Certified that I have carefully examined Cangeevarum Aroonachalla Mudaly son of Cangeevarum Mooneapah Mudaly late Overseer Chendrghery Talug in the District of North Arcot. His age is by his own statement 49 years and by appearance about 49 years. I consider Cangeevarum Aroonachalla Mudaly to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs in consequence of premature old age, Enlargement of Testes and Defective vision. His incapacity does not appear to me to have been caused by irregular or intemperate habits.

Copy of letter from the Examiner P W Accounts to the Superintending Engineer, 3d Circle, No. 633.SE3. dated 21st October 1879.

In returning the pension papers of Arconachella Mudaliar, Overseer 3d grade, received with your letter No. 5968 of the 10th Instant, I have the honor to request that you will furnish this Office with information on the following points:-

(1) Whether the Services of the applicant as detailed in the application for the period from 1st May 1856 to 30th April 1857 can be verified from the records of the Divisional or District Offices.

(2) The audit Registers of this Office show that full pay was drawn for the applicant for the period from 6th August to 20th September 1868 while according to the History of Service of the application he is shown to have been on sick leave on moiety of pay during that period. The Circumstances under which full pay was drawn should be fully explained.

(3) The applicant was under suspension with effect from 15th June 1869 and not 16th June 1869

as stated in the application.

(4) The applicant is shown to have returned from furlough on the 9th September 1875 and not 6th September 1875 as stated in the application.

2. According to the entries in column 8 of the service book, the applicant's connection with the Department appears to have terminated on the acceptance of his resignation of appointment. Under Section 66 of the Civil Pension Code, resignation of the public Service entails forfeiture of past Service, and it is therefore not understood under what circumstances an application for pension has been submitted.

3. It should also be explained why the Medical Certificate pronouncing the applicant unfit for further Service is dated the 26th July 1879, i.e. more than a month and a half subsequent to the date (9th June 1879) on which he was finally relieved of his duties.

4. The column (11) "Reason of termination" &ca in the Service book has not been given in some cases, and the signature of the applicant required in column 7 has been omitted in others.

Copy of letter from the Superintending Engineer, 3d Circle, to the Chief Engineer P. W. Department No. 6007. dated 11th October 1879.

With reference to this office letter No. 3675 dated 21st June 1879, reporting that Overseer C. Aroonachella Mudeli had resigned his appointment, I have the honor to inform you that, that report was based on one received from the Executive Engineer.

2. The Overseer, subsequently, as stated in my No. 3942 dated 5th July 1879, having petitioned me on the subject and brought to my notice that he had applied for permission to *retire* from the service on account of old age and infirmity and that this application was construed by the Executive Engineer into a *resignation* of his appointment, I called for and perused the whole of the correspondence on the subject and I am convinced that the Executive Engineer's interpretation of the Overseer's application to resign is altogether erroneous. I have therefore accepted the Overseer's application to retire from the service and have accordingly forwarded to the Examiner the necessary papers for his Pension.

With reference to your letter No. 6335 E 3rd dated 21st October 1879. I have the honor to retransmit for early disposal the pension application and the Service Book of Conjeveram Arnachella Mudaliar after revising it with reference to your remarks conveyed in paras I. 3 and 4 of and IV of the above letter.

2 As regards the explanation required in paras II and III of your letter under reply the enclosed copies of correspondence will, I trust be sufficient to dispose of it.

3. With reference to para I, the services of the applicant as detailed in the application for the period from 1st May 1856 to 30th April 1857 can be verified from an old service book of North Arcot District D.P.W. which is now in the records of this office.

4. The circumstances under which the applicant drew full pay during 6th August to 20th September 1868 while on sick leave cannot be traced out from the records of the Chingleput Division where he was then employed, but as the Audit Registers of your Office shew that full pay was drawn for the applicant for the period in question without any remark the entry in the History of Service must have been wrong. I conclude that the Overseer should have been on Privilege leave and the necessary alteration has been made in the application

Copy of a letter from the Examiner Public Works Accounts to the Superintending Engineer 2d Circle No 205/S.E. 2d dated 11th June 1880.

In returning herewith, the pension application and service book of retired overseer C. Aroonachella Mudaliar of the North Arcot District received with letter from the Superintending Engineer of the late 3d Circle No 1280 dated 13th March 1880. I have the honor to request that you will be good enough to retransmit the same duly modified with information as to the following points.

(1) Whether the appointment of maistry held by the applicant from 1st May 1856 to 31st January 1857 was permanent or temporary and if the former, the circumstance under

which the period has been elapsed as now qualifying in the history of service of the application should be explained. Copy of the orders of Government or other authority according sanction to the entertainment of the Establishment in which the applicant was employed as a Maistry, should if possible be furnished.

(2) The applicant is shewn in the History of services of the application, to have been on sick leave from 11th June to 20th June 1870, whereas no trace of this, can be found in the Audit registers of this Office. The circumstances under which a sum of Rupees 50/- only is shewn in the Audit registers to have been drawn for the applicant for September 1870, should be ascertained and reported to this Office.

(3) As the applicant was absent without leave from 10th February to 15th March 1879, his services prior to that date, do not count for pension or gratuity unless the Local Government commute the absence in question into leave without allowances under the ruling contained in rule 6 Section 52 of the Civil Pension Code

(4) The several descriptions of leave &ca availed of by the applicant during the entire period of his service should be entered in the Service book, and attested by the head of Office.

Copy of letter from the Executive Engineer, North Arcot Division to the Superintending Engineer, 2nd Circle (Coimbatore) No. 2160. dated 27th August 1880.

In continuation of my letter No. 2040 dated 16th instant, I have the honor to return the Pension Papers of C. Arronachella Moodaliar late Overseer in the late Chittur Division received with the Examiner's No. 205 of 11th June 1880 communicated with your No. $\frac{1086}{N.A}$ of 12th idem, and to furnish information as follows on the several points therein contained.

Enclosures 3.
1 Examiner's letter
1 Service Book
1 Application for Pension

I. The appointment of maistry held by the Applicant from 1st May 1856 to 31st January 1857 was, only temporary.

II. The records of this Division clearly show that the applicant was on sick leave from 11th to 20th June 1870, and was paid for that month Rs. 50/ while for September he had received Rs. 60/ in full. It is not known to me how the Audit Registers in the Examiner's office Rs. 50/ is shown to have been received by him for that month.

III. The applicant states, that he had not been absent without leave from 10th Feby: to 15th March 1879; but that he had produced a medical Certificate for the period and that instead of treating him as on privilege leave, he was allowed no pay.

On

In No. 2268.

On referring to the Correspondence connected with the question, I find that the matter had been fully detailed to the Superintending Engineer, late 3d Circle, by Mr. Vincent in his No. 94. dated 1st March 1879, and ended in the reduction of applicant from 2d to 3d grade, vide Superintending Engineer's letter No. 1193. dated 8th Idem. As under the rules the applicant forfeits all claim to pension, I consider that the reduction made by the Superintending Engineer is a sufficient punishment and that an application should be made to Government to commute the period of absence without leave into leave without allowances.

No. 726. D/ 31st August 1880.

Copy forwarded to the Examiner, P.W. Accounts, with reference to his letter No. 205. S.E. 2nd. dated 11th June 1880.

Copy of letter No. 94. dated 1st March 1879 from the late Chittur Division Officer and of the order of the late Major Wood, R.E. Superintending Engineer, 3d Circle, thereon reducing the Overseer from 2d to 3d grade referred to by Captain Campbell are herewith forwarded for disposal.

From the remarks of Major Vibart R.E. late Superintending Engineer, 3d Circle, entered in the 4th page of the application it would appear that the applicant bore an excellent character for a continuous period of 26 out of 29 years long service and that he has therefore been favorably recommended for his pension.

Considering this and the punishment of reduction which the applicant already suffered for having absented himself without leave. I recommend that his absence from 10th Feby 1879 to 15th March 1879 may be converted into leave without pay.

In C No 2268.

Copy of letter from the Executive Engineer, Chittur Division, to the Superintending Engineer, 3rd Circle, No 94 dated 1st March ~~1880~~ 1879.

I have the honor to bring the following facts to your notice, as regards the conduct of 2nd grade Overseer Aroonachella Mudaliar attached to the Chendragherry Talug of this Division.

The Overseer having been transferred to the Chendragherry from the Arcot Talug, joined the former on the 23rd January 1879, and on the 28th January he sent in an application for 2 months privilege leave, supported by a Medical Certificate, signed by the Hospital Assistant at Tirupathy, certifying that he was suffering from fever, and required 14 or 20 days to recover. Upon this the Overseer was told to send in his application on the prescribed form, and in the meantime, the Sub-Division Officer had given him leave to change his head quarters from Tirupathy to Tritany, the latter being supposed to be more healthy. From Tritany it would ~~be~~ appear that the Overseer absented himself from his duty, without having obtained leave from any of his Superior Officers, and proceeded to Madras, whence he

wrote

wrote on February 14th and said that he was under treatment as an out-patient in the 'Choolay' hospital, whatever that may be. On February 17th he obtained a Certificate signed by Dr Ratton in Madras, to the effect, that "he should receive further permission to be absent till March 17th," yet with this in his possession, he writes on February 18th from Tritany inclosing his Service book which I had called for: Again on the 19th February he writes from Conjeveram, which is his native place, and where he has property, and in his letter he states that he intends to go to Madras in a day or two to enjoy the Sea breeze. On the 18th February, I directed the Sub-Division Officer to inform the Overseer that pending a result of a report on his conduct he would be considered as on leave without pay. So the matter stands at present. To sum up, the Overseer sends in a Medical Certificate and (a change of station, absents himself from it without leave obtains afterwards obtains, a further Certificate in Madras, returns to his station for a day and again goes off. Little that I can say could add to this summary.

2. If this were the first offence which the Overseer had committed, or if it were to be supposed that he had erred through ignorance, a reprimand or a fine might perhaps be considered sufficient punishment, but I have had some experience of the Overseer. He was under me for more than 2 years in the old Vellore Range, and during that period was twice fined and reprimanded times without number. I regret that I cannot say less, than that I know him to be inefficient and believe him to be insubordinate, and as such I must request that for the present offence he may be made an example of. I do not consider that dismissal would be too severe a punishment, but he should at any rate be reduced and put out of employ for a period

3. I would further point out the extreme inconvenience experienced from the habit which obtains, of subordinates asking for a few days Casual or Sick leave, going to Madras and then sending in a further Certificate signed by a Medical Officer there.

If I am not mistaken, this is directly opposed to the express orders of Government, which states that, a subordinate should if necessary, obtain a further Certificate from the Zillah Surgeon of his District and not one from a Presidency Doctor. In the present instance I was about to order the overseer into Chittur to appear before the Zillah Surgeon, when I heard of his absence, so that Doctor Ratton in Madras had only a Hospital Assistant's Certificate to to go on originally in recommending an extension of leave.

To The Divisional Officer
Chittur.

His No. 94 dated 1st March 1879.

The Superintending Engineer has the honor to inform the Executive Engineer, Chittore Division, that C. Aroonachellum Mudali is reduced from Overseer 2d Grade to Overseer 3d Grade from date of his absenting himself from Tritany without leave. To be reported

2 The overseer should be informed that he will be dismissed if any report whatever is received against him within six months from the date of his reduction to Overseer 3d Grade.

During the short period that I was in charge of the Chingleput Range I observed that the Head Accountant Rajah gopal Moodly was exceedingly attentive to his duties, he frequently attended office at day break and quitted his desk long after sunset, this over work is entirely too much for any man let alone one of his age and service, I believe him to be thoroughly honest and non interfering with Contractors and others in the Range, this (singular) trait in his character is deserving of particular mention, He holds very good testimonials and I have no doubt deserves all the praise bestowed on him		31 Jany 1879	Transfer.	
V. Rajagopaul Moodly served as accountant of the Chingleput Range for nearly the whole of the three and a half years during which I have had charge of it. He is a pains taking industrious man and has done his best to keep the work of the office up to the proper standard and to date But he has not always succeeded in doing this owing to the quantity of it to be done to which the office establishment is unequal. I consider Rajagopal a trust=worthy honest man	R Lowry Exe Engineer 3rd Jany 1876			R Lowry Exe Engineer

Copy of letter from the Accountant General to the Government of Madras, to the Examiner P.W. Accts Madras ~~No~~ No $\frac{\text{IAE}}{300}$ of 24th September 1880

With reference to your letter No 528 R dated the 10th August 1880, and in continuation of my No $\frac{\text{IAE}}{249}$ dated the 23rd Idem, I have the honor to state that the Services of Mr R. Rozario as Famine Auditor in the Dharmavaram Taluk, Bellary District, from 1st January to 13th July, and from 13th September to 3rd October 1878 on pay of Rupees 100 per mensem, have been verified partly from Bills and partly from the Audit Registers on record in this office and found to be correct.

2 Mr R. Rozario's Services for the period prior to 1st January 1878 are not recorded in the Famine Department Register for the year 1877-78. From 14th to 16th July 1878, he is shown to have drawn transit pay at Rupees 50 per mensem

3 During the periods specified above, Mr Rozario was not absent on leave of any description

4 The Collector of Bellary who was asked to verify Mr. Rozario's services in the Famine Department having expressed his inability to do this, Bills had to be procured from the record Department of this office. Hence the delay in the disposal of your letter under acknowledgement

Copy of letter from the Examiner Public Works Accounts, Madras, to the Secretary to Government, Public Works Department, No. 264 W. dated 29th January 1880-

With reference to G. O. No. 2865 W, dated 13th November 1879, in which it has been decided by Government that Chapter XX Section III (apparently Section 111 is intended) of the Civil Pension Code does not bar the employment by Local Fund Boards of pensioners reduced from the Public Works Department under recent orders, I have the honor to submit the following remarks for consideration and further orders.

2. The ruling contained in Section 111 Civil Pension Code apparently refers only to persons voluntarily quitting the service on Retiring ~~Service~~ Pensions, and cannot therefore it is thought, be held to apply to the officers and subordinates recently retired on reduction of Establishment on Compensation Pension. These officers and subordinates clearly seem to come under the operation of the rule in Section 107 of the same chapter, and with reference to this ruling they can draw pay on re-employment by Local Fund Boards in addition to their pensions, provided the sum total

does not exceed the pay they were in receipt of before retirement.

3. Doubts also exist on the following points, regarding which the views of the Government in the Pension Department, and if necessary the orders of the Government of India, should be obtained, for the guidance of this office.

I With reference to Government of India A/c Resolution No. 2620-2641 E.G. dated 21st November 1879, whether the retiring bonus of an officer admissible under Government of India Resolution No. 2079, dated 31st July 1879, is payable to him on his obtaining immediate employment under a Local Fund Board.

II. Whether an officer permitted to retire under the terms of Government of India's Resolution quoted above, and who takes up an employment under a Local Fund Board, can contribute for pension under sections 45 and 46 of the Civil Pension Code.

III. Whether service on the newly constituted Local Fund Establishment is qualifying for pension, vide Section 39 of the Civil Pension Code.

4. The favor of early orders is requested.

With reference to your endorsement No. 832. W.C. dated 21st August 1880 on letter from the Examiner P.W. Accounts, No 434 I.E.2o dated 17th Idem, I have the honor to inform you that from enquiries made on the subject, I find that A.B. Monteiro was appointed on 24th July 1874 as acting Overseer's Writer, Mangalore Town vice Joseph Sequeira the permanent incumbent on sick leave and that he was subsequently confirmed on 1st December 1874 on Sequeira resigning his appointment

2. Sequeira has not counted his service for the period in question viz: 24th July to 30th November 1874 though he appears to have drawn a moiety of the salary or Rs. 7/2.

2. As this applicant has since been appointed as an Overseer's Writer (Vide this office arrival return for July 1880). I think his application for gratuity is not necessary. The applicant was relieved of his duties on the afternoon of 31st January 1880 and was re-appointed on the forenoon of 1st July 1880 and thus there is a clear break of 5 months in his service.

The measure was brought about thus a Contractor (whom the Overseer and a Bramin connected with the Conjeeveram people) brought a number of charges against the Overseer and it is much to be regretted, he was not confronted with his accusers when the investigation were made which would have enabled him to exonerate himself. His removal had been previously determined upon and he was transferred to North Arcot District. He was suspended from 15 June 1869 up to the time he joined his new charge. The Overseer's health suffered so severely (parlysis of the bough) about the time all the troubles came upon him. Remarks by Examiner, P. W. Accounts.

Verified from the Audit Registers of this office and found correct. In the gratuity application and service book the applicant is shewn to have been appointed on the 2nd August 1875, while in the Audit registers of this office he appears to have drawn pay only from the 3rd idem. But as this difference will in no way affect the amount of gratuity to which the applicant is shown to be entitled under the rules, the service book and gratuity application were not returned to the Superintending Engineer for correction and retransmission

The applicants services were dispensed with on 29th February 1880 owing to general reduction of Establishment in the Public Works Department

× The applicant obtained good characters from 1850 to 1876 – from 11 of his Superiors, that is all those officers under whom he served during the 26 years –

✱ The matter of his suspension & transfer is clearly explained by Mr. Sub Engineer Oltmann. – vide Mr. O's remarks dated 20 Jan 1871 –

⊕ at the time of his transfer he was recommended for promotion – as was the case under several previous Officers

⚹ The matter of the suspension is gone into, in considerable detail in the Service Register & I am therefore quite at a loss to understand Mr. Vincent's remark under this head.

⊕ I cannot concur with Mr. Vincent – The Overseer was nearly 29 years in the Service – during 26 of which he earned excellent character. During the last 3 years he was not so fortunate – He was an Overseer of the old School & it is quite possible that he could not readily fall in with the requirements of an Overseer of the present day – I recommend that he should receive the pension to which I consider he is justly entitled – by his long service –

Remarks by Head of Office.

1. As to character and past conduct of applicant. The Overseers Character and Conduct are rather chequered. × Entertained in 1850 he earned very high testimonials till 1869 when he was suspended ✱ on account of a Criminal charge and transferred. His Service register says he was not guilty of this charge. His high testimonials continue up to 1875 though in 1875 he was transferred from Chittoor to Arcot ⊕ Taluq. Since 1876 he has been once fined for keeping a head Cooly at work in his house (which entry is not in the Service Register but may be verified in the Examiner's Office) once fined for Impertinence and once reduced for absence without leave.

2. Explanation of any suspension or degradation. The Service Register does not state the result of the Suspension beyond that the Overseer was transferred; his degradation was for the reason above stated. ⚹

3. Explanation regarding any gratuity or pension already received by applicant, See Chapter XX. ... ...* None.

4. Explanation under Section 59, Rule 1, so far as the Head of the Office can give it ... ...† Application for retirement on Medical Certificate

⊕

5. Any other remarks. The Overseer applies for pension but the undersigned thinks that at most a gratuity should be awarded taking into consideration his own experience of the past conduct of the applicant who has been under the undersigned for the last 3 years and whose behaviour has been throughout that period most unsatisfactory, insubordinate personally, and inefficient professionally."

Signature of Head of Office.

* If the Applicant has received any gratuity or pension, here state the amount of gratuity or pension granted, and the authority under which sanctioned, and whether on re-employment the gratuity has or has not been refunded and the pension ceased to be drawn.

† If the applicant is recommended for a pension or gratuity as compensation for abolition of office, state here for what reasons it was found impossible to provide other suitable employment for the applicant and whether by the abolition of the appointment, a real saving to Government in respect to the cost of the abolished appointment has been produced. Vide Rules 1 and 5, Section 50 of the Civil Pension Code.
