I consider Siwasunkeram Pillay an excellent office man if he likes. He writes a good hand and quickly multiplies and adds correctly, and understands the usual mode of keeping the Range Accounts. During his service under me, I have not had reason to be pleased with him, he is utterly untrustworthy and requires the strictest supervision, every orders to him should be given in writing, any thing not on record he denies as convenient. He is also a person with whom Range Officers should be on their guard as he keeps a Diary & jots down every casual expressions to be used, afterwards informs against Range Officers as convenience may require. I have found him very irregular in his office attendance and occasionally impudent. I sincerely rejoice at his transfer from the Range.- 2d July 1869.-	(Signed) R. A. Livesay Lieut. R. E. I have much pleasure in certifying that during the short period viz: from 18th June to 28th October 1869, A. Accountant Sivasankara Pillai has been so highly spoken of by so many Officers of higher standing in the Dept under whom he has served that, I consider it superfluous to say any thing more here either about his character or qualifications. During the last 16 months that I have been in charge of this Range, press of work entailed on account of famine was so very heavy that he had to assist me not only in compiling accounts but also in general Office duties, sometimes till midnight — His health has therefore been very much impaired by this overwork. Mr Leggatt the late Dist. Engr. & Mr Rundell the present Dist. Engr examined my Office & accounts & expressed themselves highly pleased at every thing being so thoroughly well kept & ~~[illegible]~~ the former made a special report to the Examiner. He is altogether a superior man & it will give me infinite pleasure to see him rewarded with promotion. 15.4.78 Sub Engr P.W.D.		24th July ~~8.1.79~~ 1878	Transfer.

Sir,

In retransmitting herewith the Pension papers of retired Clerk, T. Sobbier received with your letter No. 12 of the 9th Ultimo, I have the honor to offer the following explanation.

(A) The applicants' service from 1st July /63 to 12th February 1866, cannot be verified as no records are forthcoming. During this period it would appear that Sobbier was employed as temporary writer in the Trichinopoly Range in consequence of the abolition of his permanent appointment in the then reduction of Establishment. As this service does not count towards pension, it is not considered worthwhile to take any steps in obtaining the affidavit of the applicant in support of the temporary service. His service from 6th to 12th February 1866, being

7 days, rendered in qualifying grades still remains to be verified. If this period cannot be verified from your Office records the necessary affidavit &c. will be obtained and forwarded. Even if the above 7 days were rendered in non-qualifying service, the Applicant is still entitled to 1/2 pension, his total service in superior service being above 15 years.

(B) The Executive Engineer states that on a reference to pay abstract for August 1868, Soobbier drew full pay for that month and consequently his reversion to his substantive appointment is taken as 1st and not 7th August /68.

(C & D.) The necessary corrections have been made in the pension papers.

(E) Copies of correspondence bearing on the applicants' dismissal, and subsequently re-instatement in 1874/75, are herewith forwarded.

To,

The District Engineer,
Trichinopoly.

Sir,

I beg to submit an original application for transfer from writer Soobbier of the Minor Establishment and beg to refer you to my letter No: 54 dated 24th August 1873 wherein I have mentioned the Causes that compel Soobbier to apply.

He has had leave during the year for 3 months, viz: June, September and October for the benefit of his health. He says he is still very ill and has not been of the least assistance to the Overseer ever since he joined this Range. The Overseer is always out and is in great need of some assistance and it is impossible for him with Soobbier as his writer to do his work efficiently.

Soobbier mentions that he was removed from the Trichinopoly Taluq for possessing lands.

But from his Statement of lands I now find that Soobbier notwithstanding all his illness has acquired lands in this Taluq also and just at the Hd. Qrs. of the Overseer and where Soobbier resides. I therefore beg strongly to recommend that you will be pleased to remove Soobbier elsewhere where he might have an opportunity of bettering and recovering his health as he is said to be the victim of cronic venereal affections.

It appears that writer Narasingaperoomal Naidu, now in the Trichinopoly Talug was for some time in this Range both as a Minor Establishment writer and as well as a writer of the late Sub Division and well accustomed to the mode of living in this part of the District and if you will be pleased to transfer him in the room of Soobbier he is likely to remain for some length of time here as persons accustomed to out talugs look upon being sent to this place as an infliction of punishment upon them.

Your letter No 4 dated 10th April 1874.

Acquisition of landed property by Public Servants in the Talugs or Ranges where they are employed is strictly prohibited by G.O. No 741 of 17th March 1865.

Writer Subbier has been transferred to 3rd Range purposely on account of possessing landed property in No 1 Range and his acquirement of land in No 3 Range is against the orders & rulings of Government. He will not be retained in the service unless the lands are disposed of at once-

If Subbier is not in any way useful to the overseer or is unable to do his work, he should have been directed at once to produce a certificate from the Doctor, of the state of his health to this office-

Sir,

In continuation of my letter No: 4 dated 10th April 1874 and your order thereon No: 19 dated 20th April /74 I beg to report that I called upon writer Soobbier of the Minor Establishment to dispose of his lands in this Taluq and also to obtain a medical certificate if he cannot really do duty. The enclosed letter marked A is his reply— in the 1st instance he states that he cannot dispose of his lands for at least 6 months more (and it is doubtful whether he will at all do so even after that time) and in the latter part makes out that he is very ill and asks for a note to the Medical Officer to enable him to obtain a medical certificate.

I gave him a letter to the Medical Officer at Trichinopoly asking that officer to examine Soobbier and to certify as to the state of his health.

The enclosed original docket is the reply received from the Medical Officer.

Under the circumstances mentioned in the Memo under reply Soobbier having acquired lands knowing that it is against the rulings of Government and that he was removed from the Trichinopoly Range for the same and according to his own version being unable to do

duty here, and as he has for the last 9 months he has been here spent his time in leave and idling, and as his conduct has always been notoriously bad, it seems to me that we have no alternative whatever but to dispense with his services altogether.

Further I would beg to point out that his services (nominal) are no longer required in this Range as the Talug Overseer under whom this man has been serving has reverted to his former appointment as overseer on the Local Fund Establishment and has another writer under him who is enough to do all that is required in a Local Fund Overseer's office.

I therefore beg that you will be pleased to find room for Soobbier elsewhere if you are at all disposed to retain him any longer in the service in which case we will only be permitting him to draw his pay for doing nothing.

Memorandum

Your letter No 28 dated 11th May/1874

In accordance with G. O. No 1041 dated 4th April 1873 Minor Establishment writer Soobier was transferred to No III Range for holding landed property in the Division in which he was employed.

Now it is reported & admitted by Soobier that he has purchased landed property in the Talug in which he is employed moreover the Range Officer complains that during 9 months stay in the Range Soobier spent his time on leave & idling & his conduct has not been satisfactory. Further Soobier in a report dated 26th April/74 to the address of Range Officer states that since his transfer to Udayarpolliam his health is impaired & he is very weak while the Medical Officer on Examination certifies that he can find no ailment in Soobier sufficient to furnish him with a Medical certificate.

Under these circumstances the undersigned is fully convinced that Soobier is not likely to be of any further use in the Department & his services are dispensed with from the date of the receipt of this order.
