20. A fresh Medical Certificate in the form prescribed by the amended Section 63 of the Civil Pension Code. The one now furnished is returned herewith.

Reply. No. 37

No. 6. A certificate that the applicant is inefficient owing to age or infirmity has been given opposite to No. 5 on 3rd page of the application.

No. 12. As the applicant's service extended over a period of 47 years, several old Returns & accounts, &c., other than the Pay abstracts had to be looked up for verification; and during the preliminary verification, Pay abstracts for about 70 months were not forthcoming, hence further reference had to be made to the Divisional officer and further search made into the record for the verification of the Service rendered during the above 70 months. For the Service rendered by the applicant in July 1850 and May 1851, affidavits had to be taken from him and from 2 of his contemporaries. All this involved correspondence between this & the Head Assistant's office & between the latter & the Taluk. Afterwards it was discovered that the applicant was ordered by the Divisional officer to retire before a Medical certificate of unfitness for duty, was obtained from the Civil Surgeon. The Head Assistant Collector was then (i.e. 13th August 1879) requested to direct the applicant to appear before the Civil Surgeon for examination. Thereupon the applicant presented himself before the Civil Surgeon. Hence the fact of the medical certificate being post-dated.

20. A fresh medical certificate dated 10th July 1880, is enclosed as called for.

The application for pension on behalf of the person is returned.

Certified that, I George E. Whitton M.B, Surgeon Major, Civil Surgeon, Coimbatore have carefully examined Karuppen, late peon of the Udumulpettah Taluq, son of Cooppanen. His age is by his own statement 52 years, and by appearance about 52 years. I am of opinion that in consequence of the existence of an inguinal hernia Karuppen is not fit for very hard work, but is fit for further service of a less laborious character than that which he has been doing.

Any other remarks:—

The applicants' Service Book and the Last pay certificate are herewith forwarded – According to Pay abstracts on record in this office the applicant appears to have been entertained in the Public Service on 1st November 1830, when his age was 7 - 10 - 1 Years Months Days -

From the accompanying translation of the Document marked D it would appear that the applicant was a Minor when he was first entertained in the Service; & that the work was done by a Substitute provided by the Father of the applicant until the applicant attained his majority & was able enough to perform the duties – From the Service Book the applicant appears to have actually entered upon his duties on the 1st of January 1838 the date on which the 16th year of his age Commenced – However according to the Civil Pension

Code (Section 766 Rule 2) the applicants' service prior to the completion of the 16th year of his age, has been entered in the application under "Period not reckoned as Service".-

Explanation of delay:-

The applicant was ordered by the Divisional officer to retire before a Medical Certificate of unfitness for duty was obtained from the Civil Surgeon - The applicant was since ordered to appear before the Civil Surgeon for examination - Enclosure marked A is the Medical officer's Certificate - As the applicant's Service extends over a period of 47 years several old Returns and Accounts, &c, other than the Pay abstracts had to be looked up for verification; and during the preliminary verification, Pay abstracts for about 70 months were not forthcoming, hence further reference had to be made to the Divisional officer and further search made into the records for the verification of the Service rendered during the above 70 months - For the service rendered by the applicant in July 1850 & May 1851, Affidavits have been taken from him and from 2 of his contemporaries, and are herewith forwarded - Vide Enclosure marked B.

Notice will be taken of the undue delay apparent in certain offices.-

Forwarded to the Accountant General with reference to his letter No. $\frac{A.A.K}{510}$ dated 2nd August 1880.- (returned herewith)-

The Expression 'Méha-Vayoovo' used by the Tahsildar conveys ordinarily the notion of 'Venereal disease' as what ails the man- but with the Medical officer's certificate before me that it is 'inguinal hernia' that he suffers from, I think it reasonable to suppose that the Tahsildar's Expression is not quite so exact as the phraseology of scientific medicines would demand.-

The man seems to be quite incapacitated for work, and as it is now some 2 1/2 years since he was retired it is suggested that his papers be passed on for the orders of Government.-

Translation of an Arzi from the Tahsildar of Udamalpet to the Collector of Coimbatore dated 25th August 1880 No. 91.

I received your order dated 11th Current No. 47, directing me to report whether there is any objection to the late Peon Karuppan being re-employed as a "Tainaty" peon in attendance either on me or on the Sheristadar or for general duties at the Cusbah Station.

I have no objection to his re-employment and to get work from him as directed - but when he was asked if he could do the work accordingly, he gave a deposition setting forth his circumstances - The deposition is herewith submitted -

He states that it is only presumable that he is fit for further service but that when he performs a little work or walks a little distance, his private parts get so swollen by his inward venereal rheumatic disease and he is further so attacked with belly-ache that he is rendered quite unable to walk; that his sight is dim: that he was first employed when he was 11 years old and that one Ibramsah has executed to his father an agreement on a Stamped paper in January 1831. that if his age is calculated from that period he has now completed 60 years and that he is therefore unable to do any work however light it may be.

From the above agreement it appears that this man is over 60 years old. I have sent it to the Head Assistant Collector with my Arzi No. 370 of the 15th October last.

From enquiries I learn that it is true that K. Karuppan gets sickness as stated by him.

Karuppan states that he is unable to do any work however light it may be and I shall abide by such orders as may be issued to me on the subject.
