Reply to No 16.

From the affidavits of M. Chinnasamy Pillai & Peon Vencatrayalu already submitted, it will be seen that one Alagiri Naick, Amin of the Madras Depot, having been transferred to the Madras Abkarry Department, Sreenivasa Iyengar Deputy Nevisindah of the Madras Depot, now pensioned, was appointed in his stead and Chinnasamy Pillai appointed to act as Deputy Nevisindah on the 24th March 1854 — Vide Acting Collector's order No 26 of the same date, an English translation of which is enclosed. + marked A M. Chinnasamy Pillai continued to act in this post until 30 June 1855 when he was confirmed under an order of the then Collector Mr B. Cunliffe No 37, + marked B translation also enclosed. The appointment was therefore fully vacant from 24th March 1854 to 30th June 1855 and no other person save M. Chinnasamy Pillai the applicant counted service in it during that period.

No. 20.

The applicant retained a lien on his permanent appointment of Deputy Nevisindah while holding temporary and acting appointments from 1st December 1856 to 6th Decr 1861 - vide extracts & translations enclosed marked E. F & G. It is not known, however, why his name does not appear in the annual returns from 1857 to 1860. The Asstt Commr of Salt Rev: Chingleput thinks that the omission may be due to an oversight. In the Monthly pay abstracts for that period forthcoming in the Asstt Commr's Office the individuals who acted as Deputy Nevisindah are shown as acting.

No. 21.

The records in the Assistant Commr's Office show, beyond doubt, that the applicant was employed as Superintendent, not as Acting Peshcar, in 1863. The entry in the annual return for 1863 must be erroneous.

No. 22. Before proceeding on Privilege leave the applicant received a declaration that he had no intention of retiring within three months after his return to duty. Copy of this declaration and of the explanation of his change of mind is herewith forwarded.

TESTIMONIALS.

It gives me great pleasure to be able to give the following Certificate to M. Poonoosawmy Pillay and M. Chinnasawmy Pillay the sons of M. Moottoosawmy Pillay; Moottoosawmy Pillay served under me for the space of 34 years as Tamil Moonshee, Police Ameen, Stationery Manager, Salt Superintendent, Abkarry Superintendent, Cash-keeper, and in other public Offices. I entrusted him with the management of my domestic affairs too from time to time. He gave me always great satisfaction in these employments up to the time of his death on the 24th December 1851. His son M. Poonoosawmy Pillay is already employed as correspondence Writer in the Madras Cutcherry, he is intelligent and very diligent. His second son M. Chinnasawmy is not at present in any Government employment, but has been occasionally acting in the Cutcherry, he also is very intelligent both in English and Tamil, and I should feel most happy to have an opportunity of giving him employment. I have great regard for these two young men who are the sons of a worthy man and I have no doubt that they will give satisfaction in any business in which they should be employed. I recommend them both to the favor of my friends and relations in India.

(Signed) J. A. HUDLESTON.

ADAYAR,
1st *December* 1852.

This is to certify that M. Chinnasawmy Pillay is well qualified to give instruction in the language which he professes to teach. For the three years I was receiving instructions under him he proved to be a steady and well conducted young man. His abilities to deliver instructions in the Tamil language, the Zeal and utmost care that characterize his mode of instructions, entitle him to the encouragement of the public. I feel very happy therefore to recommend him to any Gentleman that wishes to enter upon the study of the Tamil language.

ST. MARY'S SEMINARY,
11th December 1852.

This is to certify that M. Chinnasawmy Pillay whose instructions I have received during the last two years, is in every way qualified to teach the Tamil language. From all the experience I have had of him during that time, I can say that he is an honest, and at the same time a very attentive and zealous instructor, he knows English very well, and has a very easy method of teaching. The only thing required to crown his endeavours with success is application and diligence on the part of the learner.

I recommend him strongly to the public.

(Signed) M. BUCKLEY.

ST. MARY'S SEMINARY,
16th December 1852.

This is to certify that the bearer M. Chinnasawmy Pillay is perfectly qualified to instruct any Gentleman in the Tamil language. For the last two years during which time he was instructing me in the above mentioned language he proved himself very steady, and zealous for my improvement. He has a good knowledge of English and is well qualified to translate any Tamil Book into it. He has the

best method of teaching that I have ever noticed in any of his class, I am quite proved to be able to recommend him to any Gentleman who may wish to study Tamil.

(Signed) P. F. McKEEVER.

17th December 1852.

This is to certify that M. Chinnasawmy Pillay attended on me in the capacity of a Tamil Moonshee for about 2 years, during which period I found him to be very attentive and diligent, and also he gave me every satisfaction in teaching the language grammatically, I have therefore the pleasure of recommending him to those Gentlemen who may require his services.

MADRAS,
Saint Mary's Seminary,
3rd *December* 1851.

I have much pleasure in giving Chinnasawmy Pillay a testimonial of character during his service under me during the past six years.

Chinnasawmy Pillay was recommended to me by Mr. Thomas French, Head Uncovenanted Assistant to the Secretary to Government, and acted as my private Tamil Moonshee and had previous high testimonials granted by many other Gentlemen themselves eminent scholars who had learned Tamil under his tuition in Saint Mary's Seminary and who bear testimony to his qualifications both as a teacher of Tamil as well as to his knowledge of English; Chinnasawmy Pillay was employed by me in the Salt Department in every capacity as Nesinda, Writer, Accountant, Deputy Peshkar, Peshkar, and Native Deputy Superintendent in order to make him conversant with the working of the entire Department and he fulfilled these duties whenever and wherever his presence was required with every integrity and with unceasing labor and attention. The records noted marginally* bear ample testimony to the worth of his services, and they cannot but too highly be appreciated.

He was the only servant on the entire Salt Establishment in whom I had any reliance or could place dependance and my experience of him enables me to recommend him strongly as one who will not betray the trust, that may be reposed in him in whom I have placed implicit reliance and who has served the Government faithfully and honestly although means were in his reach of securing douceurs for public works done by him on very inadequate pay.

His knowledge of English and his adaptation in receiving verbal orders in that language and writing them at once in Tamil suits him for the post of Jewabnevis or Translator in larger Cutcherries or in Courts.

I have taken every available opportunity of bringing him to notice and in recommending him for promotion and I shall be rejoiced to find him more adequately remunerated than he has hitherto been for his Services

MADRAS,
18th December 1858.

I have much pleasure in testifying to the character of M. Chinnasawmy Pillay Senior Deputy Peshkar at the Madras Salt Department who was very highly recommended to me by Mr. R. P. Campbell on my entering newly in

the Department. From nobody in the Office have I received so much assistance, of all he is the only one thoroughly acquainted with all the details of the Office, all my orders Takeeds to the Peshkar &c., have been written by him, he has a thorough knowledge of English and I owe a great part of my success in having so satisfactorily done my work to him. In conclusion I can strongly recommend him to the Officer in charge of the Salt Department, that in the event of the Native Deputy Superintendentship becoming vacant he will feel himself justified to recommend him to that post as the person most qualified.

I also adverted to the good conduct of the Superintendent and the Zeal and assiduity with which he seconded my efforts to repress irregularities, both at this Depôt and at the Manufacturing villages. I am therefore desirous that if any funds are available, that should be first appropriated towards increasing the Salary of the Superintendent to the sanctioned Sum of Rupees 100 and rather than that this Officer who has readily co-operated with me in putting down irregularities, should be disappointed, I will willingly forego the entertainment at present of the establishment on the increased scale sanctioned by Government for myself in para 6 of their proceedings dated 5th May last. Indeed it appears to me that as an act of simple justice to the man, he should be permitted to draw the difference between his present pay and the sanctioned amount of Rupees 100 in arrears from 1st May 1862, the date from which provision was made in the Budget estimate for the latter amount.

To

THE HONORABLE R. S. ELLIS, C. B.,
Collector of Madras.

SIR,

I have the honor to embrace this opportunity to record the high opinion entertained on the part of the Salt Superintendent Chinnasawmy Pillay.

During the 3 Months I had charge of the Salt Department, Chinnasawmy Pillay has rendered to me valuable assistance, and I always found him to be intelligent hard-working and thoroughly conversant with the details of the Salt Department and also quite willing to undertake any work imposed on him. His works as Superintendent at the Madras Kotar require his attendance from 6 A. M., to 6 P. M., every day. He is disposing of the several claims or other petitions referred to him, without delay or cause to dissatisfaction to the parties, but I am sorry to see him ill paid for his laborious works.

I therefore thought it my duty to bring his case to your favorable consideration.

The importance of the duties entrusted to the Superintendent, the manner in which he has performed them, and the high testimony of the Superiors under whom he has served, render his case one deserving of your favorable consideration. I have further to bring to your notice that Rungasawmy Iyengar the Deputy Collector of Madras, when in charge of the Salt Department last year for three months during Mr Smith's absence on leave, represented at the expiration of this period the great assistance he had received from Chinnasawmy Pillay, and thus expresses his opinion regarding the salary then received :—"His (Chinnasawmy Pillay's) works as Superintendent at the Madras "Kottar require his attendance from 6 A. He is disposing of the several claims or "other petitions referred to him without delay or cause to "dissatisfaction to the parties, but I am sorry to see him "ill paid for his laborious works."

Parà 4. With this explanation, I beg to submit for the favorable consideration of the Board and the Government another application from Chinnasawmy Pillay. This employee's qualifications and usefulness, as well as the responsible and onerous nature of the duties devolving upon him, have already been represented ; and I need add nothing to the commendations which have already been brought to the notice of the Board concerning him.

(Signed) G. BANBURY,
Acting Collector.

* * * *

The greatest portion of the Salt revenue of this District being derived from the Madras Kotar, the work of the Madras Superintendent (Chinnasawmy Pillay,) whose exertions have, on several previous occasions, been brought to the notice of the Board, has more than doubled of late years, and will still increase when the Bellary and Cuddapah lines are opened for traffic.

Collector.

Extract from a Letter from the Deputy Collector, in charge of Salt, Madras, to the Collector of Madras, dated 23rd February 1865, *No.* 56.

* * * *

6. It would be selfish and unfair in me to seek an increase of salary, without at the same time bringing to

notice the case of M. Chinnasawmy Pillay, the Superintendent of the Madras Depôt. It will be seen that out of the entire Salt revenue of this District, sales to the extent of 13,29,432* Maunds are effected at the Depôt of which he is in charge, and that the bulk of the Salt manufactured is also stored under his supervision. The Abkarry Superintendent, whose duties are comparatively light, draws a salary of Rupees 200, per mensem; while Chinnasawmy Pillay receives only Rupees 150. I need hardly state that if it had not been for his hearty co-operation, this Department would not be in the state of efficiency in which it now is; and I feel that I am simply discharging my duty, and performing an act of justice, in recommending that his pay be increased to Rupees 200, per mensen. A copy of Chinnasawmy Pillay's testimonials is enclosed.

Deputy Collector.

* Excluding 1,12,322 Maunds stored and exported at Ennore.

Extract from the Proceedings of the Board of Revenue, dated 19th June 1865, No. 3,324.

* * * *

The Board quite recognise the importance of Mr. Smith's charge, and the onerous nature of the duties which devolve upon the Superintendent (Chinnasawmy Pillay) at the Madras Kotars.

Acting Secretary.

19. * * * And as the duties of the Superintedent (Chinnasawmy Pillay) are really onerous and responsible, and

have been discharged by him with Zeal and assiduity, I trust that this, perhaps the last, opportunity that may offer for re-opening the question, may be taken advantage of, and his case be brought to the special notice of Mr. Clarke, who has a practical knowledge of the heavy duties which devolve upon the Superintendent, and the manner in which he has performed them.

* * * *

17. * * * The pay of the Superintendent at Madras was originally fixed at Rupees 150; but the Collector now states that, as Salt to the extent of nearly fourteen lacs of Rupees is sold at the Madras Depôt, and passes through the hands of the Superintendent, on whose management the efficiency of the Department much depends, his pay shall be raised to Rupees 200, inasmuch as superior qualifications are requisite for the Office, and which the present Superintendent, Chinnasawmy Pillay, eminently possesses. I admit the force of the Collector's recommendation, and have accordingly provided Rupees 200 for him in the revised scheme now submitted.

4. * * * The Superintendent (Chinnasawmy Pillay)

being one of the oldest and most experienced Officers in the Department, and being next in rank to myself, it was desirable that I should take the benefit of his advice in respect to lands to be newly opened out for Salt manufacture.

5. * * * In the latter case, I shall be obliged by your submitting to the Board the desirableness of the Superintendent of Salt, who is the highest paid and most experienced Officer in the Department, assisting me by occasionally visiting the places of manufacture, and making such suggestions as may occur to him, in furtherance of the interests of the Department. I believe that this was intended by the Board; and now that the manufacture has been so largely extended, it seems desirable that, that intention should be carried into effect.

Extract from a letter from ALEXANDER SMITH, Esq., Deputy Collector in charge of Salt, to the Acting Collector of Chingleput District, dated 20th October 1870, No. 282.

* * * * *

It appears to me that Chinnasamy Pillai, the Superintendent of Salt, who is thoroughly acquainted with the Department, is fully competent to conduct its routine duties. He may therefore be placed in charge, if you see no objection, referring for your orders such questions as it may not be competent to him to dispose of.

(Signed) A. SMITH,
Deputy Collector.

ORDER THEREON, 1st November 1870, No. 1.

Leave granted. The arrangement suggested by Mr. Smith, and recommended by the Acting Collector, for the conduct of the duties of the Salt Department during his absence on leave, is approved.

(True Extract.)
(Signed) R. A. DALYELL,
Acting Secretary to Government.

To,

W. T. BLAIR Esquire,

Acting Collector, Chingleput District.

Sir,

I have the honor to submit, for your favorable consideration, an application from Chinnasamy Pillay praying that he may be nominated to *act* for me during my absence on privilege leave, instead of being placed simply *in charge* of the Salt Department.

2. His object, it would appear, in making the request, is that he may thus be placed in a position to draw deputation allowance; but there can be no doubt that he is chiefly influenced by the desire—a very natural and laudable one—to found a claim to a Deputy Collectorship by previously acting in that capacity.

3. That Chinnasamy Pillay is duly qualified to fill the post of Salt Deputy Collector is abundantly apparent from his testimonials, copy of which has already been submitted for your perusal. But independently of this, he has quoted from the Official Gazette a number of instances in which persons who have had little or no practical experience in the Salt Department, have been nominated to the post of Salt Deputy Collectors.

4. This additional argument, founded on precedents, appears deserving of favorable consideration. Chinnasamy Pillay's total public service of 17 years has been expended

exclusively in the Salt Department; and looking to the excellent testimonials which he possesses, expressive on the part of his official superiors of their appreciation of his qualifications in the Salt Department, there seems no reasonable objection to a compliance with a prayer which has been granted in cases with, I submit, no *prima facie*, stronger grounds, so far as a knowledge of salt details is concerned.

I have, &c., &c.

SIR,

With reference to para 1 of your reply to this office memo No. ADK/473 dated the 13th July 1880 I have the honor to state that it is not clear from the copy of the Collector's order dated the 12th July 1855, that Chinna swami Pillai was confirmed in his appointment as Deputy Nesvinda from the 24th March 1854, the date from which he commenced to act in that appointment. It simply confirmed him in the above appointment from the 12th July 1855 only, the date of the Collector's order. As the exclusion or inclusion of the acting service materially affects the amount of Pension which the applicant is entitled to, I request that you will be be good enough to ascertain and inform me, whether Strinivasa Ayyangar did not count for Pension service in the appointment in which Chinnasawmi Pillai acted from 24th March 1854 to 30 June 1855 - If not, I shall feel obliged by your informing me on what other appointment he counted Service for Pension during that period -

The favor of a reply, at as early a date as possible, is solicited -

I have the honor to be

CERTIFICATE AND REPORT OF ACCOUNTANT-GENERAL.

No. ADJ / 1271

Certified that (subject to the remarks below recorded) qualifying service in {~~inferior~~ superior} grades has been duly proved for 25 years 10 months and 3 days; and that an Invalid {pension ~~gratuity~~} not exceeding Rs. 100 a per mensem equal to ½ average emoluments is admissible under Sections 61 & 68 (c) of the Civil Pension Code. 4th Edition The calculations have been duly verified.

It will be seen from the History of Service and the Copy of the Collector's Order dated the 24th March/54, that the applicant, who then held no substantive appointment, officiated from that date in the appointment of Deputy Nasinda until the 12th July/55, whereby subsequent order of the Collector he was confirmed in that post. On enquiry the Commissioner of Salt Revenue intimates that one Streenivasa Ayyangar, the permanent incumbent was transferred on promotion to the appointment of Amin, vacant at the time in consequence of the transfer to the Madras Abkarry Depot of Alagherry Nayadu, the permanent Amin. Although Chinnaswami Pillai does not appear under the strict wording of the then Collector's Order dated the 10th July/55 to have been confirmed in the appointment of Deputy Nasinda with retrospective effect from the 24th March/54, it is apparent that that appointment was fully vacant, and that no one else save the applicant counted service in it during the period. Under these circumstances the applicant's Acting Service from 24th March/54 to 11th July/55 has been treated as qualifying for Pension. Vide rule 2 Section 27 of the Civil Pension Code.

The applicant's service for the period prior to 30th April/60 has not been proved by the annual returns on record in this Office. The omission of his name in those returns is stated by the Commissr. of Salt Revenue to be due to an oversight. The service appears however to have been established by the District Office records, Orders of appointments, and testimonials. Copies whereof accompany.

The applicant's retirement from the service would seem to be opposed to the spirit of rule 1 Sectn. 44 of the Civil Service Code. But the Medical Certificate which was granted the day after the expiry of his Privilege Leave shows that he was incapacitated for further Service.

The delay in the submission of this application is explained by the Commissioner of Salt Revenue in his letter to this Office No. 3692 dated the 14th June/80 and the further delay in the disposal of the Case is due to references having had to be made to the Commissioner in respect of the applicant's earlier services.

In accordance with Rule 3 A, under Section 87, the attention of Government is respectfully solicited to Section 22 of the Code.
