From

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE.

SIR,

I am directed to forward, for the favorable consideration of the Government of India, the case of Elepaligrama Parameswara Iyen, late Taluk Sheristadar of the Wynaad Taluk in the District of Malabar.

2. The Wynaad Taluk, which is still exceedingly unhealthy, was notoriously so thirty years ago, yet Parameswar Iyen, who entered the service of Government in February 1850, served continuously in it for the unprecedented period of twenty-nine years, two months, and eight days.

Of this, one year, nine months, and six days are non-qualifying, and six years, two months, and twenty-five days rank as inferior, so that when invalided on the 29th April 1879, at the comparatively early age of 52,* he had not qualified for a half-pay pension, as his superior service amounted to only twenty-one years, two months, and seven days.

* Born 17th December 1826.

3. Parameswara Iyen bore throughout his service a good character, and, as the medical certificate issued in his case shows him to have been invalided in consequence of "debility, œdema, fever, skin disease, * * * and premature old age, all of which were" in the opinion of the Medical Officer "the result of a continuous very long residence in Wynaad and frequently in its most unhealthy localities," His Grace the Governor in Council would recommend his being granted a pension of Rs. 26 per mensem in lieu of that (Rs. 20, or one-third average emoluments) already sanctioned by this Government.

This amount is proportionate to his length of service and less than that (Rs. 30) which he would have obtained if he had completed 25 years' service in superior grades, while it is very little in excess of one-third† of his actual average emoluments including in that term acting allowances drawn by him when acting as Tahsildar and Deputy Tahsildar.

Read the following papers :—

Proceedings of the Board of Revenue, dated 30th July 1879, No. 7041 (Miscellaneous).

Read the following letter from G. McWATTERS, Esq., Acting Collector of Malabar, to the Acting Secretary to the Board of Revenue, dated Calicut, 22nd July 1879, No. 1118 :—

In enclosing copy of the Wynaad Deputy Collector's letter, No. 87, of the 19th February 1879, recommending E. Parameswara Iyen, late Taluk Sheristadar of Wynaad Taluk, for full pension, I have the honor to state that Parameswara Iyen's service in Wynaad runs for a period of thirty years, twenty-one of which were in grades eligible for pension, and that, during the last thirteen years, he held the responsible posts of Taluk Sheristadar and of Acting Sub-Magistrate at Vayitri and Gúdalúr.

2. Having spent nearly almost the whole of his public career in a taluk whose unhealthy climate is notorious, and, having suffered severely from malarious fever, he has been declared unfit any longer for public service, although unfortunately he had only four years more to remain to make him eligible for full pension. Under the circumstances above mentioned, no other official having ever served in Wynaad so long before, I have the honor to strongly recommend his case for the favorable consideration of Government, when his application for pension is laid before them by the Accountant-General to whom it was submitted on the 20th June last.

ENCLOSURE No. 1.

From W. E. UNDERWOOD, Esq., Deputy Collector of Wynaad, to the Collector of Malabar, dated 19th February 1879, No. 87.

The Sheristadar of the Wynaad Taluk has asked permission to resign the service and to be admitted to pension, his health being very bad, and he has sent in a certificate from Dr. Hewston to this effect.

2. The applicant has been in the Government service since 1846, or a period of thirty-three years. He states that only twenty-three years of this service counts towards pension, his pay before that being only Rs. 10 a-month.

3. The Sheristadar has been a most excellent public servant. His bad health is owing to a long number of years spent in this climate, and is now so bad, that has quite broken down and unable to serve a period of two years or so longer to entitle him to a full half-pension. As you know the man yourself and the long time he has been up here, I hope you will strongly recommend that he be granted a full pension as a special case. In his petition he fully states the reasons he seeks this clemency from the Government, and I trust that they will grant his request.

4. The Sheristadar is very anxious to be relieved as soon as possible, and, in the appointment of another Sheristadar, I am anxious to have a man that knows English well. You are aware that this officer is also a Magistrate, and, during the absence of the Tahsildar or myself, he has frequently to do business with the Europeans, and the only complaint against the present incumbent was that he did not know English, and the planters, when they had to see him on business, found it difficult to make him understand what was required. The Wynaad berth is not one that a rising man would take willingly, but still a passed man might be induced to take the post, if prospects were held out to him of a rise, if he did well up here; but the great objection men make to come here is fear that they will have to remain.

Submitted for the favorable consideration of Government.

Sir

I am directed to forward for the favourable consideration of the Govt. India the case of Elepalipama Parameswara Iyer late taluk Sheristadar of the Wynaad taluk in the Dist. of Malabar.

The Wynaad taluk which is still exceedingly unhealthy was

notoriously so
thirty years ago
yet Paramaswara
Iyer who entered
the service of
Govt. in Feby/50
served continuously
in it for the
unprecedented
period of 29-2-16.

Of this 1-9-6
are non qualifying
& 6-2-25 rank
as inferior so
that when
invalided on the
29th April/79 at
the comparatively
early age of 52+
he had not
qualified for
a half pay pensio

+ born 17th Dec 26

10

as his superior
service amounted
to only 21-2-7; & as
3. Paramaswara Iyer
bore throughout his service
good character.
& as the medical
certificate issued in
his case shows
him to have been
invalided in conse-
quence of
"debility, oedema,
fever, skin disease,
&c &c & premature
old age; all of which"
were stated in
the opinion of the
medical officer
"the result of a
continuous very
long residence in
Wynaad & frequently
in the most
unhealthy localities",
His Grace the Govr. in

Council would recommend his being granted a pension of Rs 26 per mensem in lieu of that – Rs 20 or 1/3 average emoluments – already sanctioned letter for –

This amount is disproportionate to his length of service & less than that – Rs 30 – which he would have obtained if he had completed 25 years service in superior grades ~~& in less~~ while it is very little in excess of ~~his actual~~ one 1/3 of his actual average emoluments including in that term acting allowances drawn by him when acting as Tahsildar & Deputy Tahsildar.
