Proceedings of the Madras Government,

Revenue Department 16th July 1872.

No. 114. Read the following Proceedings of the Board of Revenue, dated 14th June 1872, Miscellaneous No. 4254:—

Read the following petition from Sambamoorthy Iyer, late Tahsildar of Cuddalore, South Arcot, to the Honourable the Board of Revenue, dated Madras 30th April 1872.

Sheweth,

That, under date the 16th March, the Government were pleased on his appeal to direct the reinstatement in office of your petitioner in any district other than South Arcot, and your petitioner is now awaiting the enforcement of the said order by your Honourable Board; meanwhile he respectfully submits this representation in view to recover the full salary of his late office, and to which he is entitled under usage and precedent.

2 The Government were pleased to express their opinion in the said order to the effect that your petitioner had committed

no offence calling for the penalty of dismissal, and on this ground he has been restored, and agreeably to cases of a like kind where the appellate power has overruled the acts of subordinate authorities, your petitioner respectfully claims to be reimbursed in all the back pay which would have been drawn by him had he not been removed from his office of Tahsildar.

3. That apart from the great anxiety of mind which your petitioner has necessarily undergone during the past ten months while his case was pending, and while uncertainty and doubt hung over the issue, your petitioner has unavoidably been put to very serious expenses, far exceeding any salary he would have received had this misfortune not overtaken him; and since the Government have pronounced a favourable verdict on his case, and have declared that his dismissal was not called for, your petitioner feels confident that in making the request he now does, he is only asking for that which it is his right to ask, and which, in furtherance of their own orders in his case, Government will be graciously pleased at once to grant as they have done in so many like instances which your petitioner might quote.

4. That in his appeal petition to Government your petitioner prayed that his arrears of Salary might be paid to him simultaneously with his restoration, but in the order thereon passed nothing is mentioned about Salary, and as this has been disbursed to your petitioner's successor from the date of your petitioner's removal under the orders of the Board, the Special Sanction of Government is now required, consequently, your petitioner has no alternative than to trouble your Honourable Board with this Special representation in the matter, and with every respect he confidently seeks your Honourable Board's support of his application in order that he may be paid in full the Salary of his post as Tahsildar of Cuddalore in South Arcot from the date of his

original suspension on the 29th June 1871 up to the date of his reappointment to a similar office in another district, agreeably to the orders of Government already quoted; and as in duty bound your petitioner will ever pray.

Submitted for the orders of Government.

Referred to the Accountant General for report.

REMARKS BY HEAD OF OFFICE.

1. As to character and past conduct of Applicant. Further than the previous record against him the only complaints affecting the character and conduct of the applicant were complaints of constant neglect of duty and consequent delay of work of all kinds. This appeared to be in a great measure due to physical infirmity arising from premature old age. I considered him to be no longer efficient

2. Explanation of any suspension or degradation. Suspended and afterwards dismissed for misconduct & neglect of duty; but on restoration by the appellate authority transferred to Trichinopoly Dt.

3. Regarding any gratuity or pension already received by Applicant. See Chapter XX. None,

4. Explanation under Section 47, Rule 1, so far as the Head of the Office can give it. None.

5. Any other remarks. The Government have in their order dated 26th February 1880 No. 253 permitted his removal to the Pension list.

6. Services claimed in this application are established and should be admitted.

It is observed from the remark opposite to No. 1 in the 3rd page of the application, that the Character and past conduct of the applicant has not been satisfactory. It rests therefore with Government to make such reduction in the amount of Pension that may be sanctioned to him as it may deem proper with reference to Rule 1, Section 22 of the Code.
