To,
The Deputy Surgeon General
Nagpore Force Kamptee

Respected Sir,

I most respectfully and humbly beg to submit this my application for Pension and request you will kindly recommend the same for favorable Consideratio of Government.

From the date of my entertainment as Hospital Writer on the 1st November 1854, I served uninterruptedly with various Corps till 10th March 1880 embracing a perio of 25¼ Years. The last Regiment with which I served (H.M's 33rd D.W. Regiment) at Kamptee having been removed to Lucknow in the Bengal Residency, I accompanied the Regiment there but was ordered to return back to Kampt three months after.

Agreeably to the last para of G.O.C.C. No 110 dated Madras 3rd December 1863 I am permitted to remain in the service till discharged or Pensioned; as I was continuously employed in this post for 25½ Year I am very anxious to serve longer but unfortunately I had no chance of re-employment after I returned from Luckno since 11th March last. The 2/13th Regiment which arriv from Bellary has a writer with them and as there being no new Regiments arrived to fill up the number in the Madras Residency my services were consequently dispensed with.

During my long service I performed my duties with great Care and given every Satisfaction to the Medical Officers under whom I served and obtained good Testimonials from them, Copies of which I humbly Submit for your kind consideration and in support of my poor Case - My present age being 49 years it is very hard in these days to procure any livelihood in the Government Establishment or from any other source and therefore I most respectfully & humbly beg that my poor Case be viewed favorably and that my application may be Submitted for the kind Consideration of Government to grant me some Pension as a Special and hard Case.

For which act of kindness I shall in duty bound and ever pray.

I beg to Remain
