Reply to the Accountant General's Memo No N.D.K./468

Dated 29th October 1879.

1. The Assistant Commissioner, Vizagapatam, states that, on the report of the Salt Superintendent, Kuppili, that Assalat Khan was unfit for further service owing to old age and infirmity he was permitted to retire with effect from the 1st May 1878 and at the same time ordered to present himself before the District Medical Officer who granted him a certificate on the 21st Idem. It is observed, however, that under Section 62 of the Civil Pension Code, a Medical Certificate is not necessary in the case of the applicant as he was over 60 years of age on retirement.

2. The applicant and his father's country name is 'Sumala' and the same has been entered in the Service Register.

3 The Assistant Commissioner states

that the Services of the applicant from January 1866 to the end of April 1878 are borne out by the Office copies of the monthly Pay Abstracts of the Factory for that period and that the records of the previous years are not forthcoming in the Office. He states, however, that from an entry in the Register of Arzees received from Salt Superintendents it appears that the applicant was appointed to act on full pay from the 5th July 1862 in the room of a peon who had died of Cholera. The affidavits of the applicant himself and of four others are herewith forwarded, and the undersigned is of opinion that the services claimed may be admitted.

4. The reason of the termination of the applicant's services has been inserted in the Service Book

(herewith

(herewith returned) in the English Language, under the attestation of the Assistant Commissioner.

5. The Assistant Commissioner attributes the delay in furnishing the above information to the confused state of the records of former years, and to the delay in the appearance of the parties from whom affidavits had to be taken.

14. Information as to the name of the applicant's heir entitled to receive the gratuity or the amount of arrears of pension due to him.

15. Revision of the affidavit and contemporary evidence. The evidence should contain information on the following points:—

12. Owing to old age and incapacity for further service, the applicant was permitted to retire by the Head Assistant Collector without a medical Certificate; presumably under a misconception of the rules. The Certificate had to be subsequently called for by this office. Hence it is post-dated.

16. The applicant was appointed Police Peon on the 1st July 1852 in the place of his brother who retired from the service and would have been confirmed had he not been transferred to the Ameen's Cutcherry at Tanore.

20. (a) The applicant was on leave during the months of April of 1877 and 79. Hence the omission of his name in the lists of those years. On a further examination of records, the applicant is found to have been actually on duty in April 1876, tho' his name does not appear to have been correctly entered in the lists of that year.

(b) As he was on leave on the 31st March 1879, his name was not shewn.

21. The applicant states that his father's name is Thoyakat Sankaramenon and

andnat Thozhukat Parangodeska menon as shewn in the application and in his Service Book. The necessary alteration has been made and the Certificate is herewith retransmitted.

22. The certificate has now been duly inserted
