Letter from Military Department No. 1,508 (Pensions Warrant Officers), dated 11th December.

RESOLUTION.—As part of the measure of reduction of establishment to be carried out in the Public Works Department, the Government of India proposed certain terms on which Warrant and Non-Commissioned Officers of that Department might retire from the service, and the Secretary of State for India in Council has approved of the following:—

- I.—Warrant and Non-Commissioned Officers may retire voluntarily, receiving—
(a)—The pensions due to them under the regulations, but not invalid pensions.
(b)—One month's substantive pay for each year's service in the Department up to a maximum of 12 months' pay.

II.—Warrant Officers must receive the gratuity in India, but Non-Commissioned Officers will only be paid it after their arrival in England or a Colony.

III.—Retirements under these regulations must take place on or before the 31st March 1880, and applications for permission to retire must be received by the Adjutant-General of the Presidency on or before 15th March.

2. Local Governments and Administrations, the Inspector-General of Military Works, and the Director-General of Railways may offer these terms to any Warrant and Non-Commissioned Officer whose resignation they may consider would be advantageous to the public service, but as a rule the offer should be made to no one under 40 years of age, and in no case can it be considered as an order to retire. This is not intended to preclude Warrant and Non-Commissioned Officers above that age from tendering their voluntary resignations, each of which will be considered by the Government of India (or of Madras and Bombay as the case may be) in the Public Works Department on its merits. The Government will exercise its right to refuse acceptance in all cases when that course may be deemed desirable.

The Governments of Madras, Bombay, and Bengal, in the Public Works Department, General, Irrigation and Railway Branches.
 The Government of North-Western Provinces and Oudh, in the Public Works Department, Buildings and Roads and Irrigation Branches.
 The Government of Punjab, in the Public Works Department, General and Irrigation Branches.
 The Chief Commissioners, Central Provinces, British Burmah, and Assam.
 The Resident at Hyderabad.

 The Accountant-General, Public Works Department.
 The Inspector-General of Military Works.
 The Director-General of Railways.
 The Consulting Engineers to the Government of India for Guaranteed Railways, Calcutta, Lahore and Lucknow.

ORDER.—Ordered, that this Resolution be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

GOVERNMENT OF MADRAS,
Public Works Department,
Chopak,
23rd November 1880.

My dear Campbell

What is the difficulty about
Mr Joyce's bonus? The poor old chap
has been budgeted about until he
is almost worn out; at first I thought
there was a mistake in our Botanical
office in not communicating to the
Public Department J. O. No 2523 A.H.
of 3rd November, but now that
this has been done, what stands

in the way of the Pension
Dept asking the A. G. to pay
the amount?

If anything is wanted from the
P. W. D. please let me know so that
it may be done, but I confess I
don't see what there is to do beyond
what we have done already -

Yours sincerely
J. M. Denny

I see that in the A. G. the Examiner
of P. W. Accounts was ordered to make the

Payment; this of course is a mistake,
but the fact of the order being com-
municated to the Pension Dept corrects
this - If it is necessary, an "erratum"
can be issued, substituting Pension Dept
for Examiner of P. W. A.; but it appears
unnecessary -
