To

The Honorable R. Davidson C.S.I.
Chief secretary to Govern-

Sir,

1. Having accepted the office of Dewan of Travancore and elected to retire from the service of the Madras Government, as already intimated to you in my Telegram of the 29th ultimo, I beg to submit the following application for a retiring pension from the 1st instant.

2. I was first entertained in the Public service on the 1st of May 1845 and have therefore served the Government for upwards of 35 years. During this long period, I have never been absent on furlough or sick leave, but having commenced life in my nineteenth year, the service rendered prior to my completing the 22nd year of my age does not count towards pension, and my qualifying service is therefore

reduced to 31 years, 8 months and 25 days, which is still nearly two years in excess of the period required for a retiring pension.

3/ I have transmitted a detailed statement of my service to the Accountant General for the purpose of being laid before the Government, after verification in the usual course.

4 The Pension rules in force at the time I took service under the Government, would have entitled me to a retiring allowance of one-half of my average emoluments, but as those rules have since been superseded, the maximum pension to which those in my position are now ordinarily eligible is 5,000 £. I venture however, to hope that the Government will see in my past service, reasonable grounds for extending to me the enefit of rule (a) of Section 72 of the Civil Pension Code and for recommending me for a special pension. The important special duties which it has pleased the Government to entrust to me in the course of my long service will not escape their attention in considering my claims to the distinction I seek in the

shape of an enhanced pension.

5. I do not wish to prolong this application by entering into a long detail of my services, but content myself with requesting the attention of Government to the accompanying printed annexure.

I have the honor to be
Sir
your most obedient servant
