ORDER THEREON, 17th February 1880, No. 116.

In January 1877 Kasturi Cannusawmy Pillai, a First-class Vaccinator working in Trichinopoly, was directed to proceed to another taluk. With this order he failed to comply reporting that he was unwell, and on the 23rd of the month the Civil Surgeon certified to his unfitness for further service.

2. The President of the Local Fund Board then dismissed him for disobedience of orders, but the Government considered his dismissal a harsh measure and directed that,* if not fit for work, he should be pensioned.

3. The Accountant-General is of opinion that no retiring allowance is admissible to K. THE undersigned has the honor to enquire

1. Why in the annual return submitted to this Office for the year 1862 the applicants name was shewn as Kundasawmy Pillay in the place of Cannusami Pillai as exhibited in the register of application
2. What was the reason for procuring on the 23d January 1877 a Medical Certificate declaring the applicant as unfit for further service, when he appears to have been removed from the service on 1 January 1877.
3. What was the cause of delay in submitting this application until 13 December last when the Government Order resolving that the applicant should be pensioned for his past services is dated 27th February 1878.
4. From what records the Inspector of Vaccination has verified the applicants services.
5. From what date the applicants pay was charged to Local Funds.

The Medical certificate forwarded in support of the above application is not at all in the form prescribed in Section 53 of the Civil Pension Code.

The

The certificate is returned therefore with a request that it may be revised and resubmitted to this Office with as little delay as possible

Please forward to this Office copies of the correspondence that may be on your Office records in connection with the applicant's dismissal from the service on the 31st December 1876 together with the copy of Government Order deciding that he should be pensioned for his past services.

The applicant's service book is herewith returned in view to the closing entry thereof being attested by the President of the Local Fund Board and the Book retransmitted to this Office at an early date accompanied by a Certificate to the effect that the amount of Rs 12-2-5 shewn in the register of application as the average pay of the applicant from 1st June to 31 December 1876 has been carefully verified from the acquittance Rolls kept in the Office

of Vaccination of the District (Copy of the Dy Inspector's letter is herein enclosed).

2 ... The Vaccinator Cannusawmy was transferred from Trichinopoly to Perambalur Taluq by an order dated 1st January 1877. He disobeyed the order and remained quiet till the 9th on the plea of sickness purposely to evade going to his new station. From the 9th Idem, he was under Medical treatment for general debility. He made a report to this fact to the Dy Inspector of Vaccination on the very date and also stated that no other Taluq would suite his health but Trichinopoly. On this disobedience of order he was placed

placed under suspension and was called on to give his explanation for such disobedience. The Dy Inspector of Vaccination states that he had an occasion to visit the Civil Surgeon Dr. King and explained to him about the Conduct of the Vaccinator and the reason why he came to the Hospital for treatment at his own accord. The Civil Surgeon believing that the Vaccinator was malingering discharged him from the Hospital and a certificate to the effect was granted him. On a further request made by the Vaccinator a fresh certificate was granted on the 23d January 1877. This is the very certificate alluded
to

to in para 2. The explanation given by the Vaccinator for his disobedience of orders was very vague and unsatisfactory and there was also another charge proved against him. Under these circumstances, he was first suspended from 1st January 1877 and then dismissed from the Service by the President Local Fund Board.

3.... That some delay was necessarily required in verifying the Services of the Vaccinator through the Inspector and Dy Inspector of Vaccination and also to find out references to corroborate the entries made in the Service Book.

4..... The Inspector of Vaccination has verified the Services of the Vaccinator from the records kept in his office.

5... The applicant's pay was charged to Local Funds since the operation
of

of the Local Fund Act (IV of 1871) Viz 1st April 1871. As regards the Medical certificate the present Civil Surgeon says that he is unable to change the original one as it was issued some 2 years ago and besides that the certificate now required embraces more provisions than that under reference. A copy of the Civil Surgeon's letter is herein enclosed together with the original certificate.

6 — Copies of the Correspondence and a copy of G.O. deciding that the Vaccinator should be pensioned for his past services are herein enclosed.

7 — The Service Book of the Vaccinator is herewith retransmitted, the closing entry thereof being attested and that the sum of Rs 12-2-5 shown in the register of application as the average pay of the Vaccinator from 1st June to 31st December 1876 is correct.

Sir.

I humbly beg to bring to your honor's notice that the 1st Class Vaccinator Cammasawmy Pillai No. 34 attached to Trichinopoly Taluq was on the 2d. January 1877 No. 606 ordered to proceed to Perambalur Taluq and do duty there, as a first class Vaccinator was required for that Taluq according to the new System which was brought into force from the 1st January 1877 as directed in the Local Board's Proceedings dated 29th November 1876

to

2 . . . . The Vaccinator above referred to, submitted to me a report on the 9th Instant, stating that no other Taluq than the Town of Trichinopoly where he has been so long employed will agree to his constitution and that he will hereafter present himself at the Hospital for treatment.

3 . . . . I humbly beg to report that this Vaccinator was employed in this Taluq (Trichinopoly) for about 3 years and the records show plainly that he was all along turning out very small amount of work which appears to be attributable to his laziness.

4 . . . The Vaccinator above alluded to did no work nor submitted any return up to 9th on which I suppose he has attended the Hospital for treatment. As it is clear from the above facts that the said vaccinator has disobeyed my orders I beg to say that the Inspector of Vaccination has directed me to report the matter to your honor, so that the Vaccinator in question may be sufficiently punished for the "disobedience of orders".

Sir,

In obedience to your honor's Proceedings No. 37 dated 23d January 1877 directing me to suspend 1st Class Vaccinator Cammasawmy No. 34 for disobedience of Orders, I respectfully beg to state that I have placed him under suspension and called on him for an explanation which he furnished to me on the 30 Instant. The explanation together with a translation I beg to enclose herein for your honors favourable perusal

to

2 ...... In his explanation he states that he received his orders of removal on the 3d Instant, that as he was then sick it took 3 days for him to know the purport of the order which was in English and on the 9th he placed himself under Medical treatment at the Hospital. I beg to say that the Vaccinator should have placed himself under medical treatment at once had he been really sick as the standing rules of the Department are such that no report of sickness should be admissible without the production of a medical certificate or the Vaccinators will undergo forfeiture of salary for the days on which no work was performed, Such

President

Such non-performance of work being attributable to "negligence and idleness", while this order is clearly known to the Vaccinator, he appears to have apparently disobeyed my orders and has evidently done no work from the 1st to 9th January 1877 nor any report of his whereabouts was communicated to me up to the said date. He wrote a petition against me on the 8th to the Inspector of Vaccination Madras Presidency stating that I had unreasonably removed him to Perambalur and that his removal order may be cancelled. The Inspector of Vaccination being fully aware of the conduct of Vaccinator Cannaswamy No. 34 passed such orders on his petition as he deserves, a copy of which I beg to enclose herein for your honor's perusal

to

from the Register of Vaccination it is evident that the Vaccinator has done no work from 1st to 9th and that there is nothing to show that he was actually sick.

3 . . . I beg to say that the Vaccinator sent me a Medical certificate on the 20. Instant from which it appeared that he was admitted into the Hospital on the 9. Instant and treated for general debility

4 – On said Instant, while I had an opportunity of paying my visits to the Civil Surgeon, I represented to him that the Vaccinator had disobeyed the orders issued to him and attends the Hospital as an excuse and as the vaccinator was suffering from no sickness in fact except general debility as stated above

President

he was ordered to be discharged at once from the Hospital. But the Vaccinator begged the Civil Surgeon to grant him a certificate stating that he is unfit for further service as he had completed his service for pension and that he does not like to continue any more in the Department owing to the ill health which the Civil Surgeon admitted and granted a certificate accordingly. I cannot but admit this to be true but the Vaccinator has evidently exceeded his duty as a subordinate. I cannot find any reason to show how the Vaccinator became so sick as soon as he was removed from Trichinopoly to another Taluq

where

to

where his Services were indispensably required.

5. . . . . Under these circumstances, I earnestly beg to leave the whole matter for your honor's favourable consideration and pass such orders as the vaccinator may deserve.

The Vaccinator has been most inefficient in his work for some time, he has been guilty of disobedience of orders and it also appeared in connection with another case that he has been instigating other Vaccinators to write false complaints against the Superintendent. Sir

With reference to the endorsement of Government on petition No: 3070 of 1877 Dt 27 November 1877, calling for a report in connection with the dismissal of the late 1st Class Vaccinator Ramasami Pillai I have the honor to report as follows.

2 . . . . When the revised vaccination rules sanctioned in G. Or.: 1591 Dt 2d Septr. 1876 were brought into force in this circle, it was resolved by the Local Fund Board that one 1st Class Vaccinator and 2 2d Class Vaccinators should be posted to each Taluq. The petitioner was transferred from Trichinopoly Taluq, where he had been for 3 years,

to

[illegible]

to Perambalur Taluq where Small-pox was prevalent at the time, by the Dy Inspector on January 1st 1877. He admits having received the order on the 3d, but states that he was so unable that he could not understand the purport of ~~the letter~~ it till the 9th when he went to the Hospital for treatment. His excuse is certainly groundless and he was in reality only anxious to avoid being sent away from Trichinopoly. He was therefore dismissed from the Service. It was afterwards stated in an enquiry into a petition against the Deputy Inspector, that the present petitioner had assisted in getting up a false petition against that Officer. On his appeal to me regarding pension I had no reason to modify the order of dismissal.

The President's attention is drawn to the certificate of Cannusawmy Pillai and to the apparent harshness of dismissing a man for not complying with orders when prevented by sickness. The Government however will leave the decision with the President and the Local Fund Board. If it is still considered desirable not to retain Cannusawmy Pillai in the service of Govt. the President will submit his papers for pension in the proper department.

CERTIFICATE AND REPORT OF ACCOUNTANT GENERAL.

CERTIFIED that ~~(subject to the remarks below recorded)~~ qualifying service in {~~inferior~~ / superior} grades has been duly proved for 21 years 2 months and 2 days but that no retiring allowance would seem to be admissible under the provisions of the Civil Pension Code as the applicant was under the Proceedings of the President of the Local Fund Board Trichinopoly, dismissed from the Public Service on account of misconduct.

If in consideration of the serious hardship that would be imposed upon the applicant by the refusal of the grant of any retiring allowance to him after so long a period of service as 21 years on the ground of his dismissal from the Public Service for disobedience of the orders of his superior officer, Government be pleased now to reverse the order of dismissal and grant any retiring allowance, it may sanction to the applicant an Invalid pension not exceeding Rs. 5-12-11 per mensem equal to ⅓ average Emoluments (as defined in G.O. No. 2032 dated 3d December 1874 Financial) under Sections 61 and 68(b) of the Civil Pension Code 4th Edition, but such amount of pension should be subject to such reduction as Government may deem proper in as much as the Character and past Conduct of the applicant were not thoroughly satisfactory and subject also to the Confirmation of the Government of India in the Financial Department. Vide Section 89 of the Code.

It will be seen from the accompanying papers that the applicant was transferred from Trichinopoly to Perambalur by an Order dated 1st January 1877; but to avoid being sent away from the former place, he pleaded sickness and thereby gained admission into the Hospital for treatment & finally produced a Medical Certificate dated the 23d January 1877 which declared him to be unfit for further Service. The Authorities suspecting the Conduct of the applicant suspended him from Employment from the 1st January 1877 and Ultimately dismissed him from the Service. Under these Circumstances it rests with Government to decide whether the Pension if such be sanctioned should Commence from the 23d Jany 1877 the date of the Medical Certificate or the 1st February 1877 the date on which he was finally dismissed from the Service by the Local Fund Board under whom he was serving.

The marked delay in the Submission of this application and the reason why it was found impossible to revise the Medical Certificate in accordance with the form prescribed in Section 63 of the Civil Pension Code are explained by the President in his reply to this office Memo No. ADK/66 dated the 7 March last herewith sent.

In accordance with rule 1 Section 40 of the Civil Pension Code the amount of pension, if sanctioned should be debited to Imperial Revenues & Local Funds at Rs 3-14-5 & 1-14-6 respectively.
