(1) The service Book of B. Sheik Burray Saib alias Sheik Boda has been signed by the late Cantonment Magistrate and was prepared on 8th May 1876 when the Court was in Existence.

The differences in his service cannot be adjusted in this office, as they relate to the period during which he served in the Commissariat Department. The statement which accompanied the Memorandum under reply has been compared with the one obtained from the Controller of Military Accounts and is found Exactly to agree with it. A revised application for pension has been prepared accordingly and is sent herewith.

As it is pointed out by the Controller that service as a "ruler" reckons only for inferior pension, although the pay of the post Exceeds Rs. 10; the applicant is accordingly now recommended only for pension equal to 1/3 of his average salary. for service of 16 years 1 mo. and 1 day rendered by him in the superior Grade.

His name was included in the Returns for 1865 sent to the Pay Master Ceded Districts, as stated in a similar case in Collector's letter No. 2904 dated 27th July 1880.

The service claimed by him has been verified from the records & can therefore be admitted. He has since died.

CERTIFIED that I have carefully examined Palmanair Munisami Nayadu Son of Palmanair Chengaman Naidu a Delayet Collector's Office in the District of North Arcot.

His age is, by his own statement 55 years and by appearance, about 60. years

I consider him to be completely and permanently incapacitated for further service of any kind in the Department to which he belongs, in consequence of failing eye-sight and decay of age

His incapacity does not appear to me to have been caused by irregular or intemperate habits.
