Copy of letter from the Accountant General to the Government of Madras, to the Examiner Public Works Accounts Madras No. I.A.E./156 dated Fort Saint George 9th July 1880.

In reply to your letter No. 250 P. dated the 24th June 1880, I have the honor to state that the annual returns on record in this office for the years prior to 1865, do not contain the names of Inferior Servants in detail, hence the service of Srinevasa Mudaliar from 1847 to 1857 as detailed in the letter under reply cannot be verified from those returns.

In a few of the returns, however, the applicants name is traceable; but the service is not satisfactorily established.

Although the applicants service for the period in question, might doubtless be varified from the records of the District Judge, Salem, a reference to that officer, has been considered unnecessary as the service will, in all probability, be rejected as non qualifying being inferior

The enclosure to your letter under acknowledgement is herewith returned as requested.

Remarks by Examiner, P. W. Accounts.

Verified from the Audit Registers of this Office and found correct. It is not understood why this period was omitted from the History of Services of the applicant as noted in the pension application but to avoid any delay occuring from a reference on the subject, it has been included and classed as qualifying. The applicants' services were dispensed with on 30th June 1863 owing to a reorganization in the Department.

Verified from the Audit Registers of this Office and found correct.

The applicant was appointed acting Taluq Writer on the 1st December 1864 but was confirmed in the same appointment on the 1st June 1865. The period from 1st December 1864 has consequently been classed as qualifying with reference to para 2 Section 27 Civil Pension Code.

The applicants' services were dispensed with on the 29th February 1880 in consequence of the general reduction of Establishment in the Public Works Department.

The amount of saving accrued to Govt consequent on the retirement of the applicant has not been entered on the 5th page of the application but as no one was appointed in his place, the whole of his pay is a saving to Government.

Copy of letter from the Officer in charge of Mayaveram Division to the District Engineer Tanjore No 349 of 14th September 1879.

I have the honor to bring to your notice that my Draftsman is a most inveterate idler and deserves in my opinion to be reduced from 2d to 3d Grade. He has been since the first of August preparing the Estimate for the Court house at Tranquebar and making a copy of the plan. This should have not taken him a fort-night at the very most, as you will see when you get there. I have frequently fined him for idleness, disobedience of orders, as well as absence from office but it has had no effect on him.

No 2167.

The Range officer is requested to forward a statement showing the number of times the Draftsman has been

noted

admonished and fined and the cause for so doing on each occasion.

Remarks by Examiner, P. W. Accounts.

Verified from the audit Registers of this office and found correct

The applicant was reduced from Rupees 40 to 30 on 31 October 1878 and again on 20 January 1879. The reason of the first reduction was on account of carelessness and idleness as will be seen from copy of letter No 349 dated 14th September 1878 (with three enclosures _ Copies) from the Officer in charge of the Mayavaram Taluq to the District Engineer Tanjore (herewith) That of the second reduction can neither be traced from the audit Registers of this Office or from the record in the Divisional Office

The entries in the gratuity application regarding these reductions (see page 5 entry 2) are incorrect But as these incorrect entries do not affect the amount of gratuity shown to be admissible, the return of the application to the Superintending Engineer for the necessary correction was however considered unnecessary as only delaying the submission of the application for the orders of Government

The applicants services were dispensed with on the 29th February 1880 owing to General Reduction of Establishment in the Public Works Department

The following papers accompany the gratuity application
1 Service Book
1 Copy of letter No 349 of 14 September 1878 from Officer in charge of Mayavaram Taluq to District Engineer Tanjore
3 Copies of Enclosures to above.
