to

to 30th April 1860 have been verified from the records of the Trichinopoly Division Office. During this period he has had 20 days sick leave in January 1860. There are no records forthcoming to verify the services from 16th May /57 to 28th Febry /58 and from 1st July to 31st October 1863. But in the Service Register Book maintained in the late Superintending Engineers Office 6th Division an entry is made that the Clerks services were dispensed with on the 30th June /63 consequent on the reduction in the Establishment and that he was reinstated on the 1st November 1863 as writer and Accountant in the late No 2 Range Office Trichinopoly District.

2. With regard to claim (A) para 2 of your letter, I have to inform you that nothing is to be traced here as to the Clerks' absence without leave, but a deduction of Rs 2.13.3 is shewn in the Salary Bill for February 1862 in Column - "Fines - Income Tax &c."

3. (B) No records are forthcoming as to the stoppage of the Salary in February 1864.

Memorandum-

The Offg Superintending Engineer has received Mr Fraser's letter No 183 of the 9th September 1864, forwarding explanations from his Accountant Veerakistna Naidu regarding the late charges brought against ~~for~~ him for misconduct by the Exett Engineer.

2. Captain Bean does not expect nor wish Office Servants to be engaged on their Office duties for a longer period than is laid down in the regulations and the ordinary usage permits, that is from 10 to 5 or 11 to 6 but he does consider it absolutely necessary that when a press of business occurs and exigent work such as important arrears of work left unadjusted prevails, Office Servants should be called upon to stay after the usual hours.

3. In this instance there is a discrepancy in the Statements submitted to the Offg Supg Engineer as Mr Fraser states his Accountant attends Office at 12 O'Clock whilst the latter says that 9 is his usual hour for commencing work. In this instance it is probable that the Accountant from bad sight and insufficient Office light may have had considerable difficulty in carrying out his work at a late

hour

hour, and consideration should have been made for the distance he had to travel to his quarters, alleged to be 5 miles.

4. Obedience, however, must be upheld and the Superintending Engineer considers that sufficient notice will have been taken of this case in directing Mr. Fraser to withhold the Accountant's pay during his suspension. He will be told to return to his duty, his pay commencing from the date of these instructions.

No. 183. dated 20th May 1868.

Memo

With reference to letter No. 18 dated 12th Inst the Superintending Engineer regrets to learn that Veerakistna Naidu the Accountant in No. 4 Range has disregarded the warning given him in Memo No. 37 dated 15th April and that on being ordered to be prepared to accompany the Range Officer on circuit on the 14th Inst, he submitted an application for 3 months' leave from the 15th Inst on the 11th Inst knowing well that a reply could not be received in time to admit of his leave being sanctioned and asking for the leave to admit of his recovering property attached by the Court on account of his late brother's debts when he must have been aware that the Courts had been adjourned from the 1st Inst.

It is clear that the application for leave was made to avoid proceeding on circuit with the Range Officer.

The

The Superintending Engineer cannot for a moment allow the Public Service to be impeded owing to differences between the Range Officer and his Accountant and as it was clearly the duty of the latter to accompany the former on the 14th and as it appears from a letter of his dated 14th that he did not accompany the Range Officer the Superintending Engineer has resolved to remove him from the post of Accountant of Range No. 4 and transfer him to the post of Asst Accountant in the Range Office of No. 1 on a salary of Rs 30 per mensem from the 21st Instant.

One Narrainsawmy Pillay from Range No. 1 has been appointed Accountant in Range No. 4 and will be directed to join at once.

Copy of letter No. 694 F. dated 24th June 1880 from the Supdg Engr 3rd Circle to the Examiner P.W. Accounts.

With reference to your letter No. 163 of the 1st Inst, I have the honor to inform you that the services of M. P. Veerakistna Naidu as a Clerk in the Mannargudy Range, Tanjore District from 1st November 1869 to 31st Decr 1869 cannot be verified from the records of that Office,

Extract from a letter from the Officer in charge of No. 4 Range to the Controller of Public Works Accounts dated 30th August 1875 No. 286.

To, The Controller of P.W. Accounts

Sir,

I have the honor with reference to G.O. No. 1769 of 24th June 1875 and to G.O. No. 2171 of the 27th July of the same Year to recommend the Head Accountant (Veerakistna Naidoo) of the Range for an exception from the prescribed Account Tests on the introduction of the Government of India system of Accountants and the reorganization of the Accountant Establishments of the P.W.D.

The Accountant has a thorough knowledge of Accounts in this and other Departments having served 20 years in this Department from 1855 and some 15 Years (do not count towards Pension) in other Departts he was taken in (in the Dept. of P. Works by Colonel C. A. Foord about the time of Public Works was expected to be transferred from the Revenue in the South Arcot District) as an Accountant on a salary of 60 Rs paid out of Local Fund &c Works with the hopes of making him the Head of his Office as would prove by the Certificate on the Register — as on the organization the salary of the Head to a 2d class Do not being equal to what he already had, returned to Trichinopoly at the request of the late Major Ryves and so on to date, in the interval, several Examinations of his method of Book keeping &c were appreciated by all the Controllers and Assistants —

During the visits, the Accountant on being asked for suggestions by Messrs Brock, Mills and Latterly by Captain Christie, he did so on writing and they were all kindly acknowledged in writing, and are on record as well as notes shewn in the Controller's Reports; in addition to these, good many Experienced and high ranked Gentlemen Officers, bear to his knowledge and abilities and I in regard to justice doing although lately joined the Range from my long standing in the Department shall be glad to endorse all that is well spoken of. Major (now Colonel) Vertue the then Controller states as a Cantonment Range Officer that he was a "Capital Accountant". The present District Engineer of Canara Mr Lawford remarks that to his abilities, he is better worth to be on high salary and head of a big Office.

Under all the circumstances, I shall be very happy to hear from the Controller, that Head Accountant Veerakistna Naidoo is classed among the graded Accountants of handsome salaries, and Examination Exempted.

I have the honor to be &c
(Signed) N. Mooneapah Pillay
Sub-Engineer.

Veerakistna Naidu was under me for about nine months. I cannot speak very favourably of him. He works very hard, but is careless & ~~forgetful~~ slow. He has had very long service and these faults may I think be the result of increasing years. He would be a more satisfactory subordinate were he less impressed with the idea that he cannot be wrong in what he does, and more willing to learn. During the time he was under me many alterations and many new forms were introduced into the system of P.W. Accounts & he had very much to unlearn, that long service had rendered him accustomed to & much that was new to learn, so that I have had a bad opportunity of forming any very decided opinion regarding his capabilities	F.
