No. 1155.

FROM

THE SECRETARY TO THE GOVERNMENT OF FORT ST. GEORGE.

TO

THE SECRETARY TO THE GOVERNMENT OF INDIA,
DEPARTMENT OF FINANCE AND COMMERCE.

SIR,

In the year 1878 in the revision of the Conservancy and Navigation Establishments connected with the Canals in the Kistna District, the post of Channel Superintendent was abolished. Of the men who were then Channel Superintendents some were re-employed in other capacities, but for others no suitable employment could be provided.

2. These men would ordinarily be entitled to compensation retiring allowances, but the revision effected no saving and their claim is thus barred.

3. Among these men some are declared to be physically unfit for further service, but in their case also no retiring allowance can be granted in the face of Rule I, Section 61, of the Civil Pension Code.

Government of India letter, dated 6th September 1878, No. 2753.

4. In the letter noted in the margin addressed to the Government of Bombay but circulated to all Governments and Administrations "for information and guidance," the Government of India distinctly intimated that compensation retiring allowances are not to be expected by men discharged in consequence of their being unequal to the duties required of them under a new and improved order of things.

Letter to the Government of India, dated 25th October 1877, No. 584.
Proceedings of the Government of India, Public Works Department, dated 15th December 1877, No. 1753-E-G.

This order was made known generally, but the revision now in question was effected before its receipt, and in the case which formed the subject of the correspondence noted in the margin, the Government of India sanctioned, as a special case, the grant of a compensation gratuity to one Tadimate Virauz, who had lost his appointment of Delta Superintendent in 1874 under a similar reorganization of establishments, though no saving had resulted from his removal from the service of Government.

Letter to Government of India, dated 10th July 1878, No. 293.
Letter from the Government of India, dated 21st August 1878, No. 2462.

5. In another instance, in the case of a man who on the transfer of a District Post Office to the Imperial establishment was found incompetent for the new work, the Government of India, while remarking that no compensation retiring allowance could be admitted, observed that the applicant was apparently physically unfit for further service, and expressed their willingness, on this fact being certified to in the regular manner, to recommend the grant to him of an invalid retiring allowance.

6. In view of the foregoing cases I am now directed to forward, for the favorable consideration of the Government of India, the case of Solaman Beg, who was one of the Channel Superintendents above adverted to and is certified to be physically unfit for further service of any kind.

7. Solaman Beg entered the service of Government in May 1845, and his combined superior and inferior service as at present reported amounts to twenty-nine years, ten months, and twenty-one days.

8. On the 26th June 1875 he resigned his (then) appointment of Lock Superintendent, and thus his whole service prior to that date was, strictly speaking, vitiated, but on the 19th June 1876 he was re-employed by order of the Chief Engineer, as his resignation had been practically forced upon him in consequence of his having preferred a charge of assault against the Range Officer who was convicted of the offence and fined. Under these circumstances, this Government propose, under revised Section 57 *b* of the Civil Pension Code, to condone the interruption in Solaman Beg's service and to grant him the invalid retiring allowance admissible for his verified service.

9. I am to state that it is desired to treat this as a typical case, and if the invalid retiring allowance asked for on behalf of Solaman Beg is sanctioned, I am to request that authority may be given for the grant of invalid retiring allowances to he other Channel Superintendents similarly discharged and now physically unfit for urther service. The number of these men, who having been thrown out of employment are still unprovided for, appears to be sixteen, but it is possible that they may not all be in a position to claim such invalid allowance.

I have the honor to be,
Sir,
Your most obedient servant,

FORT ST. GEORGE,
1st December 1880.

Secretary to Government.

Read the following papers :—

No. 93. Read again G.O., No. 309 I, dated 9th April 1878.

No. 93-A. From Major J. O. HASTED, R.E., Superintending Engineer, Kistna, to the Chief Engineer for Irrigation, dated Masulipatam, 24th April 1878, No. 13.

WITH reference to G.O., No. 309 I, dated 9th April 1878, I have the honor to forward, herewith, a list of the Channel Superintendents thrown out of employ on the 1st of this month.

2. Of the whole number 19, 9 are entitled by length of service to pension of one-third of their pay, the others are entitled to no pension, and the last two having been appointed with the understanding that Channel Superintendents were shortly to be done away with, have no claim whatever.

3. Before reducing these men I called for reports on their qualifications from Divisional Officers, and discussed personally with those officers the claims of each Channel Superintendent. Of the whole number* only eight† were considered fitted for such employment as I could offer them, and these men were made Maistries, Lock Superintendents, Head Lascars, and Assistant Clerk. Only three of those on the list know any English, but the younger men would do as temporary Gumastahs on works, and I have requested Divisional Officers thus to employ them.

4. I think it is not advisable to re-employ the older hands among those reduced, and would pension those who are, by length of service, entitled to pension. Among the younger men who may be employed in temporary situations, some may become qualified for permanent situations, as maistries, &c., and if so, can be provided for.

5. It is certainly hard on the men reduced to lose pay at a time when the necessaries of life are so expensive; but they have all been aware for a long time that a revision of the Conservancy Establishment was to be introduced, which would cause their reduction, and therefore the hardship is not so great as would at first sight appear. Rather than continue to employ a class of men considered to be unfit for the work entrusted to them till easier times come, I would propose to give a special compensation, say 3 months' pay, to each man who would not be re-employed in addition to the pension or gratuity that he may be entitled to, or else to allow the claim of each man to the next higher class of pension than that his service would entitle him to.

List of Channel Superintendents in Kistna District abolished consequent on the appointments of Delta Superintendents.

THE Superintending Engineer should re-employ in suitable positions all the men lately belonging to the Delta Conservancy Establishment who are fit for the work which may be available and who are willing to accept the situations offered. For those not re-employed and whose service does not entitle them to gratuity, the Superintending Engineer will propose gratuities at rates not exceeding one-half of those the rules would give to men of longer service.

ABSTRACT.

States that he served the Govt for nearly 31 years without any spot on his character & holds several good testimonials that in consequence of the very bad treatment which petr suffered at the hands of the Lieutenant Rowson the present Range officer a charge had to be preferred against that officer which resulted in his conviction with a fine of Rs 10 (Vide Calendar submitted) that being afraid of the gentleman who is very powerful in his Range, petr resigned his place under him & applied to the Dist Engineer for an appointment elsewhere.

Submitting the Extt of the Dist Engineer brings to notice that he is a poor & helpless man & prays that orders, for his restoration in a different range so as to save his large family from perishing from want of necessaries of life, may be passed.

I have the honor to forward herewith for special orders the pension application of (1) Muttum Streenivassa Row, (2) Kunnarayagada Kristniah and (3) Simhadri Reddy late channel superintendents Conservancy Establishment Kistna District

2 The Kistna Delta conservancy and Navigation establishment was revised last January and the revision approved of in G.O. No 36 I. dated 14th January 1878 - From para 2 of this G.O. it will be observed that the revision necessitated an annual increase of Rupees 57 over the Cost of the original establishment, though resulting in the dismissal of 19 channel superintendents -

3- In G.O. No 426 I dated 20th May 1878, Government ordered that the pension application of of those who could not be re-employed and who were entitled to pension should be promptly dealt with under the rules. In accordance with these instructions the District Engineer has submitted the applications under reference.

4. In section 50, rule 5, of the Civil Pension Code it is laid down that the saving effected by a reorganization should always exceed the Cost of the pension or gratuity, but in the present instance the revision of the Establishment actually caused an additional Cost of Rupees 57 annually to the state.

5 Special attention has lately been drawn by the Government of India in the Financial Department, vide proceedings of the Madras Government Public Works Department noted in the margin, and the Government of India have in strong terms deprecated the submission of applications for pension of persons discharged from the Public service on reduction of Establishment when the discharge does not result in any saving to Government.

PUBLIC WORKS DEPARTMENT.

24th October 1879, No. 2,687 W.

General.
Establishment.

Read the following papers :—

No. 50. From the Examiner of Public Works Accounts, dated 23rd October 1878, No. 325 W.

No. 50-A. From do. do. dated 4th August 1879, No. 104 W.

No. 50-B. From the Superintending Engineer, First Circle, dated 6th September 1879, No. 932 K.S.

No. 51. ORDER THEREON, 24th October 1879, No. 2,687 W.

THESE papers have reference to the claims to pension or gratuity of certain men employed as Channel Superintendents, &c., on the Conservancy Establishments of the Kistna District, who were thrown out of employ in the revision of establishments sanctioned in G.O., No. 36 I., dated 14th January 1878. In Proceedings No. 426 I., dated 20th May 1878, the Government resolved that the pension, &c., applications of such of the disestablished men as could not be re-employed and were entitled to pension should be dealt with under the rules. Pension applications have accordingly been submitted for the three Channel Superintendents marginally noted.

Muttum Streenivasa Row.
Kumarayugada Krishniah.
Simhudri Reddi.

2. With reference to these applications the Examiner, Public Works Accounts, brings* to notice that under Section 59, Rule 6 of the 4th edition of the Civil Pension Code, the claims to pension are inadmissible, inasmuch as the revision of the establishment resulted in no saving to Government, but actually caused an additional cost of Rupees 57 annually to the State.

* *Vide* his letter No. 325 W. of 23rd October 1878.

3. But His Grace the Governor in Council agrees with the Superintending Engineer in considering this rule inapplicable to the men in question, inasmuch as they have been declared by medical authority to be physically unfit for further service, and would therefore have been entitled to pension independently of the revision of establishment.

4. Under these circumstances the Examiner is authorised to deal with these applications in the ordinary course, provided that they are all supported by the requisite medical certificates.

5. The cases of the other thirteen men who were thrown out of employ, and whom the Superintending Engineer describes as unfit for further service of any kind, should be similarly dealt with, and a pension or gratuity granted them according to each man's service in the department.

The applicant was pronounced unfit for further service only on the 2 April 1880, while he was relieved of his duties on retirement on the 31 March 1878. The circumstances that led to the Medical Certificate submitted on behalf of the applicant bearing a later date are as follow:—

Government in their order P.W.D. No. 426 I. dated 20 May 1878 (Copy attached) directed the revision of the Conservancy Establishments of the Kistna District in which the Services of the applicant along with others were dispensed with on reduction of Establishment. As the revision of the Establishment resulted in an annual increase of Rs. 57 over the original Cost of Conservancy Establishment, this office in letter No. 325 W. dated 2d October 1880 (Copy attached) pointed out that under the ruling contained in Section 58 rule 5 (now Section 59 rule 6, 4th Edition, Civil Pension Code) no compensation could be granted to retiring incumbents. In their order No. 2687W dated 24th October 1879 (copy attached) Government ruled that the applicants

Countersigned with the following remarks: It will be seen from the remarks of the Examiner P.W. Accounts on the 2nd page of the application that the applicant's services were dispensed with from 1st April 1878 on reduction of Establishment. As the revision of Establishment resulted in additional expense instead of in a clear saving to Government, as required by the provisions of rule 6 Section 59 of the C.P.C. the applicant cannot be granted a Compensation Gratuity. Further the applicant in support of his application for Gratuity produces a Med. Certificate post dated to the extent of nearly 2 years, he having retired on the 1st April 1878 while the Certificate is dated the 2nd April 1880. His discharge on the 1st April 1878, not being due to incapacity for Public Service, the applicant cannot be allowed an Invalid Gratuity although he produced medical evidence of his unfitness for further Service - Vide rule 1 Section 61 of the Code.

Should Government however be pleased to grant to the applicant any Gratuity for his services extending over a period of 1 year, it is respectfully pointed out that the grant of such Gratuity should be subject to confirmation by the Government of India in the Financial Department.

In 78 a revised Scale of Conservancy & Navigation estab:lishments was introduced into the District Delta from the 1st April in that year the services of Selim a Bey were dispensed with as the appointments of Channel Supt. of which he held were then abolished.

The soldiers were not considered fit for any of the work available and the P.W.D. G.O. 20th May 78 Nos 424/5 ordered them to be pensioned.

The Examiner pointed out that compensation retiring allowances could not be granted as the revision resulted in no saving. It was then (P.W.D. G.O. 26 Oct. 79 No 2687 W) ruled that in the case of men certified to be unfit

the rule is inapplicable. Rule 1. § 61 of the Pension Code appears to have been overlooked. But in one case the Govt. of India allowed a man who had been in the Brit. Post (but had been removed by the Imperial Dep. on its taking over his Post office as incompetent for their work) to be granted a pension subject to reference to the Sec. of State.

In another case also they allowed a man who had been

Pension DEPARTMENT.

No. 1155

To

The Secretary to the Government
of India,
DEPARTMENT. of F&C.

Sir,

In the year 1878 in the revision of the conservancy and Navigation establishments connected with the Canals in the ~~Godavari and~~ Kistna districts ~~and~~ the post of Channel Superintendent was abolished. Of the men who were then Channel Supts. some were re-employed in other capacities, but for others no suitable employment could be provided

2. These men would ordinarily be entitled to Compensation retiring allowances but the revision effected no saving and their claim is thus barred.

3. Among these men some are declared to be physically unfit for further service but in their case also no retiring allowance can be granted in the face of Rule 1 Section 61 of the Civil Pension Code.

4. In the letter noted in the margin addressed to the Govt. of Bombay but circulated to all Govts. and Administrations "for information and guidance," the Govt. of India distinctly intimated that Compensation retiring allowances are not to be expected by men discharged in consequence of their being unequal to the duties required of them under a new and improved order of things.

Govt. of India letter dated 6th Septr. 1878 No. 2753

This order was made known generally but the revision now in question was effected before its receipt and

and in the case which formed the subject of the correspondence noted in the margin the Govt of India sanctioned as a special case the grant of a compensation gratuity to one Jadmati Dvanz who had lost his appointment of Delta Superintendent in/74 under a similar reorganization of establishment though no saving had resulted from his removal from the service of Govt.

Letter to the Govt of India dated 25th October 1877- No. 584.-
Pros: of the Govt. of India Pub. W. Departt dated 15 Decr 1877 No. 1753 E.G.

5. In ~~a~~ another instance in the case of a man who on the transfer of a.

a District Post office to the Imperial establishment was found incompetent for the new work the Govt of India while remarking that no compensation retiring allowance could be admitted observed that the applicant was apparently physically unfit for further service and expressed their willingness on this fact being certified to in the regular manner, to recommend the grant to him of an invalid retiring allowance

Letter to Govt of India dated 10th July 1878 No. 293
Letter from the Govt of India dated 21st Augt 1878 No. 2462

6.

6. In view of the foregoing cases I am now directed to forward for the favourable consideration of the Govt of India the case Soloman Beg who was one of the Channel Superintendents above adverted to & is certified to be physically unfit for further service of any kind.

7. Soloman Beg entered the service of Govt in May/45 and his combined superior and inferior service amounts to Yrs Ms Ds 29-10-21 which would

ordinarily

Note
+ We have some
doubts as to it
as he resigned the
service was not
considered qualifying
+ was in consequence
&

ordinarily entitle him to an invalid.

8. On the 26 June/75 he resigned his (then) appointment of Lock Superintendent and thus his whole service prior to that date was, strictly speaking, vitiated, but on the 18 June 1876 he was re-employed by order of the Chief Engineer as his resignation had been practically + forced upon him in consequence of his having preferred a charge of assault against the range officer.

X

officer who was convicted of the offence and fined. Under these circumstances this Govt propose under revised Section 546 of the Civil Pension Code to condone the interruption in Solomon Beg's Service which thus amounts to 28-1-9. as stated above.

9. I am to state that it is desired to treat this as a typical case and if the invalid retiring allowance asked for on behalf of Solomon Beg is sanctioned

I

allowance

45 5

I am to request that authority may be given for the grant of invalid retiring allowances to the other Channel Sepoys similarly discharged and now physically unfit for further Service. The number of these men, who having been thrown out of employment are still unprovided for, appears to be sixteen but it is possible that they may not all be in a position to claim such invalid allowance.
