2. The applicant is shewn both in his service book and in the gratuity application to have drawn pay as Draftsman during the time viz. (1st to 11th August/75) he was on transit between Tinnevelly and Madanapally but from the Audit Registers of this office he appears to have drawn no pay for the period in question. Further reference on the subject was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government. The period has been treated as non-qualifying. It in no way affects the amount of gratuity shown to be admissible to him.
