* In the Public Works Department, periods of service should be verified by the Examiner P. W. Accounts, Section 84 Rule 2. If the service claimed cannot be wholly verified from the records of the Accounts Office, reference should be made to the Heads of the Offices in which the applicant states he served during the period in doubt. Section 84 Rule 4; and if verification from this source be not practicable, the applicant must furnish an affidavit on plain paper accompanied by such collateral evidence as may be procurable, e.g., official certificates and the evidence of contemporary employees. Section 84 Rule 5. If the latter course be adopted the application must invariably record his own opinion whether the service claimed has been established and should be admitted or not. Verified from the Audit Register of this Office and found correct.

From the Audit Register of this Office and the Records in the Divisional Office it would appear that sums to the extent of Rs. 30/ 25 and

25/ were stopped from the Applicant's pay for the months of October, November and December 1865 respectively but no reasons for these stoppage can be traced (vide Executive Engineer, West Coast No. 54. dated 23rd September 1860 (copy herewith)). The whole period (three months) has been treated as qualifying but it should be noted that the conclusion of any portion of this period will in no way affect the amount of pension admissible to the Applicant.
