Certified that should Government with reference to clause (b) under Section 55, be pleased to declare that the applicant's overstayal by 3 days of the leave without pay granted him in December/77 should not be viewed as an Interruption entailing forfeiture of past service, his qualifying service in Superior Grades will amount to 8 years 3 months and 10 days and that a Compensation Gratuity not exceeding Rupees 224 — as equal to 8 months pay will be admissible under Sections 59 and 68(a) of the Civil Pension Code 4th Edition.

The particulars required by rules 1 and 6 under Section 59 are given by the Dy Superintt. in his remarks opposite to No. 4 on the 3rd Page of the application.

It will be seen from the entry opposite to No. 1 on the 3rd Page of the application that the character and past conduct of the applicant have been unsatisfactory. It rests therefore with Government to make such reduction in the amount of any Gratuity that may be sanctioned to him as it may deem proper with reference to Rule 1. Section 22 of the Code.

Proceedings of the Madras Government, Revenue Department, 23rd November 1876.

No. 433. Read the following letter from Colonel W. H. HESSEY, Superintendent of Revenue Survey, to the Hon. D. F. CARMICHAEL, Secretary to Government, Revenue Department, dated Chepauk, 13th November 1876, No. 3,525/135 :—

I HAVE the honor to state that previous to the receipt of G.O., 21st September 1876, No. 1,312, arrangements had been made for the commencement of the demarcation and survey of the Shivagunga Zemindari by desire of the Board of Revenue, and also for the demarcation and survey of the province of Puducottah, agreeably to G.O., No. 703, Political Department, of 15th October 1875. The demarcation and survey of the Jalantra Estate, in the Ganjam District, and of the Bodinaiknur, Gundamanaiknur, and Otapanaiknur Estates, in the Madura District, had also been begun and the work in most of these Zemindaris was well advanced.

2. In paragraph 3 of the order above quoted, it is stated that it is to be distinctly understood that special parties employed in the survey of Native States, &c., are not to consist of persons on the regular establishment of the Survey Department. In paragraph 2, the Government remarked that they looked to the Superintendent not to undertake any work which would defer the great end of the completion of the survey and realisation of the revenue which it would secure.

3. I have the honor respectfully to represent that it is almost impossible for me, without great additional expenses, to organise special parties of surveyors who will do even tolerable work without having some such hold on them as the hope of pension and the fact of their being in Government service will give.

4. When the survey of the Purla Kimedy Estate was undertaken, it was found most difficult to collect surveyors. The survey of the estate was very much more expensive than it would have been, had it been performed by men in the service of Government.

5. In Native States and in Zemindaris the surveyors should, I venture to think, be more amenable to discipline even than in Government taluqs; the temptations to go wrong are greater than elsewhere. I could not have the slightest confidence in a set of men paid at the ordinary rates. To induce qualified men to leave Government service and enter into the temporary service of a Native State or of a Zemindari, strong inducement would have to be held out. I venture to represent that it would be every way preferable that the State or Zemindari should pay 20 per cent. on the salary of all men who would be entitled to pension if they had remained in Government service (see Sections 34 and 35 of the Civil Pension Code). If such an arrangement be permitted, the cost of the survey and demarcation would doubtless be greater than in Government taluqs, but not to the amount of 20 per cent., as Peons, Measurers, and Gumastahs drawing not more than Rs. 10 per month would not be charged with the per-centage.

6. With regard to no work being undertaken that will impede the completion of the survey, I have to represent that hitherto we have worked up to the full extent of the Budget allotment, and have even occasionally exceeded it in the endeavour to push on the Revenue Survey work. In lieu of men detached to the survey of Zemindaris, others have been entertained. By detaching men for the survey of Zemindaris, money was saved in order that the survey of Cuddapah might be pushed on towards completion, and that funds might be available for special

surveys such as those of Wynaad, Nilgiri Hills, Shervaroy Hills, Malabar Teak forests, Anamallay Hills, Boundary Survey, and many others ordered by Government, but for which no separate and additional funds had been allotted. I can safely assert that the surveys in the Zemindaris have not retarded by one day the completion of the ordinary survey. On the contrary, if employment had not been found for men as above noted, many valuable men would have had to be discharged and their services would have been lost to the Survey for ever.

7. I have to represent that the Political Agent of Puducottah is anxious that the survey of the province should be placed under the direction of an experienced European officer, and that he is strongly of opinion that none but servants of the British Government should be employed in the work.

8. I believe that, in consequence of impending scarcity, it will not be possible to devote to the survey this year the sum he had originally intended, Rs. 50,000. A Native Sub-Assistant and three Deputy Surveyors are now employed in making preliminary sketches and in preparing stones for demarcation purposes. I request that I may be permitted to retain them on the condition of 20 per cent. on their pay being remitted to Government. I also request permission to carry on work in the Zemindaris as at present.

No. 434. ORDER THEREON, 23rd November 1876, No. 1,780.

Miscellaneous.

UNDER the explanation now furnished, the Government sanction the continuance of the work commenced in Zemindaris, Native States, &c.

2. The levy of an extra charge, not exceeding 20 per cent., is in such cases reasonable, and is sanctioned as proposed in paragraph 5. This order will apply to the establishment already entertained for Puducottah.

SIR,

With reference to your Memo No $\frac{A.D.K}{419}$ of 23 ultimo, I have the honor to append information as below.

2/. It will appear from the enclosed× Dockets Nos $\frac{57}{20}$ & $\frac{260}{88}$ of 19 January & 5 March 1880, respectively (marked A & B) that the applicant was paid up to 5th February 1877 in the Survey department and from 6th February 1877 to 20th January 1878 in the Famine department.

Not reqd

3/. But from letter No 201 of

20th February 1880 (marked C) it seems that he was paid from 1st February 1877 to 16th January 1878 in the Famine department.

4/. It is evident from the above that the applicant was paid twice for the first five days in February 1877 both in the Survey & Famine Departments and that as he was not paid for 4 days from 17th to 20th January 1878, in either department it was suggested in this office letter No 115/A of 26th March 1880, that a day's pay may be deducted from the amount of gratuity that will be passed to him.

SIR,

In forwarding for submission to Government an application with papers as per list enclosed for Compensation gratuity on behalf of late Field Surveyor G. Kotelingam of No. 2 Revenue Survey Party, I have the honor to state that from the correspondence annexed to the application relating to the verification of the applicants' services in the Famine Department in 1877 & 1878, it appears that a day's pay was overdrawn for him under the circumstances detailed below and to suggest

suggest that as the applicant is not now in Service, the amount overpaid may be recovered from the gratuity that may be passed for him.

2/ It appears from the records in the Survey Department that the Field Surveyor was actually on Famine duty from the 6th February 1877 to the 20th January 1878, both days inclusive and that he was paid in the Survey upto the 5th February 1877 and again from 21st January 1878; but the Collector of Nellore states that he was on Famine duty from the 1st February 1877, to the 16th January 1878 and was there paid for that period in that Department.
