I certified that I have carefully examined M. Latchmipati son of M. Chithambaram a Lock Superintendent in the Engineering Department. His age is, by his own statement 55 years, and by appearance, about 58 years. I consider M. Latchmipati to be completely and permanently incapacitated for further service of any kind, in the Department to which he belongs in consequence of Old Age and Natural Infirmity (his Eye sight is also bad)

His incapacity does not appear to me to have been caused by irregular or intemperate habits
