Information to be entered in column 4, page 5 of the gratuity application of Clerk C. Appiah Naidoo.-

The new scale allows no clerks for Overseers; and there has been a great reduction of Establishment in the Reorganization of the Department; hence it was found impossible to provide the applicant with suitable employment. A saving of Rs 15 has accrued to Government by the abolition of the applicants appointment.

The return of the documents to the Superintending Engineer to supply the omission was considered unnecessary as only delaying the submission of the papers for the orders of Government. The Applicants' Services were dispensed with on the afternoon of the 29th February 1880, owing to general reduction of establishments in the Public Works Department.

According to the entries in the Audit Registers of this office, the applicant appears to have been employed as Temporary Writer on a salary of Rs 15/ per mensem with affect from the 25th May 1870 to 31st August 1870 and not on half pay at Rs 7½/ from 25th May 1870 to 31st May 1870 and then on full pay from 1st June 1870 to 31st August 1870 as shewn in the service Book and the pension application. But as this difference does not in any way affect the amount of pension he appears to be entitled to, the return of the documents in question for necessary correction and retransmission was considered unnecessary as only delaying the submission of his case for the orders of Government.
