Executive Engineer  
Office Coimbatore

once to Section 24 rule 1 of the Civil Service Code.

Not verified from the records of this Office but verified from the old records of the

Superintending Engineer's Office (with letter quoted above).

Verified from the Audit register of this Office and found correct.

According to the entries in the Audit register of this Office, the Applicant appears to have been in the receipt of \$2.00 per annum as writer under his name. The Executive Engineer Committee, but the entries in the Applicant's service book as also the old records of the Divisional Office show that he was drawing pay during this period at the rate of \$2.35 per annum. The entry in the Service book and in the Divisional Office records appears incorrect - but as these wrong entries do not in any way affect the amount of pension which is shown to be admissible for them steps were considered unnecessary.

Not verified from the records of this Office but verified from those of the Superintending Engineer's Office.

Not verified by the records of this Office but verified from the old records of the Superintending Engineer's Office.

Verified from the Audit register of this Office and found correct. The Applicant's pay was reduced from \$2.00 to \$2.35 per annum owing to reorganization of Department from \$2.35 to \$2.30 per annum at his own request.

The Applicant's reduction from \$2.00 to \$2.35 per annum on the 19th Aug 1902 is found explained in G.O. 1902. \$2.35 per annum (Copy attached) the reduction in Applicant's pay from \$2.50 to \$2.35 per annum with effect from 1st Dec 1902 was due to the reorganization of the Department which took place at that time.

Verified from the Audit register of this Office and found correct. The Applicant's service was

Certificate and Report of Examiner, Public Works Accounts.

Certified that

qualifying service in superior grade has been duly proved for 23 years 2 months and 4 days and that a compensating pension not exceeding \$2. 11-10-5, per annum equal to 1/100th of his average emoluments viz \$2. 11-10-5, per annum is admissible under Section 107 of the Civil Pension Code. That as the applicant had rendered a qualifying service of more than 15 years and was entitled to a pension of \$2. 11-10-5, per annum equal to one third of his average emoluments viz \$2. 11-10-5, per annum in December 1892 when his pay was reduced from \$2. 11-10-5, in account of reduction of establishment a pension not exceeding \$2. 11-10-5, per annum appears admissible under Sections 107 & 108 of the Civil Pension Code. The calculations have been duly verified.

The applicant is at present employed as a clerk in the temporary establishment of the Office of Superintending Engineer 2<sup>d</sup> Class on a salary of \$2. 11-10-5, per annum, and as this amount together with the pension above recommended, does not exceed the pay of the establishment (\$2. 11-10-5) upon which the appointment of the applicant to the temporary establishment is at once thought unobjectionable under Section 107 of the Civil Pension Code.
