Meanwhile he was offered an acting appointment in the Tinnevelly Range, on the acceptance of which a notification was issued in the District Gazette cancelling his dismissal. It may be remarked here, that the dismissal does not appear to have been cancelled in the sense of Sec. 56 Rule (2) nor any declaration made by the District Engineer at the time of the Applicants reinstatement that his past services should qualify. But on a reference made on the subject, the ~~Executive~~ Superintending Engineer 3rd ~~Grade~~ Circle who was then the District Engineer Tinnevelly, says that he was not aware that such a declaration was required of him, and if he had known it at the time he would have recorded one, inasmuch as he had no other fault to find with the Applicant except that he

The entries in the Service Book and the Pension Application are incorrect and incomplete in regard to dates &c, but as the entire period of the Applicant's services has been verified from the Audit Registers of this Office, the return of the Service Book and the Application for necessary correction and Completion was considered unnecessary as only delaying the submission of his Case for the orders of Government.

The Applicant's services were dispensed with in Consequence of the general reduction of Public Works Establishments.

Sir,

With reference to your letter No 230 of the 22d Inst. I have the honor to state, that, had I known at the time of reinstating late Taluq Overseer's Writer Siva Subramania Pillay that a declaration was required, to the effect that his Services prior to the date of discharge should qualify, I would have certified so. As no fault has been found with the Applicant with the one exception of having left his work without permission, his conduct has been considered generally good, I think his previous services should count.

2. The Service Book and the pension Application are herewith returned.

3. For a similar reason his character was stated to be good in the gratuity application.

Memo

The undersigned has attentively considered all the points urged by late overseer's writer Sivasubramania Pillay in his petitions dated the 3rd & 16th Instant and is willing to admit as the writer did not leave Vammarpettah (as was originally believed by the Dist Engineer) to go to his village on his private affairs, that the writer's dismissal from the service is too extreme a measure for his fault.

The writer was much to blame, and his conduct was totally subversive of all discipline in the conduct of official duties. In the first place if leave as requested, on private affairs, was wanted the writer should have waited till sanction was obtained and have continued to perform his duties *fully* till properly relieved. He appears to have stayed on at Vaniarpettah doing just as much or as little work as he liked, instead of as ordered travelling with the overseer.

In the second place sick leave can be granted only on Medical Certificate from the Zillah surgeon.

The undersigned after the further enquiries made will accept the plea of sickness as an excuse for the writer's irregular performance of duty but considers the writer so much to blame that he will not at once reinstate him. Sivasubramonia Pillay will however have the first permanent post on Rs 15 per month vacant in the District.

In the meantime if he

chooses to accept the post, he can act in the Tinnevelly Range office for Savanayagum Pillay.
