohomed Hoossain a Conservancy Head Lascar in the former Chicacole Division of the Ganjam District. The applicant's services ceased on the 30th September 1876, but his pension papers have only at lately been sent in consequent on the applicant having written a petition. It appears that the matter was lost sight of in the Chicacole Division, and the original Medical Certificate was mislaid so that a copy has been obtained by the Executive Engineer at Vizagapatam.

Certify that I have carefully examined Mahomed Hoosain son of Mahomed Alli Niranikum Maistry in the D. P. W. Chicacole. His age by his own statement 50 years and by appearance about 58 years. I consider Mahomed Hoosain to be completely and permanently incapacitated for further Service of any kind in the Department to which he belongs in consequence of old age. His incapacity does not appear to me to have been cau by irregular or intemperate habits.

Verified from the Audit Registers of this Office but classed as non-qualifying with reference to section 27 of the Civil Pension Code.

(2) The applicant was at first appointed an acting Overseer's Writer on the 13th June 1873 but was subsequently confirmed in that appointment vide Superintending Engineer's 1st Circle No. 1388 dated 19th July 1880 (attached); his services from that date have accordingly been classed as qualifying.

3. The entries in the service book and gratuity application in regard to dates &c. are incorrect but as the entire period of the applicant's services has been duly verified from the records of this Office, the return of the documents to the Superintending Engineer for correction and retransmission was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government.

(4) The applicant's services were dispensed with on the afternoon of the 29th February 1880 owing to general reduction of Establishment in the Public Works Department.

An affidavit taken from the applicant received from the Superintending Engineer is herewith forwarded. The Superintending Engineer reports that the Statements of contemporary servants cannot be procured as there are none to be found. The period however has been classed as qualifying with reference to letter No. 4298 dated 22 January/80 received from the Superintending Engineer late 2d Circle in which it is stated that the Executive Engineer, Kurnool, is of opinion that the service claimed by the Lascar can be admitted.

No service book was maintained on behalf of the applicant owing, as the Superintending Engineer states, to a misconception of the rules. He was however requested to prepare a fresh one, which is herewith forwarded.

The 2d Medical opinion required under Note 2 Section 63 of the Civil Pension Code was called for, and the Superintending Engineer reports, that as there is only one medical officer at Kurnool the opinion of a 2d, was not procurable.

Remarks by Examiner, P. W. Accounts.

Not verified from the Audit Registers of this Office owing to the Omission in them of the names of incumbents in inferior grades but verified from the Records maintained in the late Chicacole Division (vide remarks under column "how verified" on page 2 of the pension application as also an attested Extract from the Service Register (herewith).

In the Service book of the applicant, the date of termination of his last appointment is shewn to be 30th September 1876 instead of 5th October 1876, the date subsequent to which he obtained the medical Certificate of his incapacity for further service. The applicant has therefore been treated as having been on leave without allowances for the period and the period classed as qualifying with reference to Section 53 of the Civil Pension Code.
