Certified that I have carefully examined Addala Subbanna son of Addala Chinnayya a Lock Lascar in the Engineering Department. His age is, by his own statement 57th years, and by appearance, about 56 years. I consider Addala Subbanna to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of Old age & Natural Infirmity with impaired Vision

His incapacity does not appear to me to have been caused by irregular or intemperate habits.

O Ramasawmy.

This transfer is quite unexpected by me for I wrote to ask the Examiner to take you into his office which would I thought be for your advantage, and the Examiner replied that he would be glad to do so. Since then however I suppose he has found it necessary to make a change. In case of any misconception on your part I should mention that I wrote entirely of my own idea and that when I did so Padmanaba Iyer knew nothing whatever about it.

I have had charge of the Coimbatore Division Office for a year during which time Ramasawmy Naidoo has been absent on leave on account of ill health for two months; during the time that he has been my Head Accountant I have found him to be hardworking and careful and I believe honestly striving to regain the good opinion of his Superiors. I did not find the Office in very good order on joining it but it is much improved now and in obtaining this good result Ramasawmy contributed largely by his diligence in spite of ill health. (Dated 19th June 1880)

Copy of letter from L. C. Ramasawmy Naidoo late Head Accountant Anantapore Division Bellary District to the Examiner Public Works Accounts, Madras, thro' the Executive Engineer Cuddapah Division.

I most respectfully beg to bring the following to your kind notice that in obedience to your No 5 S. E. 2d dated 5th April 1880, my service book and Preliminary application for pension were submitted in a registered cover to you with Anantapur Divisional Officer's letter No 12 dated 9th April 1880, but up to date the same have not been returned to me for preparing and submitting the final Pension paper, although the preliminary application and the service book of Accountant Mr B. Wood which were sent in the same registered cover have been returned to him about 5 weeks ago with orders to submit the final Pension paper. In Anantapur Divisional Officers letter No 17 dated 31st May 1880 (on which date I was finally relieved of my duties) the non receipt of service book and preliminary application

for

for Pension was brought to your notice, but no answer received as yet. I therefore humbly beg to request that you will be so good as to favor me with an answer as to whether the final application has been prepared and submitted to Government for sanction from your office, or whether they are still retained for verification; if the latter, I beg to give the following information which might assist in checking my service viz from 1st January 1855 to December 1856 employed in Juckatalla or Wellington Barracks Works office which became permanent from 1st January 1857.

In January 1857 the Department was organized and the late Executive Engineer Captain J. A. Campbell was allowed to draw Rs 150/ per mensem for his permanent office Establishment. Captain Campbell divided the above amount between myself, Draughtsman Mr. J. A. Hammett, Assistant draughtsman Mr. J. Charlesworth, Shroff Chinnappen, Writer John and 4 Lascars; this fact is entered month after month in a Miscellaneous Ledger kept up in the office and the book can now be found in the records of the late Neilgherry Divisional

Divisional Office.

In 1859 under an order from the Chief Engineer the salaries of the office Establishment together with the staff salaries of Captain now Major General H. R. Morgan (retired) and Captain now Lieut: Colonel J. G. Hendric (retired) were ordered to be charged to an Estimate of Rs 27,000 and odd called "Extra Establishment" until the full amount of the Estimate is worked out and this arrangement continued until the reorganization of the Department in June 1863 after which date my salary was regularly audited.

Should it be your pleasure that I should prepare the final application for pension, I beg you will kindly order the return of my service book and the preliminary application with a form of final application I will prepare and submit the same to your Office.

In conclusion I respectfully beg to add that I am a very poor man with a large family consisting of 15 souls and entirely dependent on my pay, I therefore trust that your goodness will give your earliest orders on the subject and thereby protect me and my family from trouble and starvation resulting from delays that may occur

June 1878. As this difference will make no difference in the amount of gratuity admissible to the applicant, the return of the Service Book
and Application for correction was considered unnecessary as only delaying the submission of the applicant's papers for the orders of Government
